

AGM 20th March 2023

Trustees Report

A quieter year, as we had to hand back the shop at the end of the year. We were still able to raise funds and make donations. We continue to have the bookstall outside during the summer thanks to Richmond Town Council. We will continue to look for a shop for either long or short term lets. Grateful thanks to Dowse of Richmond, St Mary's Church and Friends for their help with storage of books and paintings.

Treasurers Report

Thanks to Ian Crisop for the accounts as presented and audited. Less activity on the accounts but the charity has continued to be able to raise funds and make grants as needed.
