## **The Parochial Church Council of The Holy Evangelists, Hanley Trustees' Annual Report for the year ended 31<sup>st</sup> December 2022**

*Charity registration number: 1176032*

### **Objectives and Activities**

The Parochial Church Council (the PCC) of the Hanley Team Ministry, has the responsibility of cooperating with the incumbent(s) of the five Churches which it serves, namely St. Mark's Church, Shelton with Etruria, St. Luke's, Wellington, St. Matthew's, Birches Head, Holy Trinity, Northwood and Christ Church, Cobridge, in the whole mission of the Church, pastoral, evangelistic, social and ecumenical.

The PCC meets four times during the year and is well attended at all times. When planning our activities for the year, we have considered many things for the advancement of religion. In particular, we try to enable ordinary people to live out their faith as part of our parish community through:

- Worship and prayer; learning about the Gospel; and developing their knowledge and trust in Jesus.
- Provision of pastoral care for people living in the parish.
- Missionary and outreach work.
  - As well as our regular services, we enable our community to celebrate and thank God at the milestones of the journey through life. Through baptism we thank God for the gift of life, in marriage public vows are exchanged with God's blessing and through funeral services friends and family express their grief and give thanks for the life which is now complete in this world and to commend the person into God's keeping.
  - Through our mission work we are able to support charities at home and abroad and this will continue to be an active part of our worship within all of our churches. We offer support to Friends of Lichfield, North Staffs Historic Churches Trust and Church Building Soc.
  - It is becoming increasingly difficult, in the present financial climate, to pay our Parish Share/Common Fund contribution in full, but through prayer in our Lord's goodness and the generosity of our congregations, we hope to be able to achieve this.

### **Public Benefit**

The trustees of the PCC are aware of the Charity Commission's guidance on public benefit in The Advancement of Religion for the Public Benefit and have had regard to it in their administration of the Charity. The trustees believe that, by promoting the work of the Church of England in the Ecclesiastical Parish of The Holy Evangelists, Hanley it helps to promote the whole mission of the Church (pastoral, evangelistic, social and ecumenical) more effectively, within the Ecclesiastical Parish, and that in doing so it provides a benefit to the public by:

- Providing facilities for public worship, pastoral care and spiritual, moral and intellectual development, both for its members and for anyone who wishes to benefit from what the Church offers; and
- Promoting Christian values and service by members of the Church in and to their communities, to the benefit of individuals and society as a whole.

It has been another demanding year as we have emerged from the worldwide pandemic. Early in the year we continued to provide services online by Zoom to enable people to still join in with weekly worship. A Sunday service was provided at Holy Trinity for those who felt able to attend, and from after Easter, we added a Sunday service at Christ Church, alongside weekday services at St. Matthew's and St. Luke's. This

has now become our continuing pattern of worship. There is also a weekday service of Morning Prayer at Christ church.

### **Financial Review**

In 2022 we tried to fulfil our obligation to the Diocese with the Common Fund but at £24,700 were £12,050 short of our target at 31.12.2022. In addition, we paid £5,228 in arrears from 2021 and this allowed these arrears and £22,000 in arrears from previous years to be written off by the diocese.

Total unrestricted income for the year was £85,746 (2021: £63,375) and the unrestricted expenditure after transfers was £68,349 (2021: £68,141), giving an unrestricted surplus of £17,397 (2021: shortfall £4,766).

Within restricted funds we still hold ring-fenced funds for Youth Work, Secretarial Work for the Rector, a Bursary Fund which is administered at the Rector's discretion, and there is also the sum of money, held under the Staff Discretionary Fund. In the CBF account is a restricted sum of money which forms the Diocesan Admin/Secretary Fund. In the Internal Decorating Scheme there is £3,886 which is also held by the Diocese. The St. John's Fund continues to support the work of Friends of Lichfield, North Staffs Historic Churches Trust and Inc Church Building Soc to the total of £100 per year. Funds held will enable us to continue this support of these charities for a further year.

### **Reserves Policy**

It is PCC policy to try to maintain a balance on unrestricted free reserves (net current assets) which equates to at least three months unrestricted payments. This is equivalent to £17,087 (2021 £16,973) before transfers. It is held to smooth out fluctuations in cash flow and to meet emergencies. The balance of the free reserves at the year-end was £60,018 (2021 £42,621) which is substantially higher than this target. The PCC will be considering re-looking at their reserves policy in light of this in the future, but at present they are using it as a cushion in these uncertain times.

### **Safeguarding**

The PCC believe they have fulfilled their duty under section 5 of the Safeguarding and Clergy Discipline Measure 2016 (duty to have due regard to House of Bishops' guidance on safeguarding children and vulnerable adults).

### **Reporting Serious Incidents**

A Serious Incident is an adverse event, whether actual or alleged, which results in or risks significant harm to the charity's beneficiaries, employees, office holders, volunteers or to others who come into contact with the charity through its work, loss of the charity's money or assets, damage to the charity's property or harm to the charity's work or reputation.

The trustees are not aware of any Serious Incidents in the last year.

### **Fundraising**

The PCC takes its fundraising responsibilities seriously and is very grateful to all donors – whether regular or occasional – for their support of the church and church events. PCC supporters are never taken for granted. The PCC take full responsibility for fundraising and do not use commercial organisations or professional fundraisers. All money raised is either by donations, fundraising events, special appeals or legacies for which the PCC are most grateful.

### **Volunteers**

The members of the PCC would like to thank all the volunteers who work so hard to make our Church a lively and vibrant community. Our especial thanks go to our Parish Wardens, and District (deputy) Wardens and Parish and District Treasurers.

## **Risk Management**

The Church Wardens carry out regular Health and Safety Reviews and regularly inspect premises for potential hazards. We have safeguarding policies in place for child protection and for work with vulnerable adults, including rigorous DBS checking of staff and volunteers. Our insurances are reviewed annually to ensure adequate cover. An informal review of any new risks which may impact the work of the Church in the Parish is ongoing.

## **Structure, Governance and Management**

The PCC is a Body Corporate established by the Church of England and is a Charity registered with the Charity Commission. The PCC is governed by the Parochial Church Council Powers Measure (1956) as amended that came into effect on 2<sup>nd</sup> January 1957, and the Church Representation Rules (contained in Schedule 3 to the Synodical Government Measure 1969 as amended).

The method of appointment of the PCC members is set out in the Church Representation Rules. The Council comprises the Team Rector, any team vicars, assistant ministers and curates in post, the Parish Wardens, a representative of any Readers, those elected to the Deanery Synod, and other members who are elected at the Annual Parochial Church Meeting, by those on the Electoral Roll. The PCC members receive training from courses run by the Diocese. Members of the congregation are always urged to join the Electoral Roll, and to stand for election to the PCC.

The PCC members are responsible for making decisions on all matters of general concern and importance in the parish, and for all financial matters. The PCC met seven times in the year. As the Parish is constituted as a team ministry the PCC delegates such activities as are allowed by its Rule 18 Scheme to district church councils, one for each of the five churches. There is a Standing committee which has power to transact the business of the PCC between meetings subject to the direction of the PCC,

## **Related Parties**

### **Donations from Related Parties**

Donations from related parties during the year totalled £7,487 (2021: £7,256). All these donations were received without conditions.

### **Remuneration paid to Trustees**

The Diocese provided the stipends and accommodation of the Team Rector, any Team Vicars and any stipendiary curates. None of the trustees have been paid any remuneration or received any other benefits from employment with the PCC.

### **Expenses paid to Trustees**

Three clergy trustees were reimbursed £1,543 (2021 £1,221) for travel, burglar alarm and subsistence during the year.

## **Independent Examiner's report to the trustees/members of The PCC of Hanley The Holy Evangelist**

Registered charity number: 1176032

I report on the accounts for the year ended 31<sup>st</sup> December 2021 which are set out on the following pages.

### **Respective responsibilities of the Trustees and Independent Examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under Section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility

- to examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the General Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

### **Basis of Independent Examiner's Statement**

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair" view and the report is limited to those matters set out in the statement below.

### **Independent Examiner's Statement**

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in any material respect:

- accounting records were not kept in accordance with section 130 of the Charities Act or
- the accounts do not accord with the with the accounting records
- the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

# **The Parochial Church Council of Hanley The Holy Evangelist Financial Statements for the Year Ended 31<sup>st</sup> December 2021**

## **Accounting Policies**

The PCC is a public benefit entity within the meaning of FRS 102. The financial statements have been prepared under the Charities Act 2011 and in accordance with the Church Accounting Regulations 2006 governing the individual accounts of PCCs, and with the Regulations' "true and fair view" provisions. They have also been prepared in accordance with the Charities SORP (FRS 102).

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body nor those that are informal gatherings of Church members.

There may be minor discrepancies in the totals as the pence are not being shown.

## **Cashflow Statement**

The Charity has taken advantage of the exemption in FRS102 from the requirement to produce a Cash flow statement on the grounds that the income does not exceed £500,000.

## **Going Concern**

Although the SOFA for 2022 shows that income is greater than expenditure, there have been considerable Common Fund write offs during 2022 (£22,210), and the parish benefits from a Special Assessment on their Common Fund in 2023 of £14,122, based on a gross figure of £42,367. All of this help from the Diocese, together with the Heritage Fund monies from St Mark's is to help the parish continue as a Going Concern.

## **Accounting Estimates and Prior Year Errors**

No changes to accounting estimates have occurred in the reporting period.

No material prior year errors have been identified in the reporting period.

## **Description of Funds**

**Unrestricted funds** are income funds of the PCC that are available for spending on the general purposes of the PCC, including amounts designated by the PCC for fixed assets for its own use or for spending on a future project and which are therefore not included in its "free reserves" as disclosed in the trustees' annual report.

**Restricted funds** comprise of two elements:

- a) income from trusts or endowments which may be expended only on those restricted objects provided in the terms of the trust or bequest
- b) donations or grants received for a specific object or invited by the PCC for a specific object. The funds may only be expended on the specific object for which they were given. Any balance remaining unspent at the end of each year must be carried forward as a balance on that fund. The PCC does not usually invest separately for each fund. Where there is no separate investment, interest is apportioned to individual funds on an average balance basis.

**Endowment funds** are restricted funds that must be retained as trust capital either permanently or subject to a discretionary power to spend capital as income, and where the use of any income or other benefit derived from the capital may be restricted or unrestricted. Full details of all their restrictions are shown in the notes to the accounts.

## **Income**

Planned giving, collections and donations are recognised when received or when the PCC becomes entitled to the resource and the monetary value can be measured with sufficient reliability. Tax refunds are recognised when the incoming resource to which they relate is received. Grants and Legacies are

accounted for when the PCC is legally entitled to the amounts due and the monetary value can be measured with sufficient reliability. Dividends are accounted for when receivable, interest is accrued. All other income is recognised when it is receivable. All incoming resources are accounted for gross.

### **Expenditure**

Grants and donations are accounted for when paid over, or when awarded, if that award creates a binding or constructive obligation on the PCC. The diocesan parish share is accounted for when due. Amounts received specifically for mission are dealt with as restricted funds. All other expenditure is generally recognised when it is incurred and is accounted for gross.

### **Governance and Support Costs**

Support costs should be allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the PCC and its compliance with regulation and good practice.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources eg by allocating staff costs by time spent and other costs by their usage.

### **Fixed Assets**

Consecrated and benefice property is not included in the accounts by s.10(2)(a)&(C) of the Charities Act 2011.

Moveable church furnishings held by the Vicar and Churchwardens on special trust for the PCC and which require a faculty for disposal are inalienable property, listed in the Church's inventory, which can be inspected (at any reasonable time). For anything acquired prior to 2000 there is insufficient cost information available and therefore such assets are not valued in the financial statements.

### **Investments**

Investments in quoted shares, traded bonds and similar investments are valued initially at cost and subsequently at market value at the year end. Investments held for re-sale are treated as current asset investments.

### **Debtors**

Debtors are measured on initial recognition at settlement amount. Subsequently they are measured at cash expected to be received.

### **Creditors and Accruals**

Creditors are measured at settlement amounts less any trade discounts. Accruals are measured on best estimate of the amount required to settle the obligation at the reporting date

If the parish pay this assessment in full each year, they will receive a write-off of Parish Share arrears. The arrears for 2017 and 2018 have now been written off by the Diocese. The parish have paid the 2021 arrears in full. Due to the pandemic the write off agreement has been extended and is in place for 2022 and subsequent years.
