Report of the Trustees  
for the Year Ended 31st December 2022

---

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

## **OBJECTIVES AND ACTIVITIES**

### **Objectives and aims**

The purpose of the charity is the promotion of amateur sport for the public benefit by the provision of swimming facilities at the Lune Valley swimming pool for the benefit of the inhabitants of the greater Lune Valley area of North Lancashire.

### **Significant activities**

The charity manages and administers the activities of the Lune Valley Swimming Pool based in Hornby, Lancashire. Activities available include Public sessions (Lane, Senior, Ducklings, Club, Exercise, family) Rookie Lifeguard, School sessions and Children's lessons

## **ACHIEVEMENT AND PERFORMANCE**

### **Charitable activities**

In October 2018 the charity opened the Lune Valley Swimming Pool after closure and transfer from the local authority. Following refurbishment by the community volunteers and supporters the charity runs a seven day per week community based programme covering a variety of needs.

LVCS overarching aim is the promotion of healthy recreation, water safety and sport by the provision of swimming and teaching facilities at the Lune Valley Swimming Pool for the benefit of all local communities within the greater Lune Valley area of North Lancashire.

The LVCS charity manages and administers the activities of the swimming pool, providing approved training and dedicated teaching facilities with locally recruited staff. Many members of the public from various social groups use the facilities.

Activities include public lane swims, structured exercise classes, children's lessons, informal family swimming and schools lessons.

During 2022 we welcomed over 28,000 users. This is a massive increase over 2021 - even accounting for the fact that we were closed for 3 months.

250 children swam at the pool every week in addition to those who attend with their schools. Their sessions include our after school/Saturday morning lessons, Ducklings, Splashing Tots, Rookie Lifeguards and Hammerheads. Other user groups include: Lunesdale Divers, Lancaster Sub Aqua, Cubs and Beavers and special needs groups.

Our family sessions - both the open sessions and half/full pool hire continue to be hugely popular and are often booked up well in advance. We continue to offer a range of sessions aimed at adults of all ages - senior lane swims, adult lane swims, 30 min open sessions, Swim for fitness, Aquafit, Gentle Water workout and adult improver lessons.

We have continued to keep our pool building and equipment in the best condition as possible with regular servicing and repairs when necessary - including replacing the important UV tubes.

### **Fundraising activities**

Our strategy on voluntary external fundraising is required to keep awareness of the pool in the public eye around the Lune Valley and help meet every increasing energy and operational costs.

To this end two live music and dance 'Splish Splash' party nights were held in Hornby and Kirkby Lonsdale during the current year- room hire and musicians charity rate expenses incurred are paid from ticket sales.

We also held a very successful Christmas raffle

## **FINANCIAL REVIEW**

### **Financial position**

There was an overall Surplus in the year of £3,705 compared to £11,355 in 2021

Management and Administration of the Lune Valley Swimming Pool made LVCS a Surplus of £3,705 in the year ending December 2022 compared to an annual Surplus of £14,900 in 2021. In 2021 LVCS also spent the remaining £11,977 of the National lottery grant secured in 2020 to reduce the overall surplus down

Firstly this Surplus includes £2,388 of fundraising, donations and memberships. The local community continues to generously support LVCS and these amounts are very much appreciated in these difficult times.

In 2020 and 2021 a provision of £7,500 was made for Water charges at the swimming pool. The Trustees managed to negotiate these charges down and £5,000 of this provision has been reversed in the 2022 accounts. Without this exceptional accounting entry there would have been a deficit in the accounts of £1,295.

The year began very well with strong numbers of people swimming. However, the increase in gas and electricity costs has hit the pool very hard. A price increase and careful management of the pool have meant that the huge increase in heating and lighting costs at £31,216 in 2022 (compared to £13,763 in 2021) have almost been covered by the income from swimmers, schools and classes.

The pool is not through this tough time yet with the current government support being reduced further in April but with fixing energy prices until September 2023 and upcoming energy review the Trustees feel that the pool should get through this crisis in a good position for the future.

People are still swimming! The support from all of the local schools, some new users and the above grants have allowed the pool to continue to operate with the goodwill of staff and volunteers.

## **FINANCIAL REVIEW**

### **Reserves and financial viability**

The Reserves Policy for the Charity was reviewed in 2021 to retain reserves of 6 months running costs. This year these have risen and so retained reserves should be £35,000.

All remaining funds are used in the management and running of the facility.

At 31st December the General Fund had a positive balance of £41,159 (2021: £37,454).

This fund contained the assets totalling £47,194 including a cash balance of £33,814 (2021: £38,863) plus Trade Debtors to be received from customers of £13,380 (2021 £7,823). All of these Debtors are expected to pay.

These assets were offset by Trade Creditors of £6,035 (2021: £9,231). These Trade Creditors include an estimated charge for waste water from Water Plus of £2,500. This is the reduced charge LCVS has negotiated for waste water (2021: £7,500).

Despite the new challenges of the energy crisis the Trustees feel that the charity has enough reserves and is in a stable position to fulfil its activities in 2023 and beyond.

## **FUTURE PLANS**

We will continue to review the timetable to ensure we offer sessions that meet our customer's needs and remain financially viable to run, and introduce new sessions wherever possible.

We will employ consultants to undertake an Energy Efficiency Audit of the pool and its equipment. We will use this as a basis to draw up an investment plan that will ensure the pool becomes sustainable into the future. This will need a huge fundraising effort both from national and local grants and our ever generous and supportive local community.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
