Easter food project

2020 annual report

Easter food hamper project:

This year was a very difficult and a hard year due to the Covid 19 pandemic. The Rubiri community was affected by it and many small business had to close due to the curfew put by the government. We were able to find means and ways to get the food hampers delivered to most vulnerable and the elderly.

Due to social distancing we were not able to run workshops but we still kept in touch the young people through technology.

OLDER PEOLPE

During the Christmas season, We managed to organise well wishers and the community to give back to the community and we did this by feeding 70 families and also providing food hampers for 60 vulnerable older people.
