A Zip Wire has been built at Cornish Hall End, and a set of 5-aside goals were provided for both Finchingfield and Cornish Hall End.

The long term aim of the FinCHE was to provide a BMX/Pump Track for the villages. There has been progress made, following our preapplication we have now made a full application, and are waiting for a decision to be made.

The trust has also been funding after school football training facilities on Friday night" s for the primary school children. It also gave a grant of £600 towards the transportation cost of taking the children for swimming lessons.

FinCHE Community Group became a CIO in December 2017. It's purpose is to raise funds to purchase play equipment for the for the youngsters of Finchingfield and Cornish Hall End. Two small villages in rural North Essex. The Covid-19 outbreak ruined 2020/21 as a year for raising funds and charitable work.

The charity has also expanded into funding after school classes for the primary aged local children at the local primary school.

An attempt to run a similar venture with Finchingfield Guildhall for Arts and Crafts had to be put on hold, when the Guildhall failed to obtain a grant.

It was decided following the victories of Beth Shriever at the Olympics and World Championships for BMX to revert to the Finche's original aim to build a BMX/PUMP TRACK.

Beth lives in the village and the FinCHE gave her a grant for training before Tokyo. There is also evidence that there is a number of people, of various ages, in the village, and the local area, that would like a track.

They currently use other venues considerable distances away.

We have commissioned a survey and track design, and will be making a pre-application to Braintree District Council

We have made a pre – application to Braintree District Council and it was approved with minor changes. We are now looking to make a full application. The necessary reports have been produced. Hopefully work will commence this year.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

FinCHE Community Group became a CIO in December 2017. It's purpose is to raise funds to purchase play equipment for the for the youngsters of Finchingfield and Cornish Hall End. Two small villages in rural North Essex. The Covid-19 outbreak ruined 2020/21 as a year for raising funds and charitable work.

The charity has also expanded into funding after school classes for the primary aged local children at the local primary school.

An attempt to run a similar venture with Finchingfield Guildhall for Arts and Crafts had to be put on hold, when the Guildhall failed to obtain a grant.

It was decided following the victories of Beth Shriever at the Olympics and World Championships for BMX to revert to the Finche's original aim to build a BMX/PUMP TRACK.

Beth lives in the village and the FinCHE gave her a grant for training before Tokyo. There is also evidence that there is a number of people, of various ages, in the village, and the local area, that would like a track.

They currently use other venues considerable distances away.

We have commission a survey and track design, and will be making a pre-application to Braintree District Council

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To promote for the benefit of the inhabitants of Finchingfield and Cornish Hall End, Essex and the surrounding area. The provision of facilities for recreation or other leisure time occupations of individuals who have need of such facilities by reason of their youth, age, infirmity, or disablement, financial hardship or social and economic circumstances, or for the public at large in the interest of said welfare and with the object of improving the conditions of said inhabitants

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Following the the two barren years caused by the Covid-19 pandemic the Three Legged Race was back in full swing as FinCHE's fund raising fun day.

As well as generating funds, the day provides many activities for all ages to take part in and enjoy.

The funds generated are used to pay for after school training sessions, which we are looking to increase. Some will also go towards the start-up costs of the Pump Track. The after school classes are heavily attended, and as I have mentioned, we are hoping to set up a class for Arts and Crafts after school.

There is a significant demand both for this class and the Pump Track. We are constantly check with the villagers to see what clubs/activities we could set up

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Unfortunately the covid pandemic prevented the trust from running any fund raising activities and any after school activities. The bonus for the trust was that the young girl, to which the trust had given a grant won a gold medal for BMX at the Tokyo Olympics. She also went on to win the World Title. A moment of joy in an otherwise very unfortunate year
