FinCHE Community Group became a CIO in December 2017. Its putposed is to raise funds to purchase play equipment for the youngsters of Finchingfield and Cornish Hall End two small villages in rural North Essex. The Covid-19 outbreak ruined 2020/21 as a year for raising funds and charitable work.

The charity is also expanding into funding after school classes. It has had success with football and tennis, and is looking to add arts and craft classes covid regulations permitting.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To promote for the benefit of the inhabitants of Finchingfield and Cornish Hall End, Essex and the surrounding area. The provision of facilities for recreation or other leisure time occupations of individuals who have need of such facilities by reason of their youth, age, infirmity, or disablement, financial hardship or social and economic circumstances, or for the public at large in the interest of said welfare and with the object of improving the conditions of said inhabitants.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Unfortunately the covid pandemic prevented the trust from running any fund raising activities and any after school activities. The bonus for the trust was that the young girl, to which the trust had given a grant won a gold medal for BMX at the Tokyo Olympics. She also went on to win the World Title. A moment of joy in an otherwise very unfortunate year
