The provision of facilities for recreation or other leisure time occupations of individuals who have need of such facilities by reason of their youth, age, infirmity, or disablement, financial hardship or social and economic circumstances, or for the public at large in the interest of said welfare and with the object of improving the conditions of said inhabitants.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

FinCHE Community Group became a CIO in December 2017. Its original objective was to raise funds to purchase play equipment for the youngsters of Finchingfield and Cornish Hall End. Two small villages in rural North Essex.

A Zip Wire has been built at Cornish Hall End, and a set of 5-aside goals were provided for both Finchingfield and Cornish Hall End.

The long term aim of the FinCHE was to provide a BMX/Pump Track for the villages. There has been progress made, following our preapplication we have now made a full application, and are waiting for a decision to be made.

The trust has also been funding after school football training facilities on Friday night" s for the primary school children. It also gave a grant of £600 towards the transportation cost of taking the children for swimming lessons.

during the year**

The charity's main fund raising activity is a summer event. A series of three legged races for children to adults around the village.
