TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2022

The trustees present their annual report, together with the consolidated financial statements, of Human Love ("the Charitable Company") for the year ended 31 March 2022. The trustees confirm that the report and financial statements of the Charitable Company comply with the current statutory requirements, the requirements of the Charitable Company's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Since the Charitable Company qualifies as small under section 383 of the Companies Act 2006, the strategic report required of medium and large companies under Companies Act 2006 (Strategic Report and Director's Report) Regulations 2013 is not required.

Objectives and Activities

a. POLICIES AND OBJECTIVES

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charitable Company's aims and objectives and in planning future activities and providing help in the form of gifts or grants or any combination of these.

b. STRATEGIES FOR ACHIEVING OBJECTIVES

The current principal objective of the Charitable Company is to raise money and awareness of the global refugee crisis to help refugees around the world. Currently it is intended that, this will be achieved through various artworks made in collaboration with refugees, conceived by the artist Marc Quinn, a trustee of the Charitable Company.

The proposed artworks are:

1. *100 Heads*: a series of 100 portrait busts of refugees which celebrate the sitters' individualities and stories, in order to challenge the common media presentation of refugees as undifferentiated masses. Initially moved by the stories of refugees crossing the Mediterranean, Quinn felt compelled to make a co-authored artwork series with one hundred resettled refugees from different times and places, to raise awareness and raise funds for refugee causes. With much of his practice rooted in art history, Quinn found inspiration in the history of the Greek Islands, the birthplace of Classical Antiquity, where the genre of portraiture was born. To this day, the portrait bust has been employed continuously to immortalise the individuality, status and memory of sitters. Yet historically, it has been reserved for society's most powerful, from royalty, religion, and mythology. The *100 Heads* series leads us to question whom we traditionally choose to celebrate and immortalise within our collective humanity and why. *100 Heads* are contemporary versions of Greco-Roman sculptures, made from concrete and based on 3D scans of the sitters. To date, Quinn has been making life-size portrait busts of resettled refugees living across Europe and the USA, who have sought refuge from different zones of displacement including Somalia, Syria, Iran, Burundi, Turkey, Rwanda, Burma and Venezuela, and from different humanitarian crises dating back to the Holocaust.
2. *Monumental Lives*: a 4 metre high selection of the *100 Heads* sculptures, to be promoted as public artworks to further raise monies and awareness.
3. *Our Blood*: is to be a singular, monumental sculpture which consists of two substantial, identical cubes of frozen human blood. One is made from donations by about 5,000 resettled refugee volunteers and the other by 5,000 non-refugee volunteers. The sculpture is designed to demonstrate equality and solidarity. The two anonymous cubes will be displayed in bespoke refrigeration units and housed in a pavilion. The pavilion is designed by the renowned architect Norman Foster and the Norman Foster

Foundation. The exhibition will tour the globe and will debut in New York City.

Each individual blood donor - refugee and non-refugee - is given the opportunity to tell their story, share their experiences and explain how they want to help. *Our Blood* is not only a sculpture but also a library and video archive of human history and humanitarianism. These videos will be a powerful tool for creating awareness of the issue in an increasingly digital age.

Through personal stories and public advocacy from well-known refugees and non-refugees, including intellectuals and opinion formers, *100 Heads*, *Monumental Lives* and *Our Blood* will harness the power of influence to spread the word and achieve the greatest possible impact.

Each project will raise funds for refugees through the sale of a Marc Quinn artwork and various fundraising initiatives and aims to raise millions of dollars to support refugees.

All profits from the artworks will go to refugee causes selected by the sitters, refugee advisors and trustees.

c. ACTIVITIES FOR ACHIEVING OBJECTIVES

The trustees have a number of powers which are detailed in the Memorandum of Association and which may be exercised in promoting the objectives of the Charitable Company.

The primary activities during the year were development and fundraising activities on the *100 Heads*, *Monumental Lives* and *Our Blood* projects.

Achievements and performance

a. REVIEW OF ACTIVITIES

In the financial period under review, consolidated income receivable totalled £57,244 (2021 - £261,793), which included donations (including Gift Aid) and interest receivable. Of this income, £Nil (2021 - £39) is restricted.

Consolidated expenditure for the period was £252,296 (2021 - £378,055) which includes expenditure on raising funds of £240,583 (2021 - £353,223) and governance costs of £11,713 (2021 - £24,832).

Financial review

a. GOING CONCERN

After making appropriate enquiries, the trustees have a reasonable expectation that the Charitable Company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

The Covid-19 pandemic, war in Ukraine, inflation and interest rate rises had an effect on all UK companies in a wide ranging manner, potentially affecting their operational capability, liquidity and financial position.

The trustees have considered the implications and have put in place business continuity plans that should allow the Charitable Company to continue in operation.

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2022

Financial review (continued)

b. RESERVES POLICY

The cumulative income received by the Charitable Company to date has been higher than the cumulative direct charitable expenditure and governance costs incurred and results in a reserves surplus at the end of the period of £979,561 (2021 - £954,058) of which £7,236 (2021 - £7,236) is restricted.

The trustees have no outstanding commitments or cash demands which are not adequately covered by existing resources. At this stage the trustees feel that it would be inappropriate to adopt a specific reserves policy. The trustees will keep this under review. In future years, a specific reserves policy may be required.

Structure, governance and management

a. CONSTITUTION

The Charitable Company is registered as a Charitable Company limited by guarantee and was set up by a Memorandum of Association on 11 October 2017.

The Charity is registered as a charity with the Charity Commission (charity number 1176220).

The principal object of the Charitable Company is to raise money and awareness of the global refugee crisis including through the Marc Quinn artwork projects *100 Heads*, *Monumental Lives* and *Our Blood*.

b. METHOD OF APPOINTMENT OR ELECTION OF TRUSTEES

The management of the Charitable Company is the responsibility of the trustees who are elected and co-opted under the terms of the Articles of Association.

c. POLICIES ADOPTED FOR THE INDUCTION AND TRAINING OF TRUSTEES

As part of their training, trustees are given an information pack which includes the Charitable Company's Memorandum and Articles of Association and Charity Commission guidance on Trustees' Responsibilities. All trustees are kept informed at meetings of their duties and obligations under the law in addition to their proper conduct.

The trustees are aware of their obligations to ensure new trustees are properly versed in their role. A similar induction process will be undertaken for new trustees as the Charitable Company develops and will include providing the trustees with additional documentation such as recent annual reports, grant making policy and relevant minutes. The training of trustees will be kept under review.

d. ORGANISATIONAL STRUCTURE AND DECISION MAKING

The trustees meet regularly and decisions are made at trustees' meetings. The day to day administration of the Charitable Company is undertaken by the trustees.

e. RISK MANAGEMENT

The trustees have assessed the major risks to which the Charitable Company is exposed, in particular those related to the operations and finances of the Charitable Company, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

The Charitable Company's main objectives for the next financial year are:

- To further increase awareness of the *100 Heads*, *Monumental Lives* and *Our Blood* projects and the refugee crisis through promotional and marketing activities.

- To continue to develop, produce and sell (via the Charitable Company's subsidiary company) sculptures from the *100 Heads* and *Monumental Lives* series for fundraising and awareness purposes.

Internal Controls

They are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charitable Company and enable them to ensure that the financial statements follow best practice. They are also responsible for the Charitable Company safeguarding its assets and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The system of internal controls is designed to provide reasonable, but not absolute, assurance against material misstatement or loss.

TRUSTEES' RESPONSIBILITIES STATEMENT

The trustees (who are also directors of Human Love for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charitable Company and of the incoming resources and application of resources, including the income and expenditure, of the Charitable Company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charitable Company will continue in operation.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES

1.1 General information

Human Love ("the Charitable Company") is a registered charity (charity number 1176220) limited by guarantee, whose principal object is to raise money and awareness of the global refugee crisis through the Marc Quinn artworks outlined in the Trustees' Report ("the Artwork"). The Artwork is being produced by the Charitable Company's wholly owned subsidiary incorporated in England and Wales, Human Love Worldwide Limited ("the Subsidiary").

In the event of the Charitable Company being wound up, the liability in respect of the guarantee is limited to £1 per member of the Charitable Company. The address of the registered office is given on page 1 of these financial statements.

1.2 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Accounting Practice. The Charitable Company constitutes a public benefit entity as defined by Charities SORP FRS 102.

The financial statements are prepared on a going concern basis and under the historical cost convention. The financial statements are prepared in Sterling which is the functional currency of the Charitable Company.

A separate Statement Of Financial Activities and Income and Expenditure account for the Charitable Company has not been presented as it has taken advantage of the exemption allowed under section 408 of Companies Act 2006.

The significant accounting policies applied in the preparation of these financial statements are set out below.

1.3 Consolidation

The consolidated financial statements comprise those of the Charitable Company and the Subsidiary, both made up to 31 March 2022. The financial statements are consolidated on a line-by-line basis and eliminate all intra-group transactions and balances.

1.4 Income

All income is recognised once the Charitable Company has entitlement to the income and it is probable that the funds will be received within the Charitable Company or on behalf of the Charitable Company and the monetary value of incoming resources can be measured with sufficient reliability.

Donations are recognised in the financial statements, within "Donations", when the Charitable Company acts as principal for these fundraising projects. A corresponding donation expense is recorded in respect of these donations such that there is no net impact on the Statement of Financial Activities (refer to "Expenditure" below for details).

HUMAN LOVE

(A Company Limited by Guarantee)
Registered number: 11008658
Charity number: 1176220

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES (continued)

1.4 Income (continued)

Donated services and facilities are included at the value to the Charitable Company where this can be quantified.

Donation income is deferred when the donations are received in advance and specified by the donor as relating to specific accounting periods; or alternatively which are subject to conditions which are still to be met and which are outside the control of the Charitable Company; or when it is uncertain whether the conditions can or will be met. These are deferred to the year to which they relate and released to incoming resources in that year.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income from trading activities includes income earned from the sale of the Artwork (an activity carried out by the Subsidiary). Income is recognised when significant risks and rewards of ownership of the Artwork have transferred to the buyer, the amount of income can be measured reliably, it is probable that the economic benefits associated with the transaction will flow to the Subsidiary and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

1.5 Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to that category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

Costs of generating funds are costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.

Charitable activities and governance costs are costs incurred on the Charitable Company's operations, including support costs and costs relating to the governance of the company apportioned to charitable activities.

All expenditure is inclusive of irrecoverable VAT.

1.6 Investment in subsidiary

Investment in the Subsidiary is held at cost less provision for impairment, if any.

1.7 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.8 Stocks

Stocks and work in progress are stated at the lower of cost and net realisable value, being the estimated selling price less costs to complete and sell. Cost includes feasibility studies and design costs, together with all direct costs of the manufacture and production of any projects undertaken.

HUMAN LOVE

(A Company Limited by Guarantee)
Registered number: 11008658
Charity number: 1176220

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES (continued)

1.8 Stocks (continued)

At each balance sheet date, stocks and work in progress are assessed for impairment. If stocks or work in progress are impaired, the carrying amount is reduced to its estimated selling price less costs to complete and sell. The impairment loss is recognised immediately in the Profit and Loss Account.

1.9 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.11 Tax

The Charitable company is exempt within the meaning of Schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a Charitable Company for UK corporation tax purposes.

Current tax represents the amount of tax payable or recoverable in respect of the taxable profit or loss for the current or past reporting periods in relation to the commercial trading activity conducted by the Subsidiary. It is measured at the amount expected to be paid or recovered using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date. The tax amount is shown under other expenditure in the Profit and Loss Account.

1.12 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the Charitable Company and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charitable Company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

2. COMMERCIAL TRADING OPERATIONS

The Charitable Company has appointed the Subsidiary to raise funds through promotional, marketing and fundraising campaigns and to also procure the creation of the Artwork.
