Yes	No	N/a
<b>Legacies</b>	Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met. <b>Contractual income and performance related grants</b>	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	Yes	No	N/a
<b>Donated goods</b>	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.  Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. ### Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To further or benefit the residents of the community of Birstall West Yorkshire, as delineated on the plan annexed to the Constitution, without distinction of sex, sexual orientation, race or of political, religious or other opinions by associating together the said residents, local authorities, voluntary and other organisations in a common effort to provide facilities in the interest of social welfare for recreation and leisure time occupation with the objective of improving the conditions of life for the residents. In furtherance of these objects but not otherwise, the trustees shall have power: to establish or secure the establishment of a community centre and to maintain or manage or co-operate with any statutory authority in the maintenance and management or such a centre for activities promoted by the charity in furtherance of the above objects.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>Our main activities and who we try to benefit are described in this Report. The beginning of the reporting period was again dominated by the restrictions imposed due to Covid. Throughout the year our charitable activities have focused on the preservation and long-term use of the Birstall Community Centre and are undertaken to further our charitable purposes for the public benefit.</p> <p>In order to ensure the continued use of the building for the community the Charity continued to benefit from a lease negotiated with Kirklees Metropolitan Council to retain the village Library. The continued receipt of service charges from the Council together with available government grants provided a welcome income stream to offset forced reductions in user fees at the beginning of the year when costs still had to</p>

		<p>be met. The Trust benefited from the furlough scheme until the scheme ended and also a grant to help us restart.</p> <p>We were able to re-open again in April 2021. Some hirers came back to the centre straight away whilst some community groups that are regular hirers returned to the centre slowly during the year, as they felt able. We also benefited from some new hirers during the year.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities,

### Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To further or benefit the residents of the community of Birstall West Yorkshire, as delineated on the plan annexed to the Constitution, without distinction of sex, sexual orientation, race or of political, religious or other opinions by associating together the said residents, local authorities, voluntary and other organisations in a common effort to provide facilities in the interest of social welfare for recreation and leisure time occupation with the objective of improving the conditions of life for the residents. In furtherance of these objects but not otherwise, the trustees shall have power: to establish or secure the establishment of a community centre and to maintain or manage or co-operate with any statutory authority in the maintenance and management or such a centre for activities promoted by the charity in furtherance of the above objects.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Our main activities and who we try to benefit are described in this Report. Like many small village charities, the reporting period has been dominated by the restrictions imposed due to Covid. Throughout the year our charitable activities have focused on the preservation and long-term use of the Birstall Community Centre and are undertaken to further our charitable purposes for the public benefit. In order to ensure the continued use of the building for the community the Charity continued to benefit from a lease negotiated with Kirklees Metropolitan Council to retain the village Library. The continued receipt of service charges from the Council together with available government grants provided a welcome income stream to offset forced reductions in user fees after March 2020 during a period when fixed costs had to be met. The Trust benefited from

		<p>the furlough scheme, when it was uncertain as to how and when we could re-open, to retain our two employees</p> <p>As a result of Covid the Trust also held a grant from Kirklees to help the local food share programme. It was the only group that could, at the time of the first lockdown, hold funds and pay invoices to ensure a supply of food for the food share which was desperately needed at the time locally. The Trustees agreed that this was for immediate emergency use (Covid-19 crisis) and an extension of the Trust's local charitable aims.</p> <p>Once normality returns priority will continue to be given to those from the local community.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities,

## Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	There is a loss of income over expenditure, but this is a reduced position from the previous year. The Trustees have compared the loss with the previous year and agree that it is not a material deficit. The Charity benefited from Government grants and service charges (as outlined above) which covered fixed costs during the time we were closed.
