To better manage the Glory of Christ Church, we have a variety on meeting throughout the year, taking place between the members of the board of trustees, the whole congregation meetings and the assembly of the church meeting. Due to the challenging Corona virus restrictions, the above meetings were mostly taking place online and physically where the law permitted.

Our board of trustees coordinates activities within our church to ensure the harmony between our members and the pursuit of our missions as well as our aims and objectives.

#### **C. INCOME**

Our income was mainly generated from members contributions in terms of offerings, tithes and donations. The total annual income for the year from the period 01/06/2020 to 31/05/2021 was £6,200. Whereas the total expenditure was £6,100.

#### **E. ACTIVITIES UNDERTAKEN**

As our main focus is to advance the Christian faith, we organised preaching, seminar conferences, Bible sharing and teaching for the benefit of our members.

We encouraged our members to meditating the word of God and to live a devotional life of prayers.

We visited members of our congregation and to share our Christian values through Bible studies and Bible sharing.

We organised Christian fellowship meals that emphasized community, goodwill, and the sharing of food and fellowship among our members in our congregation. These agape meals aim were to strength the bonds, to foster harmony and express the koinonia which is the community sharing and fellowship between our members within our Christian family.

We organised some clothes donations (It means we called our members to bring in their unused clothes to donate to our members who were in need. Mainly Asylum Seekers who newly arrived in the UK with no enough to live on, clothes to warm themselves up. This is the best way to share our Christian love with them.

We organised some shopping help days which consisted of giving a lift and helping our members who were struggling to go shopping due to the lack of transport. So, as a Community church, we worked with our members who had cars to help those who needed some support in shopping.

#### **F. ACHIEVEMENT AND PERFORMANCE**

The period of the year from 2020 to 2021 was the most difficult one for the Glory for Christ Church due to coronavirus lockdowns across the UK. Most of our meetings were taking place online. As most of our members are from the migrant communities from Africa and mostly not used with the use of technology, it was difficult to adapt to the online facilities. But thankfully, our team of volunteers was able to help them adapt to accordingly.

We also were able to have our indoor activities while remaining compliant to the Coronavirus guidelines as announced by the government.

We worked very hard in assisting our members, especially elderly and those who do not have car facilities with shopping.

We helped with food parcels which was mainly coming from our members with the ability to help the needy from our community.

We organised some Christian friendly meals to strengthen our spiritual bond within our congregation during the time where there were no Coronavirus restrictions.

We organised a lot of online prayer activities in support of: NHS staff, our members, and members of the public during Coronavirus pandemic times.
