The Glory of Christ Church is managed by the following board of trustees: Toni Nitu, Nelly Bealongo and Rev. Jacques Lumona-Nzau.

To better manage the Glory of Christ Church, we have a variety of meetings throughout the year, taking place between the members of the board of trustees, the whole congregation meetings and the assembly of the church meeting. Due to the challenging Corona virus restrictions, the above meetings were mostly taking place online and physically where the law permitted.

Our board of trustees coordinates activities within our church to ensure the harmony between our members and the pursuit of our missions as well as our aims and objectives.

C. INCOME

Our income was mainly generated from members' contributions in terms of offerings, tithes and donations. The total annual income for the year from the period 01/06/2023 to 31/05/2024 was £5,300. Whereas the total expenditure was £5,100.

E. ACTIVITIES UNDERTAKEN

As our main focus is to advance the Christian faith, we organised preaching, seminar conferences, Bible sharing and teaching for the benefit of our members.

We encouraged our members to meditating the word of God and to living a devotional life of prayers.

We visited members of our congregation and to share our Christian values through Bible studies and Bible sharing.

We organised Christian fellowship meals that emphasized community, goodwill, and the sharing of food and fellowship among our members in our congregation. These agape meals aim was to strength the bonds, to foster harmony and express the koinonia which is the community sharing and fellowship between our members within our Christian family.

From time to time, we organised some clothes donations (It means we called our members to bring in their unused clothes to donate to our members who were in need. We assisted Asylum Seekers who newly arrived in the UK with no enough to live on by proving them with some clothes donated by members. This is one of the best ways to share our Christian love within our church, helping the needy.

We organised some shopping help days which consisted of giving a lift and helping our members who were struggling to go shopping due to the lack of transport. So, as a community church, we worked with our members who volunteered with their cars to help those who needed some support in shopping.

F. ACHIEVEMENT AND PERFORMANCE

During the period of the year from 2023 to 2024 members and trustees of the Glory for Christ Church organised Bible sharing and Bible studies, Biblical seminars and conferences. We baptised new believers who came to Christ.

We endeavoured in assisting our members, especially elderly and those who do not have car facilities with shopping.

We helped with food parcels which was mainly coming from our members with the ability to help the needy from our community.

We organised some Christian friendly meals to strengthen our spiritual bond within our congregation.

We organised some Bible reflection days during which our youths had the opportunity to recite Bible verses and share their experience of their Christian lives. This was aimed to encourage as many young people as possible to serve the Lord.

We visited our members who lost their loved ones abroad to comfort them. We also granted support to those who were sick and unwell.
