Ball Out Community is governed by a CIO Constitution dated 20 December 2021. The trustees are responsible for the overall governance of the charity and are appointed in accordance with the provisions of the constitution.

The charity is led by the trustees, supported by volunteers and delivery partners. Day-to-day operations are overseen by the lead trustee.

MAIN OBJECTIVES

Ball Out Community exists to harness the power of basketball as a tool for youth development, community engagement, and social inclusion. The charity's objectives for the 2024–25 financial year were:

- To provide accessible basketball opportunities for young people across London and surrounding areas.
- To promote health, wellbeing, and positive lifestyle choices through sport.
- To foster community cohesion by bringing diverse groups together through basketball events and programmes.
- To create sustainable pathways for young players to progress into competitive basketball and leadership roles.
- To recruit and work with volunteers to support Ball Out Community events and signpost to vocational courses.

ACTIVITIES IN 2024–25

During the financial year, Ball Out Community delivered a wide range of impactful activities:

Community Engagement:

- Organised local tournaments and showcase events, attracting families and fostering community pride.

National Events:

- Continued to host the Ball Out 3x3 National Tour, recognised as the UK's premier 3x3 basketball competition, providing opportunities for players of all levels.
- Collaborated with Basketball England and other stakeholders to promote 3x3 basketball nationally.

Volunteer and Leadership Development:

- Recruited and trained volunteers to support events and coaching, providing valuable skills and experiences.
- Empowered young leaders through mentoring and involvement in programme delivery.

Partnerships and Funding:

- Secured new sponsorships and funding streams to support growth and sustainability.
- Strengthened relationships with local councils, schools, and community organisations.

Reserves Policy and funds held:

- As a small CIO operating on receipts-and-payments basis, the charity aims to maintain sufficient unrestricted reserves to meet short-term commitments and support operational continuity. At year end, unrestricted reserves were £2,064 and restricted reserves amounted to £Nil.

Risk Management

The trustees regularly review the key risks facing the charity, including financial sustainability, event delivery risks, safeguarding, and compliance. Appropriate controls are in place, including financial oversight, insurance, safeguarding procedures, and contingency planning for event operations.

Financial Review

- The charity's income for the year consisted primarily of sponsorship receipts, event income, and trustee loan support. Expenditure related to event delivery, equipment, venue costs, and operational expenses.
- The trustees consider the financial position to be stable. The charity continues to rely on sponsorship income and trustee support to manage cash flow during peak delivery periods.

Trustee Remuneration & Related Party Transactions

- No trustee received any remuneration or benefits from the charity during the year (2024/25). No expenses were reimbursed to any trustee.
- During the year, trustee Julius Joseph provided loan funding to support the charity's cash flow. A loan of £19,800 was advanced during the year, and a balance of £18,300

was brought forward from the prior year. This resulted in a total outstanding balance of £38,100 owed to the trustee at the year end.

- The loan is interest-free, repayable on demand, and was approved by the trustees in accordance with the charity's conflict-of-interest policy. Other than this loan, there were no related party transactions.

Going Concern Review and Assurance

- The trustee, Julis Joseph, has formally confirmed to the board that he will not seek repayment of the outstanding balance of £38,100 for the foreseeable future, and that repayment will only be requested when the charity's financial position allows it to do so without jeopardising its ability to continue operating.
- This assurance has been taken into account by the trustees when assessing the charity's ability to continue as a going concern.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Annual Report and the accompanying Receipts and Payments Accounts in accordance with the Charities Act 2011 and applicable regulations. The trustees must ensure that the report and accounts give a fair reflection of the charity's activities during the year and comply with the requirements of the charity's governing document.

The trustees are responsible for keeping proper accounting records which are sufficient to show and explain the charity's transactions and to disclose, with reasonable accuracy, the financial position of the charity at any time. They are also responsible for safeguarding the assets of the charity and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees confirm that they have complied with their statutory duties and have taken all reasonable steps to ensure the charity operates in accordance with charity law and its constitution throughout the year.

CONCLUSION

The trustees are proud of the progress made during 2024–25. Ball Out Community and delivered meaningful impact for young people and communities. REVIEW OF THE DEVELOPMENT ACTIVITIES

During the year the charity continued to promote sports and entertainment in the community. During the year the charity continued to focus on using sport as a tool to develop a positive social, physical, and vocational change in young people, particularly from disadvantaged backgrounds. This was achieved by coaching young people and delivering basketball clinics and tournaments. Ball Out is a coaching programme and a 3 on 3 (3x3) basketball tournament. Our programme is focused on the provision of grassroots to adult summer basketball participation and we have a very experienced coaching staff. Our aim is to increase basketball participation and become the solution for the provision of summer basketball.
