(RCN 1176404)

The Trustees submit their report for the year ended 31 May 2025.

Background

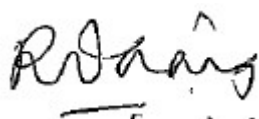

The charity was set up following the death of the noted artist Gustave Metzger on 1st March 2017. The format of the charity is a charitable incorporated organisation.

Financial position

The charity is the residuary beneficiary of the estate of Gustav Metzger. However, at the present time there is no indication of when funds or assets will be able to be transferred to the charity, due to the complexities of the estate. The executors are hopeful that they will be in a position to begin funding the charity during the 2026-27 tax year.

Accordingly up to the 31st May 2025 the charity had no assets, and had not yet received any income or made any expenditures. That continues to be the position up to the date of filing this return.

Background

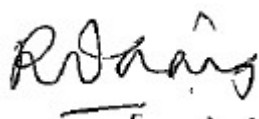

The charity was set up following the death of the noted artist Gustave Metzger on 1st March 2017. The format of the charity is a charitable incorporated organisation.

Financial position

The charity is the residuary beneficiary of the estate of Gustav Metzger. Until now there has been no indication of when funds or assets would be able to be transferred to the charity, due to the complexities of the estate, and the need for the executors to fund certain legacies given by Gustav Metzger in his Will. In the period since the end of this financial year 2022-2023 the trustees have made great progress and expect that during 2024-5 they will be in a position to transfer substantial assets to the charity.

However in the year up to 31st May 2023 the charity had no assets, and had not yet received any income or made any expenditures.
