

The Gustav Metzger Foundation
(RCN 1176404)

The Trustees submit their report for the year ended 31 May 2022.

Background

The charity was set up following the death of the noted artist Gustave Metzger on 1st March 2017. The format of the charity is a charitable incorporated organisation.

Financial position

The charity is the residuary beneficiary of the estate of Gustav Metzger. However, at the present time there is no indication of when funds or assets will be able to be transferred to the charity, due to the complexities of the estate, and the need for the executors to fund certain legacies given by Gustav Metzger in his will.

Accordingly up to the 31st May 2022 the charity had no assets, and had not yet received any income or made any expenditures. That continues to be the position up to the date of filing this return.
