## REPORT OF THE TRUSTEES (Continued) FOR THE YEAR ENDED 31 AUGUST 2025

---

The Linked Charity's objects are to provide financial support to pupils leaving Woodhouse Grove School as they embark upon the next stage of their education.

---

### Public benefit

The Trustees have given careful consideration to the Charity Commission's general guidance on public benefit and confirm that they have given due regard to this guidance. The Charity provides public benefit by:

- Supporting the educational activities of the School
- Providing means tested bursaries to those who would otherwise be unable to benefit from an independent education.

### ACHIEVEMENTS AND PERFORMANCE

#### Principal Activities of the Period

The Charity has continued to raise finance through donations and to build relationships with potential donors, to enable it to meet its objectives in the coming years. During the year the Foundation was able to raise £9,750 from donations and other fundraising activities.

During the year the School requested £Nil for funding towards the Scholars on hardship bursaries, helping grow the overall funds available for bursaries. The Foundation did contribution towards the employment costs of the Development Officer. Part of the role of the Development Officer is to grow the Foundation. This investment in the future growth of the Foundation has meant the reserves fell to £215,714 (2024 - £227,220).

The Linked Charity raised finance through its investments with £2,440 of interest and dividends being received in the year. Awards totalling £3,400 were made to leavers in the Summer. These were paid by the School to be repaid in the year ended 31 August 2026.

The funds of the Linked Charity are shown separately as a restricted fund on the Receipts and payment account.
