## **TRUSTEES' REPORT**

***FOR THE YEAR ENDED 30 JUNE 2021***

---

The Trustees present their report and financial statements for the year ended 30 June 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 2 to the financial statements and comply with the Geoffrey and Pauline Martin Trust's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

### **Objectives and activities**

The Geoffrey and Pauline Martin Trust's objects are to apply funds held to promote charitable purposes in any part of the world. Specifically, the Charitable Trusts focus will be supporting charities in the following areas: medical conditions including cancer, arthritis, asthma, kidney diseases and those attributable to ageing. The Charitable Trust will also focus on animals, in particular cats.

### **Aims of charity**

The aims of the Charity are to apply, at the discretion of the Trustees, grants to the charitable objects.

### **How achievement of aims furthers objectives**

The Trustees achieve their charitable objectives by making grants to the charitable objects.

### **Strategies for achieving aims**

The Charitable Trust is essentially investment based and intends to utilise the income generated from the investment portfolio to fund the grants the trustees have decided to make.

### **Statement of compliance with Charity Commission guidance**

The Trustees have paid due regard to the Charity Commission's guidance on public benefit in deciding the activities undertaken by the Charity during the year. The Trustees are satisfied that the information provided in the report and accounts meets the public benefit reporting requirements.

### **Charitable activities**

There are no operational activities other than those involved in the operation of the investment portfolio.

### **Grant making policy**

The Charitable Trust is mainly involved in grant making in furtherance of the charities aims. The Trustees agree and award grants to meet the charities objectives. Grants made during the year are monitored and recognised in the accounts in the period for which they are intended to be applied and treated as due in total on the date paid.

### **Achievements and performance**

#### **Review of the Charity's achievements**

The Trustees are happy that by applying their intended grants to various charitable objects they have been able to fulfil their aims in providing funding and support.

Several donations were made during the year as detailed in the accounts.

## **TRUSTEES' REPORT**

**FOR THE YEAR ENDED 30 JUNE 2021**

---

### **Investment performance**

Most of the Charity's capital is invested on the stock market, and throughout the year the total return of the portfolio fell within the Trustees' acceptable variance of the performance benchmark. Ongoing investment advice is provided by the investment advisors in conjunction with the Trustees.

As at 30 June 2021, the portfolio was valued at £5,290,098 compared to £4,421,078 in 2020.

### **Financial review**

The Charitable Trust's overall fund balances for the year total £5,439,221 this compares to £4,916,048 in 2020.

After taking into consideration total net incoming resources, recognised gains and losses during the year, commitments to charitable donations and governance costs, there was an overall increase in the net movement of funds £523,173 compared to an decrease of (£240,322) for 2020.

The Trustees have also reviewed their grant making capability and will, going forward, ensure there is sufficient income year on year to enable their financial commitments to be met.

The Trustees have delegated the operation of the investment portfolio to the investment advisors who are responsible for meeting the Charity's Investment Objectives and who are measured against their benchmark.

The Trustees consider their investments as expendable endowments, providing a relatively secure and predictable stream of income from which to make grants. The Trustees aim to distribute a large percentage of the income, net of expenses, in each financial year and therefore do not maintain income reserves as such. However, any unrealised gains and the income levels on the investments held are continually reviewed by the Trustees at their meetings to ensure that they have sufficient funds to meet their objectives.

### **Reserves policy**

As a grant making charity reserves are held as investments to generate an income from which to award grants.

### **Investment Policy**

The operation of the Investment Portfolio has been delegated to the investment advisors with whom there is a discretionary agreement.

The investment advisors are required to avoid exposure to investments which are deemed to be unsuitable in the context of the Trustees' Objectives, when considering the portfolio as a whole.

The investment advisors will provide half yearly reports which will include a statement confirming adherence to this policy statement or providing details of exceptions together with explanations. The report will also include a comparison of the portfolio return in relation to the benchmark. Major deviations will be examined and explained.

The benchmark upon which the investment portfolio is measured is the MSCI WMA Balanced Index.

As there are no specific restrictions of investment powers under the governing deed, the Trustees have full discretion over the investments. The Trustees have delegated the investment advisors to have full discretionary day to day control of the investments. In accordance with the Trustee Act 2000, as this duty has been delegated, the Trustees have in place a Policy Statement. Also in accordance with the Trustee Act 2000, the Trustees continue to regularly review the policies.

The Trustees have reviewed current policies and do not feel any amendments are necessary.

Assets have been acquired and disposed of in accordance with the powers available to the Trustees.

## **TRUSTEES' REPORT**

***FOR THE YEAR ENDED 30 JUNE 2021***

---

### **Risk management**

The Trustees have considered the major risks to which the Charity is exposed and have established systems and procedures to manage these. This includes the appointment of accountants to provide advice and accountancy services; investment advisors to provide continuous oversight of the Trust's investment portfolio; and the Trustees themselves have agreed to delegate certain functions to those with appropriate skills to monitor the effective management of the Trust and the application of funds to fulfil their charitable objectives.

The Trustees consider variability of investment returns to constitute the Charity's major financial risk and have put the investment policy in place to manage that risk.

The Trustees recognise the risk associated with investment in mainstream financial markets and accept this risk in return for the prospect of additional returns over longer periods of time. They wish to moderate the risk of deviation of returns relative to the chosen benchmark.

### **Plans for the future**

The Trustees continue to consider written applications for funding from individuals and other charitable organisations. They hold Unrestricted Funds and so all funds are available to meet the Charity's objectives and are satisfied that the Charity's assets are available and adequate to fulfil its current objectives which will continue for the foreseeable future.

### **Structure, governance and management**

#### **Nature of governing document**

The Geoffrey and Pauline Martin Trust was established by a charitable trust deed on the 16th May 2017 by Pauline Martin.

The Trustees who served during the year and up to the date of signature of the financial statements were:

Philip James Barks

Anthony Michael Bayliss

Jane Louise Fagan

### **Recruitment and appointment of trustees**

The Charity's governing body are the Trustees and new trustees are elected by the Continuing Trustees and any Retiring Trustees at the time of appointment.

The Trustees are kept up to date on relevant matters by their professional advisors. Any new Trustees are made aware of their duties and responsibilities at the time of their appointment.

### **Organisational structure**

The Trust is mainly a grant making charity. In general the Trustees liaise with their professional advisors in respect of the investment portfolio and deal with the charitable donations including identifying and liaising with organisations whose activities help fulfil the objectives of the Charity.

### **How decisions are made**

The Charity is run by a body of Trustees who liaise regularly amongst themselves and with their professional advisors formally twice a year to review the policies and objectives of the Trust. The Trustees act in accordance with the decisions made at these meetings with the appropriate actions minuted.

## TRUSTEES' REPORT

**FOR THE YEAR ENDED 30 JUNE 2021**

---

### Induction and training of trustees

Incoming Trustees are made aware of their responsibilities and the Trusts' objectives from the existing Trustees and their professional advisors at the date of their appointment.

The Trustees are kept up to date on relevant matters by their professional advisors.

### Operational restrictions

There are no specific restrictions imposed on the Trustees by the governing document concerning the way the charity can operate.

### Special investment powers

There are no specific restrictions on the Trustees' investment powers. The Trustees have decided for the time being to impose restrictions of their own, on the investment advisors as listed in the investment policy.

### Asset cover for funds

The Trustees are satisfied there are sufficient assets to meet the Charity's obligations.

The Trustees' report was approved by the Board of Trustees.

## **STATEMENT OF TRUSTEES' RESPONSIBILITIES**

***FOR THE YEAR ENDED 30 JUNE 2021***

---

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Geoffrey and Pauline Martin Trust and of the incoming resources and application of resources of the Geoffrey and Pauline Martin Trust for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the Geoffrey and Pauline Martin Trust and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Geoffrey and Pauline Martin Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF THE GEOFFREY AND PAULINE MARTIN TRUST

---

I report to the Trustees on my examination of the financial statements of THE GEOFFREY AND PAULINE MARTIN TRUST (the Geoffrey and Pauline Martin Trust) for the year ended 30 June 2021.

#### **Responsibilities and basis of report**

As the Trustees of the Geoffrey and Pauline Martin Trust you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the Geoffrey and Pauline Martin Trust's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Geoffrey and Pauline Martin Trust as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## BALANCE SHEET (CONTINUED)

AS AT 30 JUNE 2021

---

### 1 Critical accounting estimates and judgements

In the application of the Geoffrey and Pauline Martin Trust's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

### 2 Accounting policies

#### Charity information

THE GEOFFREY AND PAULINE MARTIN TRUST is a charitable trust formed by a deed dated 16 May 2017.

#### 2.1 Accounting convention

The financial statements have been prepared in accordance with the Geoffrey and Pauline Martin Trust's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The Geoffrey and Pauline Martin Trust is a Public Benefit Entity as defined by FRS 102.

The Geoffrey and Pauline Martin Trust has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Geoffrey and Pauline Martin Trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the investments at market value at the balance sheet date. The principal accounting policies adopted are set out below.

#### 2.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Geoffrey and Pauline Martin Trust has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 2.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

#### 2.4 Incoming resources

Income is recognised when the Geoffrey and Pauline Martin Trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

# THE GEOFFREY AND PAULINE MARTIN TRUST

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2021

---

### 2 Accounting policies

(Continued)

Cash donations are recognised on receipt. Other donations are recognised once the Geoffrey and Pauline Martin Trust has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Geoffrey and Pauline Martin Trust has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

#### 2.5 Resources expended

The costs of generating funds consist of investment management costs.

Costs of charitable activities include grants made, governance costs and an apportionment of support costs.

Expenditure is accounted for on an accruals basis.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

#### 2.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

#### 2.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### 2.8 Financial instruments

The Geoffrey and Pauline Martin Trust has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Geoffrey and Pauline Martin Trust's balance sheet when the Geoffrey and Pauline Martin Trust becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

##### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

### 2 Accounting policies

(Continued)

#### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

#### **Derecognition of financial liabilities**

Financial liabilities are derecognised when the Geoffrey and Pauline Martin Trust's contractual obligations expire or are discharged or cancelled.
