Objectives and activities (continued)

b. Objectives and Public benefit statement

Integrity International Trust's (IIT) mission is to build brighter futures for the most vulnerable people in society. There are no geographical boundaries to this remit; where there is a significant need, and IIT, or our partners, have the expertise and resources to assist to create sustainable solutions, IIT intervenes. Our objectives are:

- To empower & protect vulnerable people;
- Provide education; and
- Confronting sex trafficking
 - o To raise the awareness of the global issue of sex trafficking
 - o To make positive changes to the lives of those affected by sex trafficking
 - o To prevent individuals in highly vulnerable environments from becoming subject to sex trafficking
 - o To build the Nepal Community Education & Welfare Centre to assist those who have been rescued from sex trafficking in securing a positive future
 - o To assist in bringing sex traffickers to justice and securing more convictions.
- Enable job opportunities and skills
- Restore / build community, welfare and educational facilities
- Maintain health & welfare

The Trustees confirm that they have had regard to the guidance on public benefit issued by the Charity Commission when considering the objectives and activities of the Charity.

c. Activities during the Year

The activities during the year were:

- Harnessing Information and Designing a Healthier and More Successful Future – online discussion hosted by Rory Bremner

Achievements and performance

Financial review

a. Reserves policy

The results for the year are shown in the Statement of Financial Activities on page 6. There was a surplus of £7,995 in the year (31 December 2020: deficit of £15,943).

The Statement of Financial Activities shows income for the year of £36,400 (2020: £17,528) and expenditure of £28,405 (2020: £33,471). The majority of the expenditure during the year (£25,265) was on grants and donations made in furtherance of the Charity's work.

The Trustees confirm that they have identified and reviewed the major risk to which the charity is exposed and have established systems to mitigate those risks, such as regular meetings of the Board of Trustees and the use of professional advisors where necessary. These include ensuring that the Board is appropriately fulfilling its responsibilities under the Companies Act 2006 and Charities Act 2011. The Trustees have considered the impact of COVID-19 on its operations, and the negative unrestricted funds position, and believe it appropriate for the going concern basis to be adopted for these accounts.

At 31 December 2021 the Charity held total funds of £1,409 (2020: £6,586 deficit) of which £3,282 comprised restricted funds (2020: £700).

At 31 December 2021 the charity held a deficit in free reserves (that is, those funds not tied up in designated and restricted funds) of £1,873 (31 December 2020: deficit of £7,286). Given that the Charity has few committed costs and that the majority of the expenditure is in relation to grants and donations which are made having considered the funds available to the Trustees, the Trustees are satisfied that the level of reserves is appropriate. Funds are expected to return to a surplus position in the near future.

Structure, governance and management

a. Constitution

Integrity International Trust is registered with the Charity Commission and is also a company limited by guarantee. The Memorandum and Articles of Association of the Company constitute the governing document.

b. Methods of appointment or election of Trustees

The Trustees are appointed by the founder, per the Governing Document.

During the year of these financial statements and the previous year the Charity did not employ any staff and the day to day management of the Charity was carried out by the Trustees.

c. Governing body

The governing body of the Charity is the Board of Trustees.

d. Responsibilities of trustees

The Trustees are responsible for setting strategies and policies for the charity and for ensuring that these are implemented.

Statement of Trustees' responsibilities

The Trustees (who are also the directors of the Company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable Company's website. Legislation in the United Kingdom governing the preparation and dissemination of Financial Statements may differ from legislation in other jurisdictions.

In preparing the Trustees' Report the trustees have taken advantage of the exemptions available to smaller companies including the exemption from preparing a strategic report.

**INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 31 DECEMBER 2021**

Independent Examiner's Report to the Trustees of Integrity International Trust ('the Company')

I report to the charity Trustees on my examination of the accounts of the Company for the year ended 31 December 2021.

Responsibilities and Basis of Report

As the Trustees of the Company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

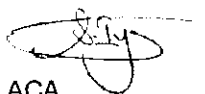

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Company's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Company's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Company and the Company's Trustees as a body, for my work or for this report.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021

1. General information

Integrity International Trust ("the Company") is a private company limited by guarantee, incorporated in England and Wales. The Company's registered office is 10 Queen Street Place, London EC4R 1BE.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Integrity International Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.4 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

INTEGRITY INTERNATIONAL TRUST
(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021**

2. Accounting policies (continued)

2.5 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.6 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.7 Financial instruments

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.8 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Company and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.
