Public Benefit

In planning the charities for the year, the trustees reviewed the guidance from the charity commission during trustee meetings.

ACHIEVEMENTS AND PERFORMANCE

In our fifth year as a registered charity, we have been able to support many people. Over the year we have received numerous donations and fundraising support from members of the public as well as more corporate organisations,

We have received physical donations from both businesses and members of the public. We thank each person/business or organisation that has donated to our charity. It would be impossible to quantify these donations. Increasing numbers of businesses and organisations are now aware of the charity's work, offering assistance including expertise, educating about stereotypes, and volunteering hours.

As a charity, We have held fundraising events to continue fundraising for our works, which have been beneficial both financially and in growing our message of homelessness.

In all areas, we have supported many people into temporary and permanent housing and continue to support them for as long as they require. We continue to run three soup kitchens, outreach, and provide food parcels in all areas. We have added additional services such as supporting ladies night and our mobile needle exchange. Our work has continued to increase dramatically due to the continuing effects of the pandemic, living wage and increased household bills. Working with local authorities to ensure no one in poverty, isolation or in need is left out. Alongside our soup kitchens we are still offering emergency assistance for families in poverty and others facing financial crisis. This includes, but not exclusively, the provision of food, furniture, clothing, nappies, kitchen appliances and online only payments for gas/electricity. This is not only from self-referral but referrals from various agencies, authorities, and education settings. This not only reflects the increased demand but also the relationships we have built with other agencies and the high regard in which The Medway Street Angels are held.

We pride ourselves on our level of professional communications with agencies such as DWP, multiple local councils, housing associations and educational settings etc. The building of these relationships have been the key to ensuring the charity achieves its objectives. We have seen an increase in the number of people requiring support.

Due to the nature of our activities, it is impossible to accurately estimate the number of people we have assisted.

THE MEDWAY STREET ANGELS
TRUSTEES' ANNUAL REPORT (*continued*)
YEAR ENDED 30th SEPTEMBER 2022.

At the time of writing, The Medway Street Angels has 49 volunteers who take on different roles, such as street outreach, food collectors, caterers, accompanying guests to appointments and collecting donations to count a few of our activities. The time and commitment given by our volunteers is vital, without them, the charity would not be able to function or offer the variety of services that we do. Their time, skills and commitment are invaluable and are vital to the success of the charity.

RESPONSIBILITIES OF THE TRUSTEES

The charity's trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations.

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and the income and expenditure of the charity for that period.

In preparing these financial statements, the trustees are required to:

- ❖ select suitable accounting policies and then apply them consistently.
- ❖ observe the methods and principles in the Charities SORP.
- ❖ make judgements and accounting estimates that are reasonable and prudent.
- ❖ state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- ❖ prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
