Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

We responded to the Ukrainian refugee call for help for people arriving in Buckingham, continued to contribute to Baby Basics Milton Keynes and to Tushinde, all to support young people in hardship. In recognition of the challenges to local young people we also supported a local period poverty programme

Section D Achievements and performance

Summary of the main achievements of the charity during the year

In 2022-23 we continued to fund programmers to support children in the most need.

We funded Tushinde to provide Fi Day Care, using our sponsored run monies and continued to help them with support for training.

We continued to lead local work to rescue and resettle refugee vulnerable children and mothers arriving and living locally.

Our work with Buckinghamshire Council via the Helping Hands Charity resulted in employment for refugees, support for volunteers to support refugees, and 50 bikes plus equipment. The community bike project closed with the successful rehoming of 50 bikes and a report to the council.

Our support for the health and wellbeing of the refugees aligned to our articles by fundraising and supporting activities in partnership with others. We heard that children were missing school because they could not afford period products. We therefore funded school period packages to be given to young girls locally.

We also funded STARR to enable children in need to go to circus performances.

We also continued with the knitting squares programme and linked to Baby Basics in Milton Keynes and 300 blankets were made and delivered to support local babies in need..

The shift to supporting UK children has enabled us to continue to deliver support in line with our charity constitution.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Circumstance due to the pandemic have curtailed our activities through the 2021/22 period too. Going forward continue to support Tushinde Children's Trust, in particular for care packages for the children we supported. We were keen to support similar work in the UK and were able to do so by opening up our work to Ukrainian refugee work. We confirm that the Charity Trustees have had regard to the guidance on public benefit.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Our work during the 2021-22 COVID pandemic centred on supporting local people in need rather than fund raising. We continued to fund Tushinde to provide Fi Day Care, however, this day care model changed from funding group care to funding family care packages due to COVID restrictions and risks in the slums. We led work to rescue and resettle vulnerable child and mother refugees locally and worked with Buckinghamshire Council to do so. We supported work on health and wellbeing of the refugees by aligning our work, fundraising and support activities with other registered charity linked to Bucks County Council. We ran a community bike project finding, fixing and rehoming more than 50 bikes to Ukrainian refugees children locally. We also developed a project to provide assistance to settle, to work and to school for Ukrainian refugees settling locally. Grants from the council and fund raising from sponsored events enabled us to do this. We also continued with the knitting squares programme and linked to Baby Basics in Milton Keynes. The shift to supporting UK need during COVID has enabled us to continue to deliver support in line with our charity constitution.

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Constitution
How the charity is constituted (eg. trust, association, company)	CIO
Trustee selection methods (eg. appointed by, elected by)	Fiona Foundation for Kids recognises that an effective board of trustees is essential if the charity is to be effective in achieving its objects. The Trustees are representative of the people with whom the charity works and have the knowledge and skills required to run the charity. We have a Trustee Recruitment policy.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The relief of those in need of assistance by reason of youth, ill health, disability, financial hardship or other disadvantage.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Circumstance due to the pandemic have curtailed our activities through the 2020-21 Period. Going forward we are actively supporting Tushinde Children's Trust and we would identify and support similar organisations that meet the purposes of our Charity. As an example, not only are we financially supporting the latest Tushinde project, we are looking to assist with their assessment data processing through our network of volunteers regarding the health outcomes from the day care projects. The organisations we choose will have a successful track record in their chosen field with appropriate governance processes and evaluation of the impact of the interventions in relation to individuals' health and well-being, organisation's sustainability and communities' involvement and activity. They will be reviewed and vetted to provide assurance to the Trustees that they are run in a fit and proper manner. Our preference is that they are already a registered charity, however should they not be we will be following the hard and fast rules of due diligence, thorough risk assessments and a formal agreements.

We confirm that the Charity Trustees have had regard to the guidance on public benefit.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Our work during the 2020-21 COVID pandemic centred on supporting people in need rather than fund raising. The opportunity to knit baby blankets connected people who were otherwise isolated. These blankets provided much needed comfort for local babies who has little else. We also supported the making of Fi tea towels as tokens of our thanks to those who has knitted these gifts of love. The shift to supporting UK need during COVID has enabled us to continue to deliver support in line with our charity constitution.

Section E

Financial review

Brief statement of the charity's policy on reserves

The trustees propose to maintain FFFK's reserves at a level which is at least equivalent to six months' operational expenditure of any projects to be funded. The trustees review the amount of reserves that are required to ensure that they are adequate to fulfil the charity's continuing obligations.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

We continued to support Tushinde and Fi Day Care and donated £3000, enough to fund the day care provision and feeding programme. The COVID pandemic has required us to pivot out work to ensure that we adhere to health regulations. We have focused on enabling individuals and groups to donate knitted squares and knitted children's clothing. These squares have been made into blankets and donated, along with the clothes to a UK charity Baby Basics. This has ensured that we keep to our charity mission.
