REPORT OF THE TRUSTEES

Trustee's Responsibilities in Relation to the Financial Statements

Law applicable to charities in England and Wales requires the trustees to prepare Financial Statements for each Financial year, which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the trustees are required to:

1. Select suitable accountable policies and then apply them consistently;
2. Make judgements and estimates that are reasonable and prudent;
3. State whether applicable accounting standards and statements of recommended practice have been followed subject to any departure disclosed and explained in the financial statements ;
4. Prepare the financial statements on the going concern basis unless it is in appropriate to presume that the charity will continue in business.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 1993. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees who held office during the period ending 31 December 2022 were as follows:

Accountants' Report
For The Year Ended 31 December 2022

INDEPENDENT ACCOUNTANT REPORT

We have prepared the financial statements of The Redeemed Christian Church of God Light House Assembly for the period ended 31 December 2022 which comprises the Statement of Financial activities, Balance Sheet and the related notes set out on page 6. These financial statements have been prepared under the historic cost convention and the account policies set out on page 6.

This report is made solely for the trustees in accordance with Section 44 Charities Act 1993. Our accounting work has been undertaken so that we might state to the Trustees those matters we are required to state to them in our Accountants' report and for no other purposes. Fully permitted by law, we do not accept or assume responsibility to anyone other than the Trustees of the Association, for our accounting work, for this report, or for the opinion we have formed.

Respective Responsibilities of Trustees and Accountants

The trustees' responsibilities for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards are set out in the Statement of Trustees' Responsibilities on page 2.

Our responsibilities are to prepare the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Accounting Standards.

We report to the trustees our opinion whether the financial statements give a true and fair view and are prepared in accordance with the Charities Act 1993. We also report to you if, in our opinion, the Trustees' Annual Report is not consistent with the financial statements, if the charity has not kept proper accounting records, or if we have not received all the Information and explanation we require for the preparation of the financial statements.

We read the information contained in the Trustees' Annual Report and consider whether it is consistent with the financial statements. We consider the implication for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

Basis of opinion

We have prepared the financial statements with the United Kingdom Accounting Standards issued by the Accounting Standards Board. The preparation includes examination, on a test basis of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgement made by the trustees in the preparation of the financial statements, and of whether the accounting policies are appropriate to the charity's circumstances, consistently applied and adequately disclosed.

We planned and performed our preparation to obtain all information and explanations that we considered necessary to provide us with sufficient evidence to give reasonable assurance as to whether the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion, we also evaluate the overall adequacy of the presentation of information in the financial statements.

Unqualified opinion

In our opinion, the financial statements give a true and fair view of the charity as at 31 December 2022 and of its incoming resources and applications of resources for the period then ended and have been properly prepared in accordance with Charities

Notes to the Financial Statements
For The Year Ended 31 December 2022

1.1. Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 section 1A Small Entities "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006.

1.2. Turnover

Turnover is measured at the fair value of the consideration received or receivable, net of discounts and value added taxes. Turnover includes revenue earned from the sale of goods and from the rendering of services. Turnover is reduced for estimated customer returns, rebates and other similar allowances.

Sale of goods

Turnover from the sale of goods is recognised when the significant risks and rewards of ownership of the goods has transferred to the buyer. This is usually at the point that the customer has signed for the delivery of the goods.

Rendering of services

Turnover from the rendering of services is recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs. Turnover is only recognised to the extent of recoverable expenses when the outcome of a contract cannot be estimated reliably.
