TRINCOMALEE DISTRICT

When SAVE THE LIFE INTERNATIONAL provided essential food items to the below poverty line people of Trincomalee district who had completely lost their livelihood due to COVID-19.

LIVELIHOOD IMPROVEMENT BY SETTING UP SELF EMPLOYMENT THROUGH GOAT REARING

SAVE THE LIFE INTERNATIONAL, an NGO, provided 7 goats and a shed for them at a cost of Rs 140,000 for a goat rearing project to improve the livelihood of a family.

Goat rearing is a profitable self-employment with minimal labor capital. Providing the necessary feed for these goats at no cost will bring huge profits. In that way, you can also use protein-rich glu, which can be easily grown according to the temperature of the place, leafy food in the fences like

mulmurangai poovarasu and nongu kurumbai. Even waste obtained from the home garden can be provided as fodder. A year old goat will kid 3 times in 2 years. That

means one goat will give birth to 6 kids. So 7 goats will produce approximately 42 kids .The scheme is reviewed by the planning committee of SLI and the beneficiary below the poverty line is selected and the scheme is implemented and monitored to get full benefit under the guidance of the planning committee of SLI.In this way, SAVE THE LIFE INTERNATIONAL NGO and volunteers are standing firm to identify the beneficiaries in a proper way and hand over the useful projects to the beneficiaries and brighten their lives.

PLAN TO IMPLEMENTATION OF GROCERY SHOP AKARAYAN KULAM

HUMANITARIAN PROJECT 2021 COVID THIRD WAVE FOR BATTICALO DISTRICT

Many people around the world have been paralyzed and limited in their daily activities due to the prolonged pandemic. The developed countries are not an exception in this, the poor like Sri Lanka faced a long and deadly war and the life of the North East people who were completely affected by the war is a question mark. In this, the life of the people below the poverty line is like standing on the edge of life and struggling. SAVE THE LIFE INTERNATIONAL NGO, as usual, this time to protect the people who are on the edge of life and continue their normal life, 154 families below the poverty line have been selected in the villages of Tandhamalai, Nalaptham Vattai, Chaukkadi, Mayilamba Valaya, Kalmadu and Vazaichenai areas in Batticaloa District in the Eastern Province and have been selected at the value of Sri Lanka Rupees. 510,000 worth of dry food items by SAVE THE LIFE

INTERNATIONAL. Company is doing charitable work in collaboration with many charitable organizations and in that way a regular discussion with all charitable organizations is held. **SAVE THE LIFE INTERNATIONAL** is a charitable organization that always aims to protect people in times of calamity and gives priority to them and in line with the statement that only a wall can paint a picture. Our essential assistance to people who have completely lost their livelihoods during calamities will enable them to continue their normal lives when the country and environment return to normal. It is our humble request that charity organizations should run with these in mind. In line with the saying that ``Adamban Kodhium Thirandal Miduku'' is a slogan, charitable organizations should work together to implement programs so that our people can get sustainable economic prosperity beyond disaster relief.

Home Garden Project

The island of Sri Lanka is a country rich in water and land resources. Once it was a country with a self-sufficient economy that met everyone's food needs, today it is forced to depend on foreign countries for food and has reached the risk of starvation. Our company **SAVE THE LIFE INTERNATIONAL** has implemented the home garden project among the people by creating awareness to free people from this situation. It has also worked with charitable organizations under the name **BRIDGE** and provided financial assistance to implement this home garden project.
