Darul Uloom Deoband UK**Trustee Annual Report****Year Ended 31 March 2022****DARUL ULOOM DEOBAND UK****Report of the Directors and Trustees for the period ended 31 March 2022.**

The Directors and Trustees of Darul Uloom Deoband UK are pleased to present their annual report and independently examined financial statements for the period ended 31 March 2022. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP 2005) and Accounting Standards Charities Act 2011.

Principle objectives and activities

The charity's objects are:

- To advance the Muslim faith for the benefit of the public throughout England.
- The promotion of religious harmony for the benefit of the public by promoting knowledge and mutual understanding and respect of the beliefs and practices of different religious faiths.
- To advance the education of the public in national curriculum subjects.
- Advancing in life and helping young people by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature responsible individuals.

Governance, Structure and Management

The Trust is constituted as a charitable trust registered with the Charity Commission. It is governed by a constitution.

The charity trustees are responsible for the general control and management of the charity.

The trustees give their time freely and receive no remuneration or other financial benefits.

The trustees meet together as a body quarterly and are responsible for all decisions taken in relation to running the organisation and the activities provided by the charity. At the quarterly meetings, the Trustees review the charity's financial position, progress, issues and direction of the organisation.

Activities and achievements in the year:

To advance education for the benefit of the poor, the illiterate, and the general public by means of, but not exclusively, the provision of and assistance in the provision of educational resources, activities and facilities, such as schools and vocational training centres for the benefit of said persons.

6

Recruitment and appointment of trustees

The existing trustees are responsible for the recruitment of new trustees but in so doing the trustees seek the views and recommendations of both elders and other members of the organisation. The trustees believe this approach ensures that new trustees are respected and trustworthy members of the faith and local communities and ensures that good relations are fostered between the Trust and the people of the local community that we serve.

In selecting new trustees, we seek to identify people who regularly attend events and functions organised by the charity and are willing to volunteer to help in our broader community work. Potential trustees are invited to attend trustees' meetings as observers and are given more details of the charity's aims and activities and, if all agree, they are then proposed as new trustees at the subsequent trustees' meeting. This process allows due consideration of the person's eligibility, personal competence, specialist knowledge and skills.

Risk management

Trustees routinely perform risk assessments to identify key risks relevant to the charity. They have updated and added to the wide range of policies and procedures in place. All Trustees and volunteers are provided with a handbook, which informs them of the Charities policies. This includes the Health and Safety and Safeguarding policies.

Financial Review

In this financial year, there has been no income or expenditure.

Trustees and their responsibilities

Charity trustees are the people who serve on the governing body of a charity. They may be known as trustees, board members, governors or committee members.

The principles and main duties are the same in all cases. Trustees have, and must accept, ultimate responsibility for directing the affairs of a charity, and ensuring that it is solvent, well-run, and meeting the needs for which it has been set up.
