- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

FTT is administered by the Trustees and an "Annual FTT Tournament Operations Committee" which has been delegated the tasks of a) The operational running of the tournament, and b) Fund raising for the tournament. The decision to delegate is reviewed on an annual basis.

The number of Trustees shall be a minimum of three and a maximum of eleven with the Chair holding a casting vote. Trustees shall appoint the Chair of all sub-committees.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The promotion of community participation in healthy recreation in particular but not exclusively by the provision of facilities for tennis tournaments.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

For over 100 years the FTT have planned, managed and operated the second oldest annual tennis tournament in the UK, which is sanctioned by The Lawn Tennis Association (LTA). The tournament is open to all UK tennis players and is organised on a not-for-profit basis with all proceeds reinvested in the tournament. There are over 50 events including a range of age specific events covering Junior (under 8's) through to Senior (over 65) community members plus "handicap" scoring and family events to encourage participation by all abilities along with "plate" (first round runner-up) events to maximise playing opportunities. In addition, there are "closed" events specifically for Suffolk residents.

It should be noted that we are not a tennis club with traditional premises and membership, rather a group of trustees that plan, manage and operate an annual tournament open to all with a growing focus on Diversity & Inclusion events.

FTT provides facilities for pursuing healthy sporting recreation in the form of tennis for all ages and abilities, an opportunity for advancement of amateur tennis skills for all the players, free access to the grounds offered for the general public allowing them learn about the game of tennis and hopefully encourage them to participate in the future ie. encourages & enables increased participation in general well-being and a healthy activity.

FTT also provides continuity of a historic amateur sports event in a rural part of the country

In planning our activities for the year, we kept in mind the Charity Commission's guidance on public benefit at our trustee meetings.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

2024 was another great year with us being able to implement more of our "Festival of Tennis" ideas as we continued to benefit from the increased support generated by being awarded "Competition of the Year" the previous year.

In order to progress our 5 year plan objectives of increasing the standard and number of players who enter the Tournament, we increased the level of advertising and social media marketing activity along with the prize money for key events. As a result, we hosted 361 unique entrants, up from 313 in 2022, in 50 different tennis events during the week. The age of competitors ranged from Under 8's to Over 70 with singles, doubles and mixed double events.

It was great to be able to once again gather 97 Patrons for lunch on the Sunday before the Tournament. There was the usual family orientated fun match between the College and the Committee teams preceding lunch which was followed by the classic raffle draw and a very beneficial auction to raise further funds.

As usual we took the opportunity to celebrate the game of tennis and engage further with our Patrons, Sponsors, visiting public, entrants and their families throughout the week. Our favourite Parent & Child friendly, fun doubles tournament was held on Tuesday evening along with a BBQ for all.

The Suffolk Finals Day provided some fantastic tennis matches and the Sponsor's lunch covered the whole day this year. This allowed us to showcase tennis to as many people as possible and we hosted our now regular 80+ evening doubles tournament to encourage multi-generational play.

The Sponsor's Day lunch achieved our highest attendance ever of 125 local business people and has evolved quickly into a valuable local business networking event which in turn is not only sharing the passion for tennis but also resulting in larger commitments from those companies, as can be seen from the early sponsorship payments received for the 2025 event. This was in no small part as a result of our recent Tournament of the Year award.

Once again, our Diversity & Inclusion events were well-supported and included a Walking Tennis tournament and a demonstration / try-it session of Pickleball. We will continue to showcase as many variants of tennis as possible to encourage more of the Community to be involved. Many thanks to the Suffolk LTA for their support and assistance

Finally, the Trustees are pleased to provide the opportunity for all to play tennis in a safe and welcoming environment all week and would like to thank the Operational Committee, our numerous volunteers, our Tournament Referee & the Court Supervisors, Framlingham College and especially the catering team and the groundsman for their hard work in making 2024 a great success.

Brief statement of the charity's policy on reserves

The Trustees have an aim of holding unrestricted funds covering all operating costs of one typical year, approximately £40,000 (aligned to the 5-year plan and actual cost), as a contingency against, for example, the event being cancelled or a change of venue. On major fundraising years, the additional monies raised will be spent over the following years to replace equipment and to enhance the Tournament.

Currently, £100 is held in reserve at a Donor's request, to be spent as prize money for a specific event at the rate of £100 per year which will conclude next year 2025.

While the 2021 Bequest & Tennis Foundation Grant were not strictly held in reserve, the final £1500 of the Grant was spent this year on a wider series of Diversity & Inclusion activities on Finals Day & a special Walking Tennis tournament during the week which further increased engagement with the Community.
