Achievements and performance

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The work of our colleagues in Ghana is transforming classrooms (and therefore the foundation of children's education) in many districts across Ghana, often in underserved communities. It is professionalising and enhancing the status of relatively underprivileged young women (i.e. untrained or poorly trained preschool teachers) and giving them pride in themselves and their work. It is contributing to achieving the government of Ghana's aim of improving the quality of preschool education in Ghana, as well as contributing to strengthening changes that were begun by organisations such as FCDO and USAID to achieve the government's aim. It is revealing the power of Ghana-led organisations to achieve significant impact at a low cost.
