Achievements and performance

Summary of the main achievements of the charity during the year

I am honoured to present this Trustee Report on behalf of the Milton Keynes Bangladeshi Association for the fiscal year **2024/2025**.

Overview:

This year has been one of progress and renewal for our organisation. Building on our commitment to serve the Bangladeshi community in Milton Keynes, we have focused on delivering meaningful activities that foster inclusion, cultural pride, and community engagement.

Key Achievements:

- **Community Engagement:** We successfully organised a **seaside trip to Bournemouth**, providing families with an opportunity to relax, connect, and enjoy quality time together.
- **Governance and Leadership:** We held our **Annual General Meeting (AGM)**, during which a **new Management Committee** was elected. This fresh leadership team brings renewed energy and ideas to strengthen our services and outreach.
- **Digital Transformation:** We have begun the process of **revising and upgrading our website** to create a more dynamic, user-friendly platform that will serve as a central hub for information, events, and resources for our members.

Statutory Declaration:

The trustees confirm that they have had due regard to the guidance issued by the Charity Commission on public benefit when planning and delivering these activities.

Looking Ahead:

Our focus for the coming year will be on expanding educational and cultural programmes, engaging the next generation, and strengthening partnerships with local schools, mosques, and community organisations to promote inclusion and social harmony.

Digital Transformation

Creating a More Dynamic and Resourceful Website: As part of our strategic vision to enhance the way we connect with the community; we are embarking on a project to recreate our association's website. The aim is to develop a more dynamic, user-friendly, and resourceful digital platform that will serve as a central hub for information, services, and engagement. This improved website will offer easier access to updates on events, programs, and activities, as well as serve as a valuable resource for members seeking guidance and support.

We envision this online platform as a vital tool to further our mission, promote transparency, and foster stronger connections with our community. The website will also enable us to share success stories, highlight important initiatives, and offer a channel for receiving feedback from the public

Collaborating with Local Mosques and Schools:

We are proud to be actively working with local mosques and schools to promote inclusion and social harmony across Milton Keynes. Our goal is to create more opportunities for individuals from diverse backgrounds to come together, share experiences, and strengthen their ties within the wider community

Through our collaborations, we are working to organise additional social opportunities and events that encourage greater community participation. These initiatives not only provide valuable spaces for social interaction but also serve as a means to educate and raise awareness of the importance of inclusion, respect, and mutual support within our society.

Future Focus:

As we look to the future, we remain committed to building on the progress we have made, ensuring that our association continues to be a beacon of support and solidarity for the Bangladeshi community in Milton Keynes. Our primary focus will be on delivering vital services and expanding our outreach efforts to meet the evolving needs of our members.

We are also actively exploring new partnerships with local businesses, educational institutions, and voluntary organisations to enhance the resources available to our community. By fostering collaboration, we aim to create a more connected, supportive, and resilient community for all.

Conclusion:

I would like to extend my heartfelt gratitude to our dedicated staff, volunteers, and partners for their unwavering commitment during what has been a challenging year. The resilience, strength, and spirit of our community have been evident in everything we have achieved together.

We remain resolute in our mission to serve and support the Bangladeshi community in Milton Keynes and look forward to continuing this journey in the years to come. With optimism, we anticipate another year of progress, accomplishment, and meaningful impact..

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

I am honored to present this Trustee Report on behalf of the Milton Keynes Bangladeshi Association for the fiscal year 2023/2024.

Overview: This year has proven to be a challenging one for our organisation as we continue to navigate the effects of the post-COVID environment while dealing with the deeply saddening loss of one of our senior trustees, MD Elias Miah Motin. His leadership, dedication, and invaluable contributions to our community will be sorely missed, and his legacy will continue to inspire us in our mission.

Despite these difficulties, we have remained steadfast in our commitment to the Bangladeshi community in Milton Keynes. Our efforts to deliver meaningful services and support have continued to grow, adapting to the evolving needs of our members. The resilience shown by the community has been truly remarkable, and we have worked tirelessly to provide assistance and guidance throughout the year.

Service Delivery: In 2023/2024, we successfully hosted a major football tournament, which not only brought the community together but also helped raise much-needed funds for the Baytul Ilm Islamic Centre. This event was a huge success, fostering camaraderie among participants while supporting an essential cause that is deeply rooted in our community.

We also organised various community-building events, including a memorable trip to the seaside, providing families with an opportunity to relax and enjoy quality time together. In addition, we held a large social gathering, which was graced by the presence of the Mayor and Mayoress of Milton Keynes. Their attendance and support highlighted the importance of our work and reaffirmed the association's central role in the local community.

Engaging the Next Generation: Looking forward, a key priority for our organisation is to actively engage with the next generation of young people within our community. We recognise that the needs and challenges faced by today's youth are constantly evolving, and we are committed to understanding these concerns more fully.

To this end, we will be focusing on creating a range of tailored programmes and sessions to assist with education, employment, and tutoring. By offering mentorship and academic support, we aim to empower our youth to realise their potential and thrive in their academic and professional pursuits. We believe that investing in our younger generations is crucial for the long-term strength and sustainability of our community.

Changes in the Management Committee: This year has also seen some significant changes to the structure of our Management Committee. In order to respond effectively to the shifting needs of our members, we have taken the opportunity to introduce fresh leadership and expertise into our organisation. A new working Executive Committee has been appointed to oversee the day-to-day operations of the association until the next general elections. This team will bring innovative ideas, renewed energy, and a stronger focus on expanding our services to better serve the community.

The new committee is already in the process of refining our internal operations, improving our outreach efforts, and identifying new opportunities for collaboration with external partners. We are confident

that these changes will help us operate more efficiently and increase our capacity to support those in need.

Digital Transformation – Creating a More Dynamic and Resourceful Website: As part of our strategic vision to enhance the way we connect with the community; we are embarking on a project to recreate our association's website. The aim is to develop a more dynamic, user-friendly, and resourceful digital platform that will serve as a central hub for information, services, and engagement. This improved website will offer easier access to updates on events, programs, and activities, as well as serve as a valuable resource for members seeking guidance and support.

We envision this online platform as a vital tool to further our mission, promote transparency, and foster stronger connections with our community. The website will also enable us to share success stories, highlight important initiatives, and offer a channel for receiving feedback from the public.

Collaborating with Local Mosques and Schools: We are proud to be actively working with local mosques and schools to promote inclusion and social harmony across Milton Keynes. Our goal is to create more opportunities for individuals from diverse backgrounds to come together, share experiences, and strengthen their ties within the wider community.

Through our collaborations, we are working to organise additional social opportunities and events that encourage greater community participation. These initiatives not only provide valuable spaces for social interaction but also serve as a means to educate and raise awareness of the importance of inclusion, respect, and mutual support within our society.

Future Focus: As we look to the future, we remain committed to building on the progress we have made, ensuring that our association continues to be a beacon of support and solidarity for the Bangladeshi community in Milton Keynes. Our primary focus will be on delivering vital services and expanding our outreach efforts to meet the evolving needs of our members.

We are also actively exploring new partnerships with local businesses, educational institutions, and voluntary organisations to enhance the resources available to our community. By fostering collaboration, we aim to create a more connected, supportive, and resilient community for all.

Achievements and performance

Summary of the main achievements of the charity during the year

I am honoured to present this trustee report on behalf of the Milton Keynes Bangladeshi Association for the fiscal year ending June 30th, 2023.

Overview:

The year 2022 marked a pivotal turning point for our organization as COVID-19 restrictions were lifted, allowing us to resume our vital services and programs for the Bangladeshi community in Milton Keynes.

Service Delivery:

Throughout the year, our community services remained steadfast, providing invaluable support and guidance to our members. We offered a diverse array of services, spanning health and social care, education, employment, and immigration advice. Additionally, our team orchestrated workshops, training sessions, and events aimed at fostering community cohesion and well-being.

We also forged partnerships with other organizations, particularly in response to the devastating floods in Pakistan in August 2022, offering assistance to those affected.

Fundraising:

The profound impact of the floods in Bangladesh and Pakistan prompted us to collaborate with local businesses and other entities to raise awareness and essential funds for the victims.

Governance:

Our board of trustees convened regularly to ensure the organization's financial stability and adherence to legal and regulatory mandates. We diligently reviewed and refined our policies and procedures, including our safeguarding policy. Moreover, we appointed a new working Executive Committee tasked with providing leadership and fulfilling the association's obligations until the next general elections.

Looking Ahead:

With optimism, we anticipate a more favorable year ahead for both our community and organization. We remain committed to delivering essential services and exploring innovative avenues to support the Bangladeshi community in Milton Keynes. Continual review and enhancement of our governance structures will ensure our operational effectiveness and efficiency.

Conclusion:

I extend heartfelt gratitude to our dedicated staff, volunteers, and partners for their unwavering commitment during a challenging year. Together, we remain steadfast in our mission to serve the Bangladeshi community in Milton Keynes and eagerly anticipate another year of accomplishments.

Achievements and performance

Summary of the main achievements of the charity during the year

I am pleased to present this trustee report on behalf of the Milton Keynes Bangladeshi Association for the year ending 31st December 2022.

Overview

The year 2022 was a challenging year for the organization, as the COVID-19 pandemic continued to impact our community. Despite the challenges, we continued to deliver essential services and programs for the Bangladeshi community in Milton Keynes.

Service Delivery

Our community services continued throughout the year, offering support and advice to community members. We provided a range of services, including information and advice on health and social care, education and employment, and immigration. Our team also organized workshops, training sessions, and events to promote community cohesion and wellbeing.

We continued to work in partnership with other organizations to deliver joint projects, including a health and wellbeing project with the NHS and a community safety project with the local police force.

Fundraising

Due to the pandemic, we had to cancel several fundraising events that we had planned for the year. However, we were successful in securing funding from a range of sources, including grants from charitable trusts and foundations. We also received donations from local businesses and individuals, for which we are grateful.

Governance

The board of trustees met regularly throughout the year to ensure that the organization remained financially stable and compliant with legal and regulatory requirements. We also reviewed and updated our policies and procedures, including our safeguarding policy.

We appointed a new treasurer during the year, who has worked diligently to ensure that our financial records are accurate and up-to-date. We also commissioned an independent financial audit, which provided assurance that our financial management processes are robust.

Looking ahead

We are optimistic that 2023 will be a more positive year for our community and organization. We plan to continue delivering essential services and programs, while exploring new opportunities to support the Bangladeshi community in Milton Keynes. We will also continue to review and update our governance structures to ensure that we are operating effectively and efficiently.

Conclusion

On behalf of the board of trustees, I would like to thank our staff, volunteers, and partners for their hard work and dedication during a challenging year. We are committed to continuing our mission of serving the Bangladeshi community in Milton Keynes and look forward to another successful year.

Achievements and performance

Summary of the main achievements of the charity during the year

I feel honoured and privileged as I write this annual. We all share a special bond with the MKBA community. I would like to pay my gratitude to all our founding members, trustees, and committees for their consistent hard work to make our organization a success.

Since last year MKBA has organized consular service from the Bangladesh High Commission to help meet the requirements for Bangladeshi nationals living in Milton Keynes and surrounding towns.

This is a success for our organization, working positively for the betterment of our community. This will be a regular service from the Bangladesh High Commission, please let all your families and friends know to take advantage of this service. Many thanks to Dr Sam Aminul Hoque for assisting us with this service.

Our challenge is to continue to expand our charitable work, I encourage the new generation of British Bangladeshi to come forward to expand our outreach and support more citizens of Milton Keynes.

During the pandemic years, our activates did not stop our members worked tirelessly to help vulnerable members of our community. We also did not forget our NHS heroes and to show our gratitude we served them hot meals in their difficult times.

This year we held our first Annual awards ceremony hosting over 500 people including honourable guests from all over Buckinghamshire.

Finally, I pay my tribute to you all trustees, committees and well-wishers for giving me the opportunity to serve this noble organization.

Our challenge is to continue to expand based on leadership, integrity, decidedness, transparency, and accountability. Following these qualities will make our organization better and greater.
