## Section D

## Achievements and performance

**Summary of the main achievements of the charity during the year**

I feel honoured and privileged as I write this annual. We all share a special bond with the MKBA community. I would like to pay my gratitude to all our founding members, trustees, and committees for their consistent hard work to make our organization a success.

Since last year MKBA has organized consular service from the Bangladesh High Commission to help meet the requirements for Bangladeshi nationals living in Milton Keynes and surrounding towns.

This is a success for our organization, working positively for the betterment of our community. This will be a regular service from the Bangladesh High Commission, please let all your families and friends know to take advantage of this service. Many thanks to Dr Sam Aminul Hoque for assisting us with this service.

Our challenge is to continue to expand our charitable work, I encourage the new generation of British Bangladeshi to come forward to expand our outreach and support more citizens of Milton Keynes.

During the pandemic years, our activates did not stop our members worked tirelessly to help vulnerable members of our community. We also did not forget our NHS heroes and to show our gratitude we served them hot meals in their difficult times.

This year we held our first Annual awards ceremony hosting over 500 people including honourable guests from all over Buckinghamshire.

Finally, I pay my tribute to you all trustees, committees and well-wishers for giving me the opportunity to serve this noble organization.

Our challenge is to continue to expand based on leadership, integrity, decidedness, transparency, and accountability. Following these qualities will make our organization better and greater.
