Activities

Objects: THE OBJECTS OF THE CIO ARE TO ADVANCE EDUCATION BY PROMOTING, SUSTAINING AND INCREASING THE INDIVIDUAL AND COLLECTIVE KNOWLEDGE OF PEOPLE OF ALL AGES OF ROMAN HISTORY, LIFE AND CULTURE AND, IN PARTICULAR BUT NOT EXCLUSIVELY, THE IMPORTANCE OF ROMAN ALDBOROUGH (ISURIUM BRIGANTUM) IN ROMAN BRITAIN AND THE WIDER ROMAN EMPIRE.

Activities: Friends of Roman Aldborough (FORA) provide a series of lectures open to members and the public on Roman history and related topics and site visits linked to the talks. Members offer weekly guided tours of Roman Aldborough Town site, talks to local group meetings, work with Cambridge University on their digs in Aldborough and assist English Heritage who manage the Aldborough site.

Annual Report by David Roberts, Chairman

For year ending 31 December 2024

Presented at the AGM on April 26, 2025

Report

The Friends of Roman Aldborough offered members a programme of talks and visits.

Talks

Our programme of talks continued to be well received by members. Talks were mainly face to face with two being held via Zoom. With permissions in place, these were all recorded and posted on YouTube for a limited time for access by members only. The most popular talks received around 50 views on YouTube.

Our talks included:

Eastfield Roman Villa - Paula Ware

North Yorkshire and the Grand Tour - Gail Falkingham

The Knaresborough 1864 Hoard of Roman vessels: new discoveries and interpretations
- Dr James Gerrard

Civitas Towns of Roman Britain - Prof Richard Hingley

'He who is waiting' : Roman slavery in Aldborough and Beyond - Dr Eva Mol

The Richness of Roman Britain - Dr Richard Hobbs (held at Dunesforde Vineyard)

The Excavations at Magna Roman Fort - Dr Andrew Birley

Digging Deeper at Isurium Brigantum - Prof Martin Millett

The Musical Romans - Music made and inspired by the Romans - Andrew Lawson-
Tancred

Recent finds from excavations at Roman Aldborough - Dr Stephen Greep, Roman Finds
Group and Vida Rajkovaka, University of Cambridge.

Visits

Once again we enjoyed special tours led by leading archaeologists and museum
curators. This year we made another visit to London where we were given a guided tour

FRIENDS OF
ROMAN

of The Society of Antiquaries by Martin Millett as President of the Society This was followed by a visit to the British Museum to see the 'Legion : Life in the Roman Army' exhibition.

Shirley Everett, local geologist and mine historian gave a guided tour of Coldstones Cut and Greenhow lead mines, highlighting links with lead processing at Aldborough.

Following his work on the 'York Beneath the Streets' project Martin Millett led a guided walk around Roman York. There was also an opportunity to visit Rose Ferraby's latest Soundmarks exhibition based on the project.

A visit to The Great North Museum in Newcastle was made where Andrew Parkin, Keeper of Archaeology gave a tour of the Roman section.

Education Group

Five schools' visits were made to the site.

They were:

Meadowside Academy, Knaresborough

Boroughbridge Primary (also visited the dig and the mural at Dunesforde Vineyard)

All Saints, Bradford (3 visits)

The school staff were ably supported by a team of FORA Education Volunteers

The current economic situation and rise in transport costs means that schools continue to find visits difficult. A bid to the Mukherjee Fund was successful. This will cover the cost of transport to the museum and the dig for both a local school and one from an urban setting each year for the next 5 years. A donation from Dunesforde Vineyard helped to support school visits.

Roman Garden Project

The Garden Group continues to be very active. Once again, beds have been planted with the herbs and vegetables that Romans would have used. Visitors to the site have been interested in learning about their uses in cooking and medicine. The garden now has a shed for storage and running water. A bench and noticeboard have been kindly donated by FORA members.

Cambridge University Roman Town Project

The team from the University of Cambridge, led by Dr Rose Ferraby and Professor Martin Millett conducted a smaller scale dig in the annex to the north of the town. The dig took place between August 24 and September 14, 2024. Together with an enthusiastic team of volunteers, students from local schools and Cambridge University were able to participate in the dig. An Open Day was held and was well attended.

Outreach talks

Outreach talks were given to four local groups and organisations.

Guided tours of the English Heritage site

These were organised by EH using their guides. Many of the guides are FORA members. The visitor feedback from the site is very positive and visitor numbers continue to grow.

FORA/ EH meetings

FORA and EH met for one update meeting.

For year ending 31 December 2023

Presented at the AGM on March 23, 2024

The Friends of Roman Aldborough offered members a programme of Talks and Visits.

Talks

Our programme of talks continued to be well received by members. Talks were mainly face to face with two being held via Zoom. With permissions in place, these were all recorded and posted on YouTube for a limited time for members only. The most popular talks received around 50 views on YouTube.

Our talks included:

The Aldborough Aureus - Dr Nick Summerton

50 years of the work of York Archaeological Trust- Dr Peter Addyman

Wine for the Emperor- Professor Maureen Carroll (held at Dunesforde Vineyard)

Binchester and the Eastern Hinterland of Hadrian's Wall- Dr David Mason

Visits

Once again we enjoyed special tours led by leading archaeologists and museum curators. This year we made a visit to London. Based on the success of last year's two day visit to Hadrian's Wall, we also included another 2/3 day trip in the programme.

Our visit to the British Museum began with a behind the scenes tour led by Dr Sam Moorhead who allowed us to inspect the 'Aldborough Aureus.' Richard Hobbs gave us a tour of the Room 49 and showed us the Aldborough oil flask and other highlights from northern Roman Britain.

The Best of the West Tour

This included visits to Bath Roman Baths, Corinium Museum at Cirencester, Chedworth Roman Villa and Wroxeter Roman City. Site managers and curators led the tours. Many thanks to Nigel, who organised the visits with the help of Irene.

Other visits included:

Petuaria excavations at Brough and the Hull and East Riding Museum.
Binchester Roman Fort and Auckland Castle.

Education Group

Angela Pierson, English Heritage School Visits Co-ordinator, is keen to encourage visits to the site. Local teachers were invited to an after school session to tour the site and see the new Museum Handling Collection. Nine schools visited the site which is more than in any previous year. They were:

The Mount, York
Boroughbridge Primary
Roecliffe Primary
Boroughbridge Primary *
Ackton Pastures, Castleford *
Dishforth Village
Gillamoor Primary
The Forest School
Mowbray School

* visits to the dig

FRIENDS OF
ROMAN
ALDBOROUGH

The current economic situation and rise in transport costs means that schools continue to find visits difficult. We funded the school visits to the dig thanks to help from donations from Boroughbridge and District Historical Society and Dunesforde Vineyard.

More volunteers are joining the Education Team in 2024.

Roman Garden Project

The Garden Group has planted the prepared beds with plants Romans would have used. The vegetable and herb beds have been particularly productive.

One FORA member has donated a seat for the garden and another has donated a notice board.

Using donated funds, a shed had been bought and erected to store garden equipment.

Cambridge University Roman Town Project

The team from the University of Cambridge, led by Dr Rose Ferraby and Professor Martin Millett concluded their dig and research activities on the site begun in 2020. The dig took place between August 26 and September 23, 2023. Together with an enthusiastic team of volunteers, students from local schools and Cambridge University were able to participate in the dig. An Open Day was held and was well attended.

Outreach talks

Outreach talks continue to be offered to local groups and organisations.

Guided tours of the English Heritage site

These were organised by EH using their guides. Many of the guides are FORA members. The visitor feedback from the site is very positive and visitor numbers continue to grow.

FORA/ EH meetings

FORA and EH met for two update meetings. Another 'free entry' day was organised for local residents.

FRIENDS OF

ALDBOROUGH

Annual Report by Sir Andrew Lawson-Tancred, Chairman

For year ending 31 December 2022

Presented at the AGM on May 7, 2023

During the course of the year, The Friends of Roman Aldborough (“FORA”) offered members a programme of Talks and Visits.

Talks

A total of nine talks were given to members during the year. These were mainly face to face and with others being via the Zoom platform. With relevant permissions in place, the Zoom talks were recorded and posted on YouTube for members only. With Members from increasingly diverse locations, these recordings prove very popular, and FORA received some very positive feedback.

There was a wide variety of talks, including:

Life of an author	Dr Adrian Goldsworthy	Zoom
Roman Glass in Northern Britain	Sally Cottam	Zoom
A Yorkshire Vineyard and	Ian Townsend	
The Vindolanda Writing Tablets	Dr Roger Tomlin	
The Iconic Roman Villa – thro’ the keyhole	Gillian Hovell	Zoom
Surveying Pompeii and other Roman Towns	Dr Sophie Hay	
Roman Pottery	Graham Taylor	
Digging Deeper at Isurium Brigantum	Dr Rose Ferraby	
	Professor Martin Millett	
Romano – British Mosaics	Stephen Cosh	Zoom
Tudors, Tancreds and Treason	Andrew Lawson-Tancred	
Hunday Field Farm Excavations	Nick Wilson	

Over 100 FORA members accessed the talks via a combination of Zoom and YouTube.

A survey conducted among members found that although the Zoom talks had been very much appreciated. Some members commented on the benefits of live talks with 44% preferring live talks with 43% asking for a mixture of Zoom and live.

Visits

4 visits took place during the course of the year. For the first time, FORA arranged a two-day visit to Birdoswald and Stenhouse Roman Museum, which proved very popular. Hopefully such multi day trips will be repeated in the future.

Other visits included:

A tour of Beadlam Villa and visit to Helmsley Archaeological Store

A tour of the Yorkshire Museum York, Roman Section led by curator

A tour of Aldborough led by Dr.Rose Ferraby and Prof. Martin Millett

Outreach Talks

There were 4 Outreach talks during 2022, three by Wendy Hyam and one by David Roberts.

The venues were:

Snape

Burton Leonard

Kirk Hammerton

Dunesforde Vineyard

Guided tours of the English Heritage site

These were organised by EH using their guides. Many of the guides are FORA members.

Education Group

After a period of no visits due to the pandemic, FORA was pleased to welcome schools back to the site and received some very positive feedback from the following schools:

June	Jennyruth Workshops	
September	Poppleton Road Primary	Visit to the dig
September	Poppleton Road Primary	Visit to the dig
October	Meadowside Academy	

In September, two local schools visited the Cambridge led archaeological dig in Aldborough and explored the spoil heaps, washed finds and found out more about the work of the archaeologists.

Unfortunately, the current economic situation and rise in transport costs has meant that schools are generally finding such visits increasingly difficult to finance. In response to this FORA has sought to raise funds to help with transport costs and this has allowed one school Poppleton Road Primary School to visit the dig site which might otherwise have found the cost prohibitive. FORA is grateful to Boroughbridge and District Historical Society and others for donating towards this initiative.

English Heritage remains keen to encourage visits to the site and has recently revamped the Museum Handling Collection producing excellent resource materials for schools to use during the course of their visits.

FORA/EH meetings

FORA and EH met using Zoom for two update meetings.

Roman Garden Project

The FORA Garden Group has planted the prepared beds with plants Romans would have used. The vegetable and herb beds have been particularly productive.

Cambridge University Roman Town Project

The team from the University of Cambridge, led by Dr Rose Ferraby and Professor Martin Millett, have continued their dig and research activities in 2022 on the site dug in 2020 and 2021. The dig took place between August 27 and September 24, 2022. Students from Cambridge University and local schools were able to participate in the dig.

The excavation hosted an open day and welcomed a range of individual and group visits.

FRIENDS OF
ROMAN
ALDBOROUGH

Annual Report by Sir Andrew Lawson-Tancred, Chairman
For year ending 31 December 2021

2021 was affected by the problems caused by the Covid19 pandemic. They restricted activities and visits, but Friends of Roman Aldborough were able to offer members a programme of Talks and Visits.

Talks

We decided there would be 9 talks given to members via Zoom and that, where possible these would be recorded and posted on YouTube for members only. Members were pleased to be able to access these from home wherever in the country they might be. We received very positive feedback.

There was a wide variety of talks including:

Ruins in the Landscape Dr Twigs Way - a joint talk with The Yorkshire Gardens Trust
Conservation of the Collection for the New Displays at Aldborough Museum – Leesa Vere – Stevens EH Conservator

Human Skeletal Evidence for Life in Roman Britain – Rebecca Gowland

The Pocklington Chariot Burial – Paula Ware, MAP Archaeology

From the Past to the Present at Vindolanda – Andrew Birley

Medicine and Health Care in Roman Britain – Nick Summerton

Digging Deeper at Isurium Brigantum – Martin Millett and Rose Ferraby

Analysing Britain's Most Elusive Roman Sculptures – Prof Ian Hayes

“A place of Popular Resort”: Fountains Abbey from Monastery to Trip Advisor” – Mark Newman

Over 100 of the members accessed the most popular talks via a combination of Zoom and YouTube.

A survey conducted among members found that although the Zoom talks had been very much appreciated. Many commented on the benefits of live talks with 44% preferring live talks with 43% asking for a mixture of Zoom and live.

Visits

5 visits were planned for the year. Visits to the East Riding Museum and the Yorkshire Museum were postponed because of access restrictions.

We did, however, manage the following:

Fountains Abbey led by Mark Newman, archaeology adviser for the National Trust

Eastfield Roman Site near Scarborough led by Paula Ware, MAP Archaeology

Vindolanda led by Andrew Birley, Director of Excavations

We particularly enjoyed being able to meet up with other members and being given special tours by leading archaeologists.

For the first time, FORA organised a two day visit to the western end of Hadrian's Wall.

Outreach talks

There were two talks given, one Ripon U3A, the other at Dunesforde Vineyard.

Guided tours of the English Heritage site

These were organised by EH using their guides. Many of the guides are FORA members.

Education Group

After a period of no visits due to the pandemic, we were pleased to welcome schools back to the site.

We received very positive feedback after the visits of the following schools:

Cundall Manor

Boroughbridge Primary

St Joseph's Primary

2 local schools visited the Cambridge led archaeological dig and explored the spoil heaps, washed finds and found out more about the work of archaeologists.

Matthew Lester, School Visits Co-ordinator was very complimentary about the offer that FORA had for schools. He has since been replaced by Angela Pierson, who is keen to encourage more schools to visit the site.

FORA/EH meetings

FORA and EH met using Zoom for two update meetings.

Roman Garden Project

The Garden Group have laid out the beds according to the prepared plan. Several beds have been planted and, despite the efforts of rabbits and deer, have been very productive.

A Grant has been obtained to put deer fencing round the garden.

Cambridge University Roman Town Project

Despite the limitations of Covid, the team from the University of Cambridge, led by Dr Rose Ferraby and Professor Martin Millett, continued their research activities in 2021. The dig was on the site dug in 2020 and took place between August 26 and September 25, 2021.

Due to relaxation in Covid restrictions, students from local schools were able to participate in the dig.

The excavation hosted an open day and welcomed a range of individual and group visits.

Signed by one or two trustees on behalf of all the trustees:

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the CIO are to advance education by promoting, sustaining and increasing the individual and collective knowledge of people of all ages of Roman history, life and culture and, in particular but not exclusively, the importance of Roman Aldborough (Isurium Brigantum) in Roman Britain and the wider Roman Empire.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Due to Covid restrictions all but one activity involving face-to-face meeting were cancelled and a reduced level of activity was achieved via Zoom meetings. Only the reduced level of activity described in sec. D, below, was possible. When making decisions about this the trustee have had due regard to the commission's public benefit guidance when exercising any powers or duties to which the guidance is relevant

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

2020 was dominated by the problems caused by the Covid19 pandemic. This substantially restricted activities and changes were made to offer a reduced level of activity.

Talks

There was one face-to-face talk at end of February by Professor Joyce Hill. Subsequent talks were given to members by Zoom – 6 in all. These were recorded and made available to members for a limited period of time on YouTube.

Visits

These were not possible during 2020

Outreach talks

There were two talks given, one at Bilton Historical Society, the other at Skelton Historical Society.

Guided tours of the English Heritage site

There were none as the site was closed.

Education Group

School visits were not possible during the year. Plans were drawn up for the development of future Outreach Activities.

FORA/ EH meetings

Zoom meetings took place with English Heritage who were updating their museum at the Aldborough site and progress was made to have interpretation panels installed in 2021.

Roman Garden Project

The Trustees agreed to start a Roman Garden Project. A site was agreed and plans have been drawn up based on known Roman garden designs. A sub-committee has been set up. There are plans to link the Garden Project with the Education Project.

Cambridge University Roman Town Project

"Despite the limitations of Covid, the team from the University of Cambridge continued their research activities in 2020 with trial excavation and survey. Geophysical surveys were extended out in the areas to the east and south of Aldborough, revealing further information about the roads, enclosures and areas of industry. Trial trenches were dug by the river to investigate the Roman bridge, which was discovered in geophysical surveys in 2013. Since then, geoarchaeological work has been carried out on the flood plain to better understand the Roman riverine landscape, and broader environmental changes. The trial trenches revealed deep alluvial deposits over the bridge. The area will be further investigated in 2021 using Ground Penetrating Radar. Sadly due to covid, the projects usual work with volunteers was cancelled, but the work did feature on Radio 4's Open Country, on a special programme on 'Archaeology in Lockdown'

Section E
