

We welcomed 8 new young carers to group. We said 'Goodbye!' to our great volunteers from GSK, Kayleigh and Matt, as they moved on with more demanding jobs. We are very grateful and thankful for the time and support they've given for the past couple of years, we wish them all the very best.

And a very warm welcome to our two new volunteers Kalpna and Peter, thank you so much for being very helpful and supportive.

We haven't been able to do much physically with our young carers because of the Covid restrictions, but we've kept in touch with all our families and supported the most in need with financial assistance. Thank you to Stevenage Brough Council and the Youth Mayor for their support. And to all the individual donors too.

We managed to have a fantastic Fun Fit-Kidz session in Fairlands Park in Stevenage in October 2020 and since then we've had regular sessions with Chris every half term, in Fairlands Park. Our children really enjoy all the challenges, to play and exercise with the different equipment that Chris sets up for them ... And the volunteers too!

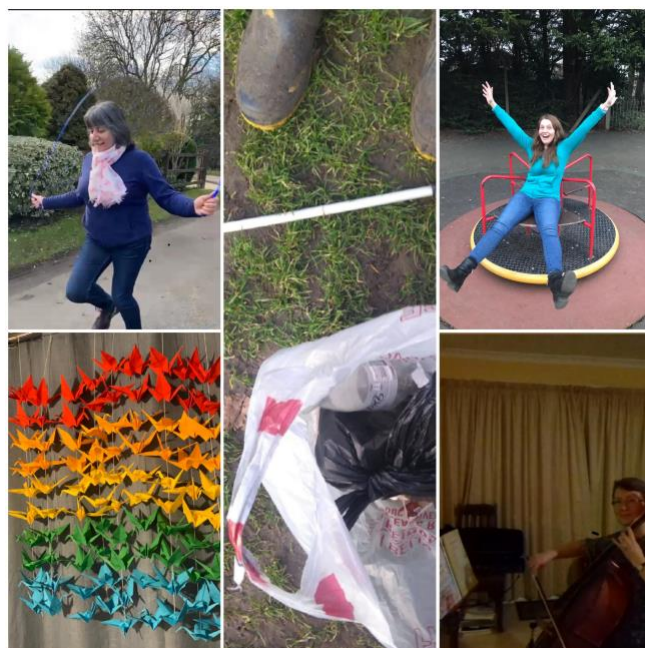

As well as meeting up outdoors we ran a competition to get our young carers inspired by the Autumn season with paintings, photography and craft work. It was a very tough one to judge the winner!!

We have been giving our young carers vouchers for their birthdays and at Christmas they received a voucher to buy something special.

In February we enjoyed sharing photos and video of pancake day, to bring some cheer to everyone.

In March 2021 we signed up to raise some much needed funds with our online '100 Things Fundraiser'. We were inspired by Sir Captain Moore reaching his 100th birthday and all he did to support the NHS, so we took the opportunity to honour him and raise some money too. Thanks to everyone who took part. We challenged ourselves to do 100 things; we skipped, we spun, we planked, we collected rubbish, we made origami birds, we played beautiful music...and thanks to all our supporters for their donations we raised £890.

Thank you to Richard from the Co-op in Shephall in Stevenage for donating 5 Easter eggs, thank you to Tamia (one of our very talented young carers) who designed and painted a named notepad and a keyring for all our young carers to include in the gift bags. So, at Easter our young carers were presented with gift bags filled with beautiful things and an Easter egg for them to enjoy and something for their siblings too.

Computers4Charity got in touch to offer free laptops for our young carers. We started with two laptops, but soon realised more young carers would benefit from their own laptops so four more arrived and with lockdowns and home schooling they really were a lifeline! Finally in September Computers4Charity donated two more, making a total of eight laptops for young carers. Many thanks to Computers4Charity.

In June 2021 we started arranging some in-person sessions, we hired a hall in Hampson Park Community Centre in Stevenage, as the play centres were still closed, and our children really enjoyed the freedom to play outside, so we have been there ever since.

We had a visit from Camilla Chester, a children's author who visited us a couple of times to get some insights on what it is like to be a young carer for her forthcoming book. She thanked the children for their time by giving them some of her books, signed by the author.

Thank you to Downtown Pizza in Stevenage for giving us again this year some lovely pizza at half price, that our young carers enjoyed very much.

In July we had a wonderful day out to Woburn Safari Park. Some of our young carers had the chance to challenge themselves by doing a Go Ape treetop climb and that was hard work!

Well done to all the young carers who took part, they really showed determination, resilience and very good listening skills that enabled them to complete the challenge safely. And a massive thank you to all the volunteers who followed the children up in the treetops and took good care of them while climbing and supported them to complete the course safely. The other children enjoyed their time in the park while waiting for everyone to return.

We had a very nice lunch, which was pre-booked, we had our own room laid out just for our group so that we could all eat together safely, the food was very good and we received excellent service... And thank you to Adamson Minibus Hire for providing the minibus to take us around the safari park, everyone was just amused and amazed to see such a beautiful creature, that made our trip even more wonderful!
