Achievements and performance

Summary of the main achievements of the charity during the year

With the COVID Pandemic during 2020, our community Café and main church activities had to stop, instead we focussed on one to one support over the phone or via zoom and sent boxes of activities to peoples houses to keep them occupied and give the children something to do.

We worked alongside the town and county council to open a community fridge with the aim of supporting the community, building relationships, and vitally helping to tackle food poverty within the community.

This was a hugely needed lifeline in the community and saw on average 50 people come and use the fridge, often supplementing the food they received from the local food bank with fresh food that promoted and encouraged Healthy eating.
