Creating Chaos

Report of the Trustees for the Year Ended 31 December 2023

The trustees present their report with the financial statements of the charity for the year ended 31 December 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Creating Chaos is a charity which aims to provide young adults with learning disabilities the opportunity to make a positive contribution to their community. It operates by providing voluntary roles for those young people supporting a variety of local individuals and organisations, such as food banks, environmental projects, care homes and also people who are isolated or vulnerable in any way. The charity raises funds to pay for support worker time and for a base of operations from where the young people are supported to run the affairs of the charity themselves, as well as identifying projects and opportunities for them to do their work. The charity is overseen by trustees who support a manager and small team of support workers, as well as identifying funding opportunities.

Significant activities

The main activities undertaken for public benefit are the support of existing charitable or voluntary organisations who do not have a sufficient number of volunteers or staff to carry out the project as they would like to. Primary examples include the daily support of two local food banks, providing a number of young people to do collections and deliveries, manage orders and donations, and provide general help around the food bank. Another example would be supporting the Final Straw project, an organisation which seeks to eradicate plastic waste in the ocean, to whom Creating Chaos offers practical support in the form of beach cleaning as well as awareness raising and fundraising on their behalf. Further examples include offering entertainment and services such as gardening at local care homes, putting on events for local isolated and unable people to congregate and socialise, and teaching dance to a local special school.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During the reporting period some of the main achievements have been seeing two individuals from the charity move into part-time voluntary roles within another organisation where they are not receiving the daily support currently provided at Creating Chaos, and one individual moving into a part-time paid role using the skills they have developed. From the perspective of the support provided to the community there has been a very successful project with one local food bank in particular, where some of our volunteers have taken on a much higher level of responsibility around organising the day-to-day operations, and an activity at one particular care home which has seen several residents actively engaging in the activities that have been put on, which has made a real impact on their health and well-being.

FINANCIAL REVIEW

Reserves policy

The charity aims to retain 6 months of operational costs. As a relatively new charity with a relatively small income and operation, we feel that is sufficient for our needs.

The main financial risk to the charity is the loss of funding and donations which it currently receives.

FUTURE PLANS

The future plans of the charity are to continue with the charities main activities and objectives and to look for other opportunities to support the local community in a positive way. The charity wishes to be able to support all those young adults with learning disabilities that require support and to support as many projects as we can in that time, however there is no ambition to grow beyond the demand which we experience.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

Creating Chaos

Report of the Trustees for the Year Ended 31 December 2023

The trustees present their report with the financial statements of the charity for the year ended 31 December 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Creating Chaos is a charity which aims to provide young adults with learning disabilities the opportunity to make a positive contribution to their community. It operates by providing voluntary roles for those young people supporting a variety of local individuals and organisations, such as food banks, environmental projects, care homes and also people who are isolated or vulnerable in any way. The charity raises funds to pay for support worker time and for a base of operations from where the young people are supported to run the affairs of the charity themselves, as well as identifying projects and opportunities for them to do their work. Primary examples include the daily support of two local food banks, providing a number of young people to do collections and deliveries, manage orders and donations, and provide general help around the food bank. Another example would be supporting the Final Straw project, an organisation which seeks to eradicate plastic waste in the ocean, to whom Creating Chaos offers practical support in the form of beach cleaning as well as awareness raising and fundraising on their behalf. Further examples include offering entertainment and services such as gardening at local care homes, putting on events for local isolated and unable people to congregate and socialise, and teaching dance to a local special school.

Charitable activities

During the reporting period some of the main achievements have been seeing two individuals from the charity move into part-time voluntary roles within another organisation where they are not receiving the daily support currently provided at Creating Chaos, and one individual moving into a part-time paid role using the skills they have developed. Creating Chaos

Report of the Trustees for the Year Ended 31 December 2020

The trustees present their report with the financial statements of the charity for the year ended 31 December 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Creating Chaos is a charity which aims to provide young adults with learning disabilities the opportunity to make a positive contribution to their community. It operates by providing voluntary roles for those young people supporting a variety of local individuals and organisations, such as food banks, environmental projects, care homes and also people who are isolated or vulnerable in any way. The charity raises funds to pay for support worker time and for a base of operations from where the young people are supported to run the affairs of the charity themselves, as well as identifying projects and opportunities for them to do their work. The charity is overseen by trustees who support a manager and small team of support workers, as well as identifying funding opportunities.

Significant activities

The main activities undertaken for public benefit are the support of existing charitable or voluntary organisations who do not have a sufficient number of volunteers or staff to carry out the project as they would like to. Primary examples include the daily support of two local food banks, providing a number of young people to do collections and deliveries, manage orders and donations, and provide general help around the food bank. Another example would be supporting the Final Straw project, an organisation which seeks to eradicate plastic waste in the ocean, to whom Creating Chaos offers practical support in the form of beach cleaning as well as awareness raising and fundraising on their behalf. Further examples include offering entertainment and services such as gardening at local care homes, putting on events for local isolated and unable people to congregate and socialise, and teaching dance to a local special school.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During the reporting period some of the main achievements have been seeing two individuals from the charity move into part-time voluntary roles within another organisation where they are not receiving the daily support currently provided at Creating Chaos, and one individual moving into a part-time paid role using the skills they have developed. From the perspective of the support provided to the community there has been a very successful project with one local food bank in particular, where some of our volunteers have taken on a much higher level of responsibility around organising the day-to-day operations, and an activity at one particular care home which has seen several residents actively engaging in the activities that have been put on, which has made a real impact on their health and well-being.

FINANCIAL REVIEW

Reserves policy

The charity aims to retain 6 months of operational costs. As a relatively new charity with a relatively small income and operation, we feel that is sufficient for our needs.

The main financial risk to the charity is the loss of funding and donations which it currently receives.

FUTURE PLANS

The future plans of the charity are to continue with the charities main activities and objectives and to look for other opportunities to support the local community in a positive way. The charity wishes to be able to support all those young adults with learning disabilities that require support and to support as many projects as we can in that time, however there is no ambition to grow beyond the demand which we experience.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Creating Chaos

Independent examiner's report to the trustees of Creating Chaos

I report to the charity trustees on my examination of the accounts of Creating Chaos (the Trust) for the year ended 31 December 2020.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Independent Examiner's Report to the Trustees of
Creating Chaos

Independent examiner's report to the trustees of Creating Chaos

I report to the charity trustees on my examination of the accounts of Creating Chaos (the Trust) for the year ended 31 December 2020.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
