Description of the charity's trusts

Type of governing document

CONSTITUTION

How the charity is constituted

Charitable Incorporated Organisation (CIO)

Trustee selection methods

Some are nominated by the Sponsoring Bodies (i.e. the local denominational bodies defined in the Constitution). The remainder are appointed directly by the charity (i.e. the Trustees)

Additional governance issues (Optional information)

You may choose to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

'Faith At Work in Worcestershire' is a member of the national association of similar bodies, 'Workplace Chaplaincy Mission UK.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The Charitable Objects of the CIO, from its constitution are:

The advancement of the Christian religion in workplaces and bodies engaged in economic and employment issues in Worcestershire and in furtherance, but not otherwise, of the above objective, to endeavour to increase understanding of contemporary society.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The principal activity of the CIO is to provide chaplaincy services to local businesses; a major part of this is to offer support to individuals including staff and management of the businesses concerned.

To support this activity the CIO offers training and networking opportunities to the chaplains. It also aims to provide at least one annual opportunity for a networking event when wider issues of business, employment and the economy can be discussed from a Christian perspective.

Links are also made with local church congregations that support the work of the CIO, with a view to helping members of those congregations deal with matters of employment, business and the economy in their own lives.

In planning and managing the work of the CIO the Trustees pay due regard to the Charity Commission guidance on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

A large proportion of the chaplaincy work undertaken by the CIO is carried out by volunteer chaplains, working individually or as part of a local team.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Structure and constitution

- The impact of COVID on the activities of the CIO was felt acutely during the year, with the number of volunteers reduced by 50%, and denominations that provide the bulk of our funding signalling that future financial support would be more difficult.
- We began a forward planning process to address these issues, undertaking a review of governance and strategic priorities.

Charitable Objectives

- Provision of on-going training for chaplains using video training.
- Stabilised the number of chaplains at 25 (from a high of 42 in 2020)
- Continued communications with chaplains, partner churches, partner businesses and supporters through the website and regular newsletters
- Organised two seminars (April and September) for chaplains, trustees and supporters.

Section E

Financial review

Brief statement of the charity's policy on reserves

The policy of the charity is that we should hold a minimum reserve of 6 months running costs. To safeguard the livelihood of employees, this was considered the minimum time required to seek alternative funding should there be a significant shortfall in current levels.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity is funded by donations from supporters and grants from denominational bodies that, constitutionally, appoint trustees (The Anglican Diocese of Worcester, The Birmingham District of the Methodist Church, The Roman Catholic Archdiocese of Birmingham, The Heart of England Baptist Association, The Wolverhampton and Shrewsbury District of the Methodist Church, The West Midlands Synod of the United Reformed Church).

At the beginning of the year we received a legacy grant from the separate charity the Kidderminster Industrial Chaplaincy, upon its winding up, which has been designated by trustees as a forward fund to offset where traditional funding from denominations may not be available in the future.

The main expenditure has been on two part-time staff to promote, support and work with the volunteers, mostly chaplains, in delivering the charity's objectives and programmes.

Section F

Other optional information

As part of the Annual Reporting to the Charity Commission we are required to report any serious incidents. Nothing under the guidance of what constitutes a serious incident has occurred.

However, having reported in 2021 that we anticipated a significant retraction in funding from traditional sources (the denominations) due to the long-term impact of COVID, we have continued to keep this under review. During 2022 we have begun to consider options for sourcing funds elsewhere, and restructuring the work of the charity to reduce costs. Because of the legacy fund received (see section E above) we have resources and time to develop these plans in 2023. During the financial year 2022 (Jan – Dec 2022) there has been no material impact to the viability of the charity.

Section G

Declaration

FAITH AT WORK IN WORCESTERSHIRE

Notes to the accounts:

- 1 In January 2021, KIC Trustees chose to discontinue operations and transfer their remaining funds (£88,821) to Faith at Work in Worcestershire (FWW) in the form of a lump sum rather than the annual grants previously given. The FWW trustess have decided to recognise this amount as future income over an eight/nine year period and created separate bank accounts to hold the monies as well as setting up a Provision for Future Income.
- 2 In 2021, the figures used were not analysed correctly, although the overall figure was correct.
- 3 The expense reimbursement received from WCMUK of £5,820 (£6,456 in 2021) arises from agreed costs incurred by FWW, primarily of salary and related benefit for time spent by the Office Manager/Communications Officer working on their behalf.

Accounting Policies

The trustees of FWW have a Fixed Asset policy to capitalises assets with a cost of more than £100. There were no such assets purchased in this period
