## Section B Structure, governance and management

### Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Constitution
How the charity is constituted (eg. trust, association, company)	Charitable Incorporated Organisation (CIO)
Trustee selection methods (eg. appointed by, elected by)	Recruited by board members.

### Additional governance issues (Optional information)

You <b>may choose</b> to include additional information, where relevant, about:	
<b>policies and procedures adopted for the induction and training of trustees;</b>	Tusome Africa has adopted a structured process for the induction and training of new trustees. All trustees receive a comprehensive induction pack that includes our governing documents, key policies (including safeguarding, finance, and conflict of interest policies), Charity Commission guidance on trustee responsibilities, and an overview of our current programmes and operations. New trustees are invited to attend induction sessions with senior staff or existing board members to familiarise themselves with our mission, governance practices, and strategic priorities. Ongoing training and capacity building are encouraged, and trustees are supported to attend relevant sector briefings, conferences, or governance workshops.
<b>the charity's organisational structure and any wider network with which the charity works;</b>	Tusome Africa is governed by a Board of Trustees responsible for overall strategic direction, financial oversight, and compliance. Day-to-day operations in Uganda are led by a small programme team, supported by volunteers and paraeducators. We operate as a UK-registered charity and collaborate closely with our registered Ugandan counterpart to ensure contextual relevance and operational delivery. We maintain partnerships with local schools, district education offices, and community leaders as well as the government of Uganda through a MoU with the Ministry of Education and also sit on the Basic Education Network within the MoE. We also engage in cross-sector collaboration with other NGOs, funders, and research institutions working on early childhood development and foundational literacy in East Africa.
<b>relationship with any related parties;</b>	Tusome Africa's operations are governed by clear conflict of interest and related party policies. Where a trustee or team member has a connection to a partner organisation or vendor, this must be declared and recorded in our register of interests. All procurement and partnership decisions are made transparently and in accordance with our financial policies to ensure integrity, value for money, and alignment with our mission.
<b>trustees' consideration of major risks and the system and procedures to manage them.</b>	The Board of Trustees takes a proactive approach to risk management. Major risks are reviewed at quarterly board meetings and include operational risks in programme delivery, financial sustainability, safeguarding, and reputational risk. Key systems and procedures are in place to manage these risks, including: <ul style="list-style-type: none"> <li>• A safeguarding policy and designated safeguarding officer in both the UK and Uganda.</li> <li>• Annual external financial review and internal controls to ensure transparency and mitigate fraud.</li> <li>• Contingency planning and scenario mapping for programme</li> </ul>

	<p>disruptions (e.g., political instability, public health emergencies).</p> <ul style="list-style-type: none"> <li>• Regular trustee reviews of income diversification and funding pipeline.</li> </ul> <p>Trustees are committed to continuous review and strengthening of governance systems to ensure that Tusome Africa remains accountable, resilient, and impactful in its delivery.</p>
--	---

## Section C Objectives and activities

### Summary of the objectives of the charity set out in its governing document

1. To prepare children for primary school by developing their foundational competencies through increased access to quality foundational learning.
2. Engage communities to participate in the educational activities and learning of their children.

Our mission is to build a strong educational foundation for pre-primary children while supporting systems that measure and improve teaching quality and student learning outcomes. In accordance with our charitable objectives, we undertake activities that are clearly intended to benefit the public, particularly marginalised and underserved children in Uganda.

*The trustees confirm that they have had due regard to the Charity Commission's guidance on public benefit in planning and delivering the organisation's activities.*

### Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In 2024, our work focused on three main areas:

1. Continued to deliver ECE which provides free, high-quality early learning opportunities for children from low-income and marginalised backgrounds. This work included:
  - a. Training and supporting **21 para-educators in child-centred** and play-based learning methodologies to ensure a nurturing and developmentally appropriate learning experience.
  - b. Resourcing the teachers and children to promote quality education.
2. Developing Foundational Skills for Lifelong Learning
  1. To further strengthen foundational skills, we established inclusive, **3 school libraries**, now serving as hubs for reading, storytelling, and quiet learning.
  2. **Literacy and debate clubs**, giving children opportunities to build confidence, critical thinking, and language skills.
  3. Provision of **educational games and age-appropriate books**, ensuring that children engage in interactive, holistic learning experiences that extend beyond the classroom.

**Additional details of objectives and activities (Optional information)**

<p>You <b>may choose</b> to include further statements, where relevant, about:          policy on grantmaking;          policy programme related investment;          contribution made by volunteers.</p>	<p><b>1. Policy on Grantmaking:</b> Tusome Africa is not a traditional grantmaking organisation, our policy allows for resource allocations to local schools and community organisations that demonstrate alignment with our mission to improve access to quality early childhood education (ECE).</p> <p><b>2. Policy on Programme-Related Investment:</b> We prioritise programme-related investments which directly advance our charitable aims, particularly in early learning infrastructure, learning resources, and community capacity development. These investments are made with the understanding that financial return is secondary to social and educational impact. In 2024, we invested in locally produced teaching and learning materials, construction of low-cost libraries, and development of data systems to monitor learning outcomes. All programme-related investments are subject to board approval and are monitored through both financial and programme-level reporting.</p> <p><b>3. Contributions Made by Our Committed Volunteers:</b> We were privileged to work with <b>21 young women</b> who served as paraeducators in ECE centers. Beyond instructional support, volunteers played a vital role in fostering a safe and inclusive learning environment, modelling positive behaviour, and acting as a bridge between schools and families in marginalised communities.</p> <p>Their contribution significantly expanded the reach of our programme, allowing Tusome Africa to operate at a larger scale. In addition, our volunteers participated in training sessions and reflection workshops, contributing to the iterative improvement of our teaching model and helping to build a growing network of locally rooted ECE champions. We consider their involvement not only an operational asset but a foundational part of our long-term sustainability and community ownership strategy.</p>

**Section D Achievements and performance**

	Programme Area	2024 Goals	Key Achievements in 2024
		<p>To expand our reach by opening new centers in Wakiso District.</p>	<p>Successfully opened three centers in three locations in Wakiso District, namely Kapeeka, Bwotansimbi, and Kirimamboga.</p> <p>135 new children enrolled in the</p>

<p><b>Summary of the main achievements of the charity during the year</b></p>	<p><b>Early Childhood Education (ECE)</b></p>		<p>community-based centers and 265 in community centers in Iganga district.</p> <p>We enrolled 141 new children in our ECE school-based centers in Iganga district.</p>
		<p>Training and professional Development of both new ECE Teachers and Existing Paraeducators</p>	<p>Trained 26 paraeducators in child-centred methodologies and play-based learning, enhancing their teaching skills and confidence.</p>
		<p>Provide Quality Early Childhood Education (ECE) Centres in Iganga District.</p>	<p>Enrolled 125 new children in 2024 in 6 centers.</p>
			<p>The centers transitioned 135 children into primary school.</p>
		<p>Ensure sustainability by incorporating PTAs in the management of the schools</p>	<p>Held termly parent-teacher association meetings with an average of 120 participants in attendance, promoting a culture of reading and learning.</p>
	<p><b>Foundation skills for learning.</b> (Literacy and Numeracy Development)</p>	<p>To establish new libraries in Wakiso District and equip them with books.</p>	<p>Refurbished 3 libraries at St. Paul's, St. Aloysius and St. Anthony primary schools.</p>
		<p>Resource the Libraries with both locally published books as well as books in local languages and English</p>	<p>Distributed 2000 books, games and puzzles to schools in Iganga and Wakiso districts.</p>

## Section E Financial review

### Brief statement of the charity's policy on reserves

Our finance policy requires that a reserve amount equivalent to six months operations or an equivalent of the maximum liabilities of the organisation at any point in time is held in the bank.

### Details of any funds materially in deficit

The organisation does not have any funds in deficit.

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant, about:

<p>the charity's principal sources of funds (including any fundraising)</p>	<p>Tusome Africa's primary sources of funding in the reporting year included grants from individual donors, philanthropic foundations, and UK-based charitable trusts committed to improving educational equity in sub-Saharan Africa. We continue to rely on a mix of small-to-medium individual donations and restricted project-based grants. In 2024, the majority of our income came from targeted donations to support our early childhood education (ECE) initiatives in Uganda. We also received in-kind contributions from volunteers and community partners, particularly for our community-based ECE centres. We also organised a fundraising ball which can be regarded to be a large-scale public fundraising campaign. We are exploring sustainable approaches to grow unrestricted income through donor engagement, regular giving, and strategic partnerships.</p>
<p>how expenditure has supported the key objectives of the charity;</p>	<p>Expenditure during the year was directly aligned with the charity's objectives to provide equitable access to quality early childhood education and foundational learning opportunities. Key areas of spend included:</p> <ul style="list-style-type: none"> <li>• Programme Delivery: Investments in teaching and learning materials, classroom refurbishment, paraeducator stipends, and child-friendly resources for both school-based and community-based centres.</li> <li>• Capacity Building: Training and coaching for paraeducators and district education staff in child-centred, trauma-informed pedagogy.</li> <li>• Library &amp; Literacy Support: Renovation and reactivation of school libraries, procurement of books and games to support early reading and literacy engagement.</li> <li>• Monitoring and Evaluation: Development of a foundational skills scoreboard and tools to assess children's learning and teaching quality.</li> </ul> <p>Administrative and support costs were kept to a minimum, with most funding directly reaching programme delivery in line with our commitment to transparency, value for money, and impact.</p>
<p>investment policy and objectives, including any ethical investment policy adopted</p>	<p>Tusome Africa currently operates without a formal investment portfolio, and thus no direct investments were made during this financial year. However, we are committed to ethical financial stewardship. As part of our financial governance and fundraising strategy, we are developing an ethical investment policy to guide any future decisions regarding reserve management or surplus fund investment. This policy will ensure alignment with our values of social justice, child rights, and</p>

	environmental sustainability.
--	-------------------------------

## Section F Other optional information

**Looking Ahead**  
Tusome Africa is committed to deepening its impact in ECE and foundational learning. In 2025, our strategic priorities will include:

- **Consolidating our community-based ECE centres** to reach more underserved children in rural and peri-urban areas.
- **Increasing the number of books for our literacy and library programming**, including more mobile libraries and literacy clubs to enhance reading culture at home and in schools.
- **Strengthening district-level capacity** by working closely with local government to integrate our foundational skills scoreboard into broader education quality monitoring systems.
- **Diversifying funding sources** through new partnerships and increasing unrestricted income to ensure the sustainability of our programmes.

**Strategic Partnerships**  
We continue to collaborate with schools, local government, and civil society organisations to deliver our mission. Our work is embedded in local structures, with technical input and oversight from district education officers, school leaders, and community stakeholders. These partnerships are vital to ensuring contextual relevance and long-term sustainability.

**Commitment to Learning and Innovation**  
As a learning organisation, we are dedicated to using data and evidence to inform our programme design and delivery. We continue to pilot and adapt child-centred and inclusive teaching approaches in response to local needs and share our learning through workshops and local knowledge exchanges.

**Inclusivity and Child Protection**  
Tusome Africa prioritises safeguarding and inclusion in all aspects of our work. We maintain a zero-tolerance policy for abuse and have safeguarding and whistleblowing procedures in place, reviewed annually. We are also working to make our programming more inclusive of children with disabilities and those from marginalised communities.

## **Appendix**

Supporting workings held externally (exchange rates, fund movements, expense logs).

Section A Independent Examiner's Report

Report to the trustees/ members of Charity Name Tusome Africa

On accounts for the year ended 31/12/2024 Charity no (if any) 1176901

Set out on pages (remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the Tusome Africa for the year ended 31/ 12 / 2024.

Responsibilities of Trustees ,Examiners and basis of report As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act"). And as independent examiners, I am to examine the accounts, state whether particular matters have come to my attention.

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:
- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

The object of Tusome Africa is to enable children to access quality educational opportunities which enhance their learning and enable them to flourish in their diversity and abilities. We have three strategic objectives:

- Increased access to quality foundational learning.
- Engage communities to participate in the educational activities and learning of their children.
- Increased use of data on learning outcomes for decision making in education.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

At Tusome Africa, our mission is to build a strong educational foundation for pre-primary children while developing a district-level scoreboard to assess student progress and teaching quality. Our work encompasses the following initiatives:

1. **School-Based Early Childhood Education:** We focus on delivering accessible, high-quality early childhood education (ECE). This includes refurbishing three ECE learning centers, equipping children with the fundamental skills essential for their academic journey.
2. **Community-Based Early Childhood Education:** We extend our commitment to early learning by reaching underserved communities, offering free, quality learning opportunities for children who face financial challenges accessing private ECE facilities.
3. **Data-Driven Learning Assessment:** Through systematic, curriculum-based assessments, we closely monitor students' progress each term. Our data-centric approach provides insights into learning trends, guiding targeted resource allocation and fostering evidence-based decisions at both the school and district levels.
4. **Developing Foundational Skills for Lifelong Learning:** To build essential skills, we create spaces for children to engage in debate and literacy clubs. This effort includes renovating school libraries, providing access to books, board games, and other resources that support a variety of interactive learning experiences.

Together, these efforts lay a strong foundation for children's success and allow us to support effective educational strategies across the district.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

## Section D

## Achievements and performance

**Summary of the main achievements of the charity during the year**

Programme Area	2023 Goals	Key Achievements in 2023
<b>Assessment for Learning</b>	Launch Learning Assessment Programme in Iganga District, Eastern Uganda	<ul style="list-style-type: none"> <li>Assessed 1,043 Primary 6 students in Mathematics and English across 12 schools in Iganga, providing valuable data for shaping educational strategies.</li> </ul>
<b>Early Childhood Education (ECE)</b>	Expand Community ECE Centers in Iganga District	<ul style="list-style-type: none"> <li>Recruited 6 new paraeducators, expanding the team to 10 and strengthening centers in Bupaala, Bulumwaki, and opening a new center in Bukwaya.</li> <li>Held 3 in-house training sessions, achieving 100% paraeducator retention and establishing a SACCO savings scheme.</li> <li>Supported over 300 children, with 101 transitioning to primary school (48 from Bupaala, 41 from Bulumwaki, 12 from Bukwaya).</li> </ul>
	Monitoring School Early Childhood Education (ECE) Centers in Iganga District.	<ul style="list-style-type: none"> <li>Conducted 2 of 3 planned CMC meetings and facilitated paraeducator and parent meetings to enhance community collaboration in ECE centers.</li> </ul>
<b>Foundation skills for learning.</b> (Literacy and Numeracy Development)	Establish libraries in the refurbished ECE Centers	<ul style="list-style-type: none"> <li>Expanded the program into Wakiso District, signing an MoU and identifying three villages (Bukasa, Bukasa Bukulu, and Buloba) for a library project benefiting over 1,800 primary school children.</li> <li>Increased access to books for teachers and students as part of ongoing literacy and numeracy improvement efforts.</li> </ul>

## Section E

## Financial review

### Brief statement of the charity's policy on reserves

Our finance policy requires that a reserve amount equivalent to six months operations or an equivalent of the maximum liabilities of the organisation at any particular point in time is held in the bank.

### Details of any funds materially in deficit

The organisation does not have any funds in deficit.

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

## Section F

## Other optional information

## Section G

## Declaration

The trustees declare that they have approved the trustees' report above.

Tusome Africa

**On accounts for the year ended**

31/12/2023	<b>Charity no (if any)</b>	1176901
------------	----------------------------	---------

**Set out on pages**

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the Tusome Africa for the year ended 31/ 12 / 2023.

**Responsibilities of Trustees ,Examiners and basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act"). And as independent examiners, I am to examine the accounts, state whether particular matters have come to my attention.

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Trustee selection methods (e.g. appointed by, elected by)	Recruited by other trustees.

### Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- Trustees' consideration of major risks and the system and procedures to manage them.

## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

The object of Tusome Africa is to enable children to access quality educational opportunities which enhance their learning and enable them to flourish in their diversity and abilities. We have three strategic objectives:

- Increased access to quality foundational learning.
- Engage communities to participate in the educational activities and learning of their children.
- Increased use of data on learning outcomes for decision making in education.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

At Tusome Africa, we are committed to strengthening the educational foundation of pre-primary children while establishing a district scoreboard to measure learner achievement and teaching effectiveness. Our efforts encompass a range of activities:

1. **School-Based Early Childhood Education:** We prioritise delivering high-quality, affordable early childhood education (ECE). This includes the refurbishment of three ECE school learning centers. By offering top-tier early childhood education, we empower children with the essential foundations needed for their educational journey.
2. **Community-Based Early Childhood Education:** Our focus extends to building strong early childhood foundations within select communities. We provide free, quality learning opportunities for out-of-school children facing financial barriers to accessing private ECE schools.
3. **Data-Driven Learning Assessment:** We employ a data-driven approach to track students' progress systematically and consistently. Through curriculum-based assessments, we monitor each child's learning on a termly basis, providing valuable insights and highlighting learning trends. Real-time data allows for targeted resource allocation to areas or students in need, facilitating evidence-based planning and decision-making at the school and district levels.
4. **Building Foundational Skills for Learning:** We promote the development of foundational skills by establishing debate and literacy clubs. This initiative includes the renovation of selected school libraries, ensuring children have access to books, board games, and other resources that foster diverse learning experiences through play."

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grant making;
- policy programme related investment;
- Contribution made by volunteers.

## Section D Achievements and performance

### Summary of the main achievements of the charity during the year

In 2022, the year following the pandemic, all schools resumed full operations. However, towards the end of the year, an outbreak of Ebola necessitated the early closure of schools by two weeks in the final term. Despite this challenge, our organization achieved significant milestones:

- 1. Early Childhood Education (ECE) Centers:** We successfully completed the refurbishment and construction of three ECE centers, handing them over to the respective schools. These centers are poised to provide quality early childhood education.
- 2. Community-Based ECE Program Feasibility Study:** We conducted a comprehensive feasibility study for our community-based ECE program. This study led to the identification of three villages where we will pilot the community ECE initiative. Additionally, we recruited and trained ten caregivers, whom we refer to as para-educators, to facilitate this program.
- 3. Educational Partnership:** We established a valuable partnership with a local government educational department. Together, we assembled a team of experienced teachers entrusted with the responsibility of designing and administering assessment exams for learners in primary schools. This collaboration is set to enhance the quality of education.
- 4. Expansion Planning:** We successfully concluded a feasibility study for the expansion of our organization to a second district. After careful consideration, we selected Wakiso District, characterized by a distinct child demographic, including urban poor children who face challenges in accessing education. This expansion aligns with our commitment to reaching underserved communities.

Despite the disruptions caused by the Ebola outbreak, our organization remains dedicated to its mission of advancing education and providing learning opportunities to children in need.

## Section E Financial review

### Brief statement of the charity's policy on reserves

Our finance policy requires that a reserve amount equivalent to six months operations or an equivalent of the maximum liabilities of the organisation at any particular point in time is held in the bank.

### Details of any funds materially in deficit

The organisation does not have any funds in deficit.

### Further financial review details (Optional information)

## Section D Achievements and performance

You **may choose** to include additional information, where relevant about:

- the charity’s principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- Investment policy and objectives including any ethical investment policy adopted.

The charity enlisted the expertise of a freelance fundraiser and successfully secured six grants from various charitable trusts and foundations.

In 2022, these funds played a pivotal role in facilitating the expansion and initiation of the community-based paraeducator program in Iganga district.

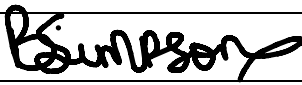

This innovative paraeducator initiative has been strategically designed to ensure self-sustainability beyond the initial two-year investment.

## Section F Other optional information

## Section A Reference and administration details

Charity name Tusome Africa

Other names charity is known by

Registered charity number (if any) 1176901

Charity's principal address Harrogate Business Centre,

Hook stone Avenue

Harrogate

Postcode

HG2 8ER

### Names of the charity trustees who manage the charity

	Trustee name	Office (if any)	Dates acted if not for whole year	Name of person (or body) entitled to appoint trustee (if any)
1	Bea Simpson	Chairperson		
2	Patrick Paul Timmis	Acting Treasurer		
3	Agnes Nakiryia	Co - founder		
4	Stephen John Cutts	Trustee		
5	Christopher John Thompson	Trustee		
6	Barbra Achiro	Trustee		
7	Macey Tan	Trustee		
8	Ros Hancell	Trustee		

### Names of the trustees for the charity, if any, (for example, any custodian trustees)

Name	Dates acted if not for whole year

### Names and addresses of advisers (Optional information)

Type of adviser	Name	Address

### Name of chief executive or names of senior staff members (Optional information)

## Section B Structure, governance and management

### Description of the charity's trusts

Type of governing document (e.g. trust deed, constitution)	Constitution
How the charity is constituted (e.g. trust, association, company)	Charitable Incorporated Organisation (CIO)
Trustee selection methods (e.g. appointed by, elected by)	Recruited by other trustees.

### Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- Trustees' consideration of major risks and the system and procedures to manage them.

## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

The object of Tusome Africa is to enable children to access quality educational opportunities which enhance their learning and enable them to flourish in their diversity and abilities. We have three strategic objectives:

- Increased access to quality foundational learning.
- Engage communities to participate in the educational activities and learning of their children.
- Increased use of data on learning outcomes for decision making in education.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

At Tusome Africa, we are committed to strengthening the educational foundation of pre-primary children while establishing a district scoreboard to measure learner achievement and teaching effectiveness. Our efforts encompass a range of activities:

1. **School-Based Early Childhood Education:** We prioritise delivering high-quality, affordable early childhood education (ECE). This includes the refurbishment of three ECE school learning centers. By offering top-tier early childhood education, we empower children with the essential foundations needed for their educational journey.
2. **Community-Based Early Childhood Education:** Our focus extends to building strong early childhood foundations within select communities. We provide free, quality learning opportunities for out-of-school children facing financial barriers to accessing private ECE schools.
3. **Data-Driven Learning Assessment:** We employ a data-driven approach to track students' progress systematically and consistently. Through curriculum-based assessments, we monitor each child's learning on a termly basis, providing valuable insights and highlighting learning trends. Real-time data allows for targeted resource allocation to areas or students in need, facilitating evidence-based planning and decision-making at the school and district levels.
4. **Building Foundational Skills for Learning:** We promote the development of foundational skills by establishing debate and literacy clubs. This initiative includes the renovation of selected school libraries, ensuring children have access to books, board games, and other resources that foster diverse learning experiences through play."

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grant making;
- policy programme related investment;
- Contribution made by volunteers.

## Section D Achievements and performance

### Summary of the main achievements of the charity during the year

In 2022, the year following the pandemic, all schools resumed full operations. However, towards the end of the year, an outbreak of Ebola necessitated the early closure of schools by two weeks in the final term. Despite this challenge, our organization achieved significant milestones:

1. **Early Childhood Education (ECE) Centers:** We successfully completed the refurbishment and construction of three ECE centers, handing them over to the respective schools. These centers are poised to provide quality early childhood education.
2. **Community-Based ECE Program Feasibility Study:** We conducted a comprehensive feasibility study for our community-based ECE program. This study led to the identification of three villages where we will pilot the community ECE initiative. Additionally, we recruited and trained ten caregivers, whom we refer to as para-educators, to facilitate this program.
3. **Educational Partnership:** We established a valuable partnership with a local government educational department. Together, we assembled a team of experienced teachers entrusted with the responsibility of designing and administering assessment exams for learners in primary schools. This collaboration is set to enhance the quality of education.
4. **Expansion Planning:** We successfully concluded a feasibility study for the expansion of our organization to a second district. After careful consideration, we selected Wakiso District, characterized by a distinct child demographic, including urban poor children who face challenges in accessing education. This expansion aligns with our commitment to reaching underserved communities.

Despite the disruptions caused by the Ebola outbreak, our organization remains dedicated to its mission of advancing education and providing learning opportunities to children in need.

## Section E Financial review

### Brief statement of the charity's policy on reserves

Our finance policy requires that a reserve amount equivalent to six months operations or an equivalent of the maximum liabilities of the organisation at any particular point in time is held in the bank.

### Details of any funds materially in deficit

The organisation does not have any funds in deficit.

### Further financial review details (Optional information)

## Section D Achievements and performance

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- Investment policy and objectives including any ethical investment policy adopted.

The charity enlisted the expertise of a freelance fundraiser and successfully secured six grants from various charitable trusts and foundations.

In 2022, these funds played a pivotal role in facilitating the expansion and initiation of the community-based paraeducator program in Iganga district.

This innovative paraeducator initiative has been strategically designed to ensure self-sustainability beyond the initial two-year investment.

## Section F Other optional information

## Section G Declaration

The trustees declare that they have approved the trustees' report above.

year

**Section A**

**Independent Examiner's Report**

**Report to the trustees/  
members of**

Charity Name  
Tusome Africa

**On accounts for the year  
ended**

31/12/2022

**Charity no  
(if any)**

1176901

**Set out on pages**

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/ 12 / 2022**.

**Responsibilities and  
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent  
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
