Sponsor a Sibling

Trustee report for the accounts for the year ending 31st August 2021

The Trustees are pleased to submit the annual report and financial statement for Sponsor a Sibling for the year ending 31st August 2021. Registered Charity number 1176912 operating at 25 Grafton Road, Dovercourt, Essex, CO12 3BD.

Sponsor a Sibling is a Charitable Incorporated Organisation governed by its constitution adopted on the 31st January 2018 and is managed by three Charity trustees named below.

Mrs Laura Rolph-Wills	Chair person
Mr Graham Rolph-Wills	Secretary
Miss Michelle Pierce	Treasurer

The above persons were trustees of the charity, as defined by the constitution and were in office at 31st August and served throughout the whole year.

When the time arises, Sponsor a Sibling will appoint new trustees with regard to their experience and background to benefit the charity.

Overview

Sponsor a Sibling founded in 2016, originally registered as charity number 1176130. (All assets and funds transferred to Sponsor a Sibling incorporated 1176912 on 1st February 2018) has had a successful year despite a global pandemic and is continuing to thrive.

2020 has proved challenging to everybody especially in the charity sector, however, we feel we have positively reacted in this difficult time and continued to show our Super siblings how amazing they are and make their time in isolation a little easier.

We have pride in the fact that Sponsor a Sibling continues to be managed in a successful, well organised way with thanks to the trustees who show continued dedication and commitment to achieve our objectives. This is reflected in the growth of the charity financially and by the activities carried out and how Sponsor a Sibling adapted where needed during the Corona virus crisis.

Objective

The objectives of the charity are as defined in the constitution to offer the relief of siblings of children with life limited or life threatening conditions and also bereaved siblings throughout England, Ireland, Scotland and Wales by providing in particular but not exclusively a gift which will boost morale and offer support and encouragement and keepsakes and holidays.

Activities

Sponsor a Sibling offer a range of services which contribute to achieve our objective as detailed above.

Following conversations with families and feedback received the trustees continually re assess the services we provide and determine that we are abiding by our duties as trustees of carrying out these services with the duty to have regard to the regulations provided by the charity commission ensuring we continue to meet requirements for public benefit.

From originally offering just our nominated sibling gift packs, we have grown to include hospital packs, bereavement packs, awards and much needed family holidays in our 'Siblings caravan'. We also offer seasonal packs for holidays and Christmas times when available.

Achievements

Now in its Fifth year Sponsor a sibling is still flourishing and continues to provide the much needed services to the siblings of children with life limiting or life threatening conditions and also bereaved siblings.

Sponsor a sibling has been recognised in both national and local media sources and Laura also received a points of light award from Teresa May for the work that sponsor a sibling carries out.

We continue to offer the same services, gift packs, awards, hospital packs, keepsake packs and family holidays along with seasonal gifts as and when possible. We continue to receive phenomenal feedback from families and the smiles on the sibling's faces show how much a small gesture can go a long way.

We had to temporarily re-evaluate our services during the covid pandemic and due to an amazing funding opportunity from The HM Government in partnership with The National Lottery Fund. We were able to send out weekly gift packs to 40 Siblings to help with their mental health and give them a treat during shielding. Some of these gifts included digital cameras, tie die kits, and many more exciting goodies.

Sadly for all of 2020 our caravan was out of use. National lockdowns meant the site remained closed and upon reopening we were all heartbroken to discover a leak had ruined the bathroom floor deeming it unsafe for use. Due to the hard work of our wonderful supporters over the years, we were able to action repairs and with the help of a wonderful local company, we now have a fully functional wet room. Something which will make taking a holiday so much more user friendly to our families.

In 2021 we see the highly anticipated return of our free of charge holidays, alongside registering to a lettings company. This meant that any weeks that the caravan was unoccupied by qualifying families, we were able to offer the opportunity for private hire in order to recuperate some of the costs. This helped incredibly after a tough year. We also had the cost associated with professional cleaners now used in order to keep the Sponsor a Sibling team, along with our families as safe as could be whilst Covid was still very much present.

Fundraising remains to be a struggle during the current times as echoed by many organisations. We were very grateful to be the chosen charity for The Harwich Angels Charity Football match against The Arsenal Foundation. The event took place earlier this month and raised an incredible amount.

As previously, our biggest financial responsibility is the costs associated with our caravan in order to enable us to continue providing holidays. Due to the strong financial position we are currently in, we are pleased to report we can continue to provide much needed free of charge holidays to our Super

Siblings and their families. We know how much these small breaks mean to our families to spend time together and know after the pandemic, it will be needed more than ever.

Financial Review

Thanks to the hard work, dedication and invaluable support throughout the past 5 years, Sponsor a Sibling is currently doing well financially.

Although our fundraising for our second caravan has been affected and is taking longer than planned due to the pandemic, we are confident this is still achievable.

Although we do not hold any reserves or a reserves policy for the time being, we feel we have sufficient funds available for us to continue to comfortably meet our objective.

We receive 'Gifts in kind' in the form of items requested via our amazon wish list along and for the period accounted this amounted to £1,115. The amazon gifts are what enable us to supply our sibling gift packs and we use funds raised to top up where needed.

We continue to use the Just Giving platform giving supporters a trusted site to fundraise or donate through and in August 2018 set up the Facebook donation service which has enabled us to receive additional funds and proved a positive benefit to the charity.

Sponsor a Sibling are excited to be entering another year thriving and would like to take this opportunity to thank all the trustees, supporters and families who have been involved with the charity to date for their continued support. Without the help of others this would not be possible.

Sponsor a Sibling

Trustee report for the accounts for the year ending 31st August 2020

The Trustees are pleased to submit the annual report and financial statement for Sponsor a Sibling for the year ending 31st August 2020. Registered Charity number 1176912 operating at 25 Grafton Road, Dovercourt, Essex, CO12 3BD.

Sponsor a Sibling is a Charitable Incorporated Organisation governed by its constitution adopted on the 31st January 2018 and is managed by three Charity trustees named below.

Mrs Laura Rolph-Wills	Chair person
Mr Graham Rolph-Wills	Secretary
Miss Michelle Pierce	Treasurer

The above persons were trustees of the charity, as defined by the constitution and were in office at 31st August and served throughout the whole year.

When the time arises, Sponsor a Sibling will appoint new trustees with regard to their experience and background to benefit the charity.

Overview

Sponsor a Sibling founded in 2016, originally registered as charity number 1176130. (All assets and funds transferred to Sponsor a Sibling incorporated 1176912 on 1st February 2018) has had a successful year despite a global pandemic and is continuing to thrive.

2020 has proved challenging to everybody especially in the charity sector, however, we feel we have positively reacted in this difficult time and continued to show our Super siblings how amazing they are and make their time in isolation a little easier.

We have pride in the fact that Sponsor a Sibling continues to be managed in a successful, well organised way with thanks to the trustees who show continued dedication and commitment to achieve our objectives. This is reflected in the growth of the charity financially and by the activities carried out and how Sponsor a Sibling adapted where needed during the Corona virus crisis.

Objective

The objectives of the charity are as defined in the constitution to offer the relief of siblings of children with life limited or life threatening conditions and also bereaved siblings throughout England, Ireland, Scotland and Wales by providing in particular but not exclusively a gift which will boost morale and offer support and encouragement and keepsakes and holidays.

Activities

Sponsor a Sibling offer a range of services which contribute to achieve our objective as detailed above.

Following conversations with families and feedback received the trustees continually re assess the services we provide and determine that we are abiding by our duties as trustees of carrying out these services with the duty to have regard to the regulations provided by the charity commission ensuring we continue to meet requirements for public benefit.

From originally offering just our nominated sibling gift packs, we have grown to include hospital packs, bereavement packs, awards and much needed family holidays in our 'Siblings caravan'. We also offer seasonal packs for holidays and Christmas times when available.

Achievements

Now in its Fourth year, (third year as a registered charity) Sponsor a sibling has continued to grow at a steady pace and provide the much needed services to the siblings of children with life limiting or life threatening conditions and also bereaved siblings.

Sponsor a sibling has been recognised in both national and local media sources and Laura also received a points of light award from Teresa May for the work that sponsor a sibling carries out.

We continue to offer the same services, gift packs, awards, hospital packs, keepsake packs and family holidays along with seasonal gifts as and when possible. We continue to receive phenomenal feedback from families and the smiles on the sibling's faces show how much a small gesture can go a long way.

We had to temporarily re-evaluate our services during the covid pandemic and due to an amazing funding opportunity from The HM Government in partnership with The National Lottery Fund. We were able to send out weekly gift packs to 40 Siblings to help with their mental health and give them a treat during shielding. Some of these gifts included digital cameras, tie die kits, and many more exciting goodies.

Sadly for all of 2020 our caravan was out of use. National lockdowns meant the site remained closed and upon reopening we were all heartbroken to discover a leak had ruined the bathroom floor deeming it unsafe for use. Due to the hard work of our wonderful supporters over the years, we were able to action repairs and with the help of a wonderful local company, we now have a fully functional wet room. Something which will make taking a holiday so much more user friendly to our families.

Fundraising this year was challenging, with nearly half the year spent in lockdown we had no opportunity to attend the various functions we would usually do. We did however have some incredible fundraising efforts from some wonderful people who dyed their hair, took part in epic bike rides and a fabulous effort from Eoghan and Willis Tower Watson with a sponsored hair design resulting in Eoghan's Mohican hair cut!

As previously, our biggest financial responsibility is the costs associated with our caravan in order to enable us to continue providing holidays. With the generosity from 52 lives along with some kind donations we are pleased to report we can continue to provide much needed free of charge holidays to our Super Siblings and their families. We know how much these small breaks mean to our families to spend time together and know after the pandemic, it will be needed more than ever.

Financial Review

Thanks to our corporate partnerships and the dedication of our fundraisers, Sponsor a sibling has had a highly successful year financially despite experiencing a global pandemic.

Funds received in this period have been made up mainly of unrestricted grants, fundraising and donations, including the few payments received from caravan deposits.

Although we do not hold any reserves or a reserves policy for the time being, we feel we have sufficient funds available for us to continue to comfortably meet our objective.

We receive 'Gifts in kind' in the form of items requested via our amazon wish list along and for the period accounted this amounted to £1,386. The amazon gifts are what enable us to supply our sibling gift packs and we use funds raised to top up where needed.

We continue to use the Just Giving platform giving supporters a trusted site to fundraise or donate through and in August 2018 set up the Facebook donation service which has enabled us to receive additional funds and proved a positive benefit to the charity.

Due to the dedication of our corporate partners back in 2019 we were able to pay off the remaining balance of our Black Horse loan which provided our caravan finance. Paid off in full after 19 months of a 5 year agreement was a very positive outcome and we can now concentrate on building our reserves up to ensure we are in the best possible position financially for the future along with our current fundraising mission to purchase a second caravan.

Sponsor a Sibling are excited to be entering another year thriving and would like to take this opportunity to thank all the trustees, supporters and families who have been involved with the charity to date for their continued support. Without the help of others this would not be possible.
