## **Disclosure of Temporary Inactivity**

Bashir Productions, a registered charity, was temporarily inactive between 22 July 2021 and 1 January 2025. This period of inactivity was due to the challenges posed by the COVID-19 pandemic and to allow our Chair, Mimi Malaz Bashir, to focus on completing a first-class honours degree in Global Trade and Business, ensuring the continued development of leadership and strategic skills for the charity's future.

During this time, in compliance with Charity Commission regulations, our accounts have remained unchanged since January 2023. We ensured that all financial records were maintained accurately, and no new transactions or activities were recorded during this period of inactivity.

As we now gradually reopen, Bashir Productions will begin with applications for funding and the launch of educational workshops in collaboration with industry professionals. **Report of Trustees:**

The trustees are pleased to present this annual report and accounts in compliance with the requirements of the Charity Commission.

**Chair's Report:**

The COVID-19 pandemic has had a profound impact on the arts sector, and Bashir Productions was not exempt from its far-reaching consequences. The closure of theatres across the UK and nationwide restrictions created unprecedented challenges, particularly with regard to producing showcases and securing necessary funding. As a result, the arts sector, including our charity, faced severe setbacks.

Lockdowns, social distancing, and health regulations led to a dramatic decline in revenue for many arts organisations. Bashir Productions was no exception, and our capacity to deliver projects was substantially limited due to funding constraints and logistical obstacles.

Despite these challenges, we are committed to gradually rebuilding and refocusing our efforts. We have strategically chosen to begin with educational workshops, which will form the basis for future projects. Our immediate priority is securing funding for these workshops, which will provide a solid foundation for upcoming initiatives.

In the next year, we plan to launch a mentorship program alongside skill-building workshops aimed at empowering emerging artists from diverse backgrounds. These initiatives will provide crucial support, fostering professional development and creating opportunities for community engagement.

Additionally, our outreach efforts will be designed to strengthen relationships with underrepresented communities, ensuring equal access to the arts for all. Despite the ongoing effects of the pandemic, Bashir Productions remains dedicated to its mission of supporting and promoting the performing arts.

**Board of Trustees Changes:**

During the reporting period, there were changes to the Board of Trustees. We would like to express our gratitude to Joy Waldron and Patrick Mizinski for their valuable contributions. Their guidance and support have been instrumental to the charity.

Mimi Malaz Bashir and Bashir Ahmed continue to serve as trustees, while we are pleased to welcome Nagla Ahmed to the Board. Her experience and insights will be invaluable as we move forward in our

efforts to achieve our mission.
