We run under foundation model constitution

Charity Commission

Dear sir

We are new cio not established we are poverty related organization, do help widows, orphans, homeless and with lack of water or other basic need facilities in asia, we make grants through the other reliable and established charities. However, we make couple of times appeal for donations for fund raising through the social media but fund raising in this way is discouraging. Most of human rights relief fund 99 percent provided from myself and one another family member. I myself do all of work for Human rights relief, the other trustees does their own jobs, give no time at all. In the nearly future as basic and founder person i would find one or two dedicated persons for Human rights relief or maybe i reapply to change organization structure just for doing the human rights awareness and protection. Although as a founder and chair person i do the work of awareness in human rights field as well.

your sincerely

Mohammed Ibrahim
