ANNUAL RETURN AND ACCOUNTS for financial year 31 December 2022

Aims and Purpose

God Never Fails Revival Church under the custodianship of Bishop Nhlahla David Nhlapo have a clear mission of the promotion of faith, pastoral, evangelism and social cohesion.

GNF church also aims to combat youth depression, drug abuse and ill social behaviour through faith and worship. .

Objectives and Activities.

Our activities will include sessions every Sunday, worship, and prayer sessions weekly. We will implement progress to assist the youth in dealing with issues they face and promote social cohesion and tolerance among the community.

Activities

Due to delays in the establishment of the branch, the activities and objectives of the church were not implemented in the year of establishment 2018. In 2019 strategic plans were drawn up to introduce to the church to the greater London part with initial targets being South African through the help of the embassy. We also used social media to promote and announce the churches arrival in London to a great response. A venue was secure at London...While plans were implemented, we encounter obstacles which further delayed commencement of the services.

The beginning of 2020 would have been the year for commencement but due to the Covid-19 pandemic, all programs were on stopped. there have been recovery measures in place, these include television station, radio broadcasts and social media live streams.

The church currently has no venue or property in its name in London.
