Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>Rokesly's PSA's objectives are to advance the education of pupils in the school (being Rokesly Infant & Nursery School and Rokesly Junior School) and to help promote an inclusive community, in particular by:</p> <ul style="list-style-type: none">• Developing effective relationships between the staff, parents and others associated with the school.• Engaging in activities or providing facilities or equipment which support the school and advance the education of pupils.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>We held a full calendar of events in what was a busy and successful year for the PSA. Each event was organised by the PSA committee, class representatives and parent/carers volunteers at the school.</p> <p>The meetings and fundraising events held include the following-</p> <ul style="list-style-type: none">• A mixture of PSA coffee mornings and evening meetings to keep parents and carers and staff updated on PSA activities and approve the school's funding requests. Head teachers had time on the agenda at all meetings.• The AGM was held online in November 2023 and was well attended. We will consider whether it is better to hold the AGM online or in person in future years.• We held many events throughout the school year such as cake sales, discos, quizz, raffle, readathon and outdoor cinema.

		<ul style="list-style-type: none"> • We also held our three biggest fundraising events which were all hugely successful. The festive fair raised £5.9k, the auction raised £10.1k and the summer fair raised £8.4k. We are hugely grateful to the committed and hardworking groups of parents who took on the task of organising and running these events. They are vital, not only for fundraising, but also for building community and engagement within the school. • We ran a targeted online fundraising appeal to support the refurbishment of the junior school library. This was a huge success and generated £2.2k to use towards the update. We found that having a specific project to contribute towards encouraged engagement and donations and we aim to work with the school to identify further opportunities for this. • We also sold Rokesly branded merchandise and festive puddings online. • We continue to promote workplace giving schemes and corporate sponsorship as alternative funding options.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	In planning our activities for the year, we kept in mind the Charity Commission's guidance on public benefit.

Achievements and Performance

	SORP reference	
<p>Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.</p>	<p>Para 1.20</p>	<p>It was an extremely busy year, with a full calendar of events. The PSA committee worked hard to organise and run the events and this should be celebrated and recognised. Not only did we raise a fantastic amount, meaning we were able to agree all of the fundraising requests received from the school, but we were also able to come together as a community to socialise and build connections. The children loved being able to attend all of the events and have fun with their school friends.</p> <p>We trialled a strategy to use parental skills to support the library refurbishment in the junior school. The project team formed to design and execute the improvements did a fantastic job and many members of our school community came together on designated working days to help paint, wall paper, create murals and sew cushions. It was a huge team effort and the children are thrilled with the result. We also sourced additional books from the community to fill the newly installed book shelves.</p> <p>Our bank balance is looking healthy and we are in a good position to fund further projects going forward.</p> <p>Our continued engagement with the local community is an achievement. We have been supported wonderfully with sponsorship, raffle prizes, donations and stalls at our fairs.</p>

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Following a couple of challenging years due to Covid and the restrictions on events, it was great to be able to hold a full calendar of events this financial year. Each event was organised by the committee, class representatives and parents/carers at the school. We were able to hold in person meetings and fundraising events, including the following -

- A mixture of PSA coffee mornings and evening meetings to keep staff, parents and carers updated on PSA activities and approve the school's funding requests. Head Teachers had time on the agenda at all meetings.
- The Annual General Meeting was held in November 2022 and was in person for the first time in a few years. Attendance was greater during the online meeting last year and so the committee is considering an online meeting again next year.
- We held many events throughout the school year such as cake sales, discos, quiz nights, car boot, fun run and outdoor cinema evenings. The events were enjoyed by the school community and helped raise money for the schools.
- We also held our three biggest fundraising events, the Festive Fair, Auction and Summer Fair. We were thrilled with the engagement from the school community and raised a brilliant amount at these events.
- At the end of the first term, we produced another poem book. Every infant child contributed and it as optional homework for the junior pupils. Due to a huge increase in the manufacturing costs, the book was sponsored by a local company. This was essential to keep the cost of the book affordable for all parents and enable the PSA to raise a small amount of money.
- We also sold our Festive puddings online.
- We held a readathon in the spring term, giving prizes for one infant and one junior child who read the most and awarding their classes with new books.
- We tried to maximise Matched Giving and advertised it to the school community and spoke about it at meetings. Two parents were able to get their fundraising efforts matched and together raised an additional £X. This is something we are going to continue to promote.
- We created a Junior Library Project Group and worked with the school to design an updated library space. The School Council provided feedback on the new design. Work will start in the next academic year.
- The sale of branded merchandise continued as well as our involvement in two money back scheme from The Society Company and Stampstastic. We continued to encourage the school community to shop online via easyfundraising, and to pick Rokesly PSA as a charity through AmazonSmile.

In planning our activities for the year, we kept in mind the Charity Commission's guidance on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Rokesly PSA aims to be an inclusive parent staff association. Responsibility for organising fundraising events is spread across the year groups. The aim of this approach is to promote a sense of collective responsibility and to avoid too great a burden being placed on a small group of individuals.

The Rokesly PSA operates a network of class representatives to assist in communication with parents and the coordination of volunteers.

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

It was an extremely busy year returning to a full calendar of events. The committee and school community worked hard to organise and run the events, and this should be celebrated and recognised. Not only did we raised a brilliant amount, meaning we were able to agree all the funding requests received from the school, but we were able to come together as a community again. The children loved being able to attend all the events and have fun.

Due to Covid and the restrictions imposed on our activities due to the pandemic, our funds were very depleted, however after such a full year our accounts are looking much healthier.

Parental engagement has increased with new members to the committee and a separate Junior Library Project Group being formed. Again, after the restrictions from Covid, it was great to be able to hold in person meetings and events, so the PSA could re-engage fully with parents and carers.

The Readathon was a great fundraiser with brilliant engagement with the pupils. It also required minimal organisation by one committee member and so deserves to be identified as an achievement.

Holding an in-person Auction night again was a highlight of the year, bringing parents and carers together and raising a phenomenal amount. The Summer and Festive Fairs were extremely successful again and the children really enjoyed attending the events.

Our continued engagement with the local community is an achievement. We have been supported wonderfully with sponsorship, raffle prizes, donations, and stalls at our fairs.

Section E

Financial review

Brief statement of the charity's policy on reserves

The reserves that we have set aside provide financial stability and the means for the development of our principal activity. We intend to maintain our reserves at a level which is at least equivalent to one year's expected "normal" funding requests to allow the charity to continue supporting its objectives if donations were to reduce. In addition to the unrestricted funds reserve, we have previously designated funds towards the renovation of the Junior School Round Hall which is unlikely to be commenced in the next 12 months.

The Trustees review on a termly basis the amount of reserves that are required to ensure that they are adequate to fulfil our continuing obligations and to make sure the funds are fairly distributed between the schools.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The main source of funding comes from donations from parents at specific fundraising events. We have provided the school with the resources they have requested to support the educational needs of the children.

Note 1 Basis of preparation**1.1 Basis of accounting**

These accounts have been prepared on the basis of historic cost (except that investments are shown at market value) in accordance with:

- Accounting and Reporting by Charities – Statement of Recommended Practice (SORP 2005);
- and with Accounting Standards;
- and with the Charities Act.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30/08/2023.

**Responsibilities and
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

<p>Rokesly PSA's objectives are to advance the education of pupils in the school (being Rokesly Infant & Nursery School and Rokesly Junior School) and to help promote an inclusive community, in particular by:</p> <ul style="list-style-type: none"> • Developing effective relationships between the staff, parents and others associated with the school. • Engaging in activities or providing facilities or equipment which support the school and advance the education of the pupils.
--

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Following a couple of challenging years due to Covid and the restrictions on events, it was great to be able to hold a full calendar of events this financial year. Each event was organised by the committee, class representatives and parents/carers at the school. We were able to hold in person meetings and fundraising events, including the following -

- A mixture of PSA coffee mornings and evening meetings to keep staff, parents and carers updated on PSA activities and approve the school's funding requests. Head Teachers had time on the agenda at all meetings.
- The Annual General Meeting was held in November 2022 and was in person for the first time in a few years. Attendance was greater during the online meeting last year and so the committee is considering an online meeting again next year.
- We held many events throughout the school year such as cake sales, discos, quiz nights, car boot, fun run and outdoor cinema evenings. The events were enjoyed by the school community and helped raise money for the schools.
- We also held our three biggest fundraising events, the Festive Fair, Auction and Summer Fair. We were thrilled with the engagement from the school community and raised a brilliant amount at these events.
- At the end of the first term, we produced another poem book. Every infant child contributed and it as optional homework for the junior pupils. Due to a huge increase in the manufacturing costs, the book was sponsored by a local company. This was essential to keep the cost of the book affordable for all parents and enable the PSA to raise a small amount of money.
- We also sold our Festive puddings online.
- We held a readathon in the spring term, giving prizes for one infant and one junior child who read the most and awarding their classes with new books.
- We tried to maximise Matched Giving and advertised it to the school community and spoke about it at meetings. Two parents were able to get their fundraising efforts matched. This is something we are going to continue to promote.
- We created a Junior Library Project Group and worked with the school to design an updated library space. The School Council provided feedback on the new design. Work will start in the next academic year.
- The sale of branded merchandise continued as well as our involvement in two money back scheme from The Society Company and Stamptastic. We continued to encourage the school community to shop online via easyfundraising, and to pick Rokesly PSA as a charity through AmazonSmile.

In planning our activities for the year, we kept in mind the Charity Commission's guidance on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Rokesly PSA aims to be an inclusive parent staff association. Responsibility for organising fundraising events is spread across the year groups. The aim of this approach is to promote a sense of collective responsibility and to avoid too great a burden being placed on a small group of individuals.

The Rokesly PSA operates a network of class representatives to assist in communication with parents and the coordination of volunteers.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

It was an extremely busy year returning to a full calendar of events. The committee and school community worked hard to organise and run the events, and this should be celebrated and recognised. Not only did we raised a brilliant amount, meaning we were able to agree all the funding requests received from the school, but we were able to come together as a community again. The children loved being able to attend all the events and have fun.

Due to Covid and the restrictions imposed on our activities due to the pandemic, our funds were very depleted, however after such a full year our accounts are looking much healthier.

Parental engagement has increased with new members to the committee and a separate Junior Library Project Group being formed. Again, after the restrictions from Covid, it was great to be able to hold in person meetings and events, so the PSA could re-engage fully with parents and carers.

The Readathon was a great event with brilliant engagement with the pupils. It also required minimal organisation by one committee member and so deserves to be identified as an achievement.

Holding an in-person Auction night again was a highlight of the year, bringing parents and carers together and raising a phenomenal amount. The Summer and Festive Fairs were extremely successful again and the children really enjoyed attending the events.

Our continued engagement with the local community is an achievement. We have been supported wonderfully with sponsorship, raffle prizes, donations, and stalls at our fairs.

Section E

Financial review

Brief statement of the charity's policy on reserves

The reserves that we have set aside provide financial stability and the means for the development of our principal activity. We intend to maintain our reserves at a level which is at least equivalent to one year's expected "normal" funding requests to allow the charity to continue supporting its objectives if donations were to reduce.

The Trustees review on a termly basis the amount of reserves that are required to ensure that they are adequate to fulfil our continuing obligations and to make sure the funds are fairly distributed between the schools.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The main source of funding comes from donations from parents at specific fundraising events. We have provided the school with the resources they have requested to support the educational needs of the children.

Note 1 Basis of preparation**1.1 Basis of accounting**

These accounts have been prepared on the basis of historic cost (except that investments are shown at market value) in accordance with:

- Accounting and Reporting by Charities – Statement of Recommended Practice (SORP 2005);
- and with Accounting Standards;
- and with the Charities Act.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30/08/2023.

**Responsibilities and
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

<p>Rokesly PSA's objectives are to advance the education of pupils in the school (being Rokesly Infant & Nursery School and Rokesly Junior School) and to help promote an inclusive community, in particular by:</p> <ul style="list-style-type: none"> • Developing effective relationships between the staff, parents and others associated with the school. • Engaging in activities or providing facilities or equipment which support the school and advance the education of the pupils.
--

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Following a couple of challenging years due to Covid and the restrictions on events, it was great to be able to hold a full calendar of events this financial year. Each event was organised by the committee, class representatives and parents/carers at the school. We were able to hold in person meetings and fundraising events, including the following -

- A mixture of PSA coffee mornings and evening meetings to keep staff, parents and carers updated on PSA activities and approve the school's funding requests. Head Teachers had time on the agenda at all meetings.
- The Annual General Meeting was held in November 2022 and was in person for the first time in a few years. Attendance was greater during the online meeting last year and so the committee is considering an online meeting again next year.
- We held many events throughout the school year such as cake sales, discos, quiz nights, car boot, fun run and outdoor cinema evenings. The events were enjoyed by the school community and helped raise money for the schools.
- We also held our three biggest fundraising events, the Festive Fair, Auction and Summer Fair. We were thrilled with the engagement from the school community and raised a brilliant amount at these events.
- At the end of the first term, we produced another poem book. Every infant child contributed and it as optional homework for the junior pupils. Due to a huge increase in the manufacturing costs, the book was sponsored by a local company. This was essential to keep the cost of the book affordable for all parents and enable the PSA to raise a small amount of money.
- We also sold our Festive puddings online.
- We held a readathon in the spring term, giving prizes for one infant and one junior child who read the most and awarding their classes with new books.
- We tried to maximise Matched Giving and advertised it to the school community and spoke about it at meetings. Two parents were able to get their fundraising efforts matched. This is something we are going to continue to promote.
- We created a Junior Library Project Group and worked with the school to design an updated library space. The School Council provided feedback on the new design. Work will start in the next academic year.
- The sale of branded merchandise continued as well as our involvement in two money back scheme from The Society Company and Stamptastic. We continued to encourage the school community to shop online via easyfundraising, and to pick Rokesly PSA as a charity through AmazonSmile.

In planning our activities for the year, we kept in mind the Charity Commission's guidance on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Rokesly PSA aims to be an inclusive parent staff association. Responsibility for organising fundraising events is spread across the year groups. The aim of this approach is to promote a sense of collective responsibility and to avoid too great a burden being placed on a small group of individuals.

The Rokesly PSA operates a network of class representatives to assist in communication with parents and the coordination of volunteers.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

It was an extremely busy year returning to a full calendar of events. The committee and school community worked hard to organise and run the events, and this should be celebrated and recognised. Not only did we raised a brilliant amount, meaning we were able to agree all the funding requests received from the school, but we were able to come together as a community again. The children loved being able to attend all the events and have fun.

Due to Covid and the restrictions imposed on our activities due to the pandemic, our funds were very depleted, however after such a full year our accounts are looking much healthier.

Parental engagement has increased with new members to the committee and a separate Junior Library Project Group being formed. Again, after the restrictions from Covid, it was great to be able to hold in person meetings and events, so the PSA could re-engage fully with parents and carers.

The Readathon was a great event with brilliant engagement with the pupils. It also required minimal organisation by one committee member and so deserves to be identified as an achievement.

Holding an in-person Auction night again was a highlight of the year, bringing parents and carers together and raising a phenomenal amount. The Summer and Festive Fairs were extremely successful again and the children really enjoyed attending the events.

Our continued engagement with the local community is an achievement. We have been supported wonderfully with sponsorship, raffle prizes, donations, and stalls at our fairs.

Section E

Financial review

Brief statement of the charity's policy on reserves

The reserves that we have set aside provide financial stability and the means for the development of our principal activity. We intend to maintain our reserves at a level which is at least equivalent to one year's expected "normal" funding requests to allow the charity to continue supporting its objectives if donations were to reduce.

The Trustees review on a termly basis the amount of reserves that are required to ensure that they are adequate to fulfil our continuing obligations and to make sure the funds are fairly distributed between the schools.

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The main source of funding comes from donations from parents at specific fundraising events. We have provided the school with the resources they have requested to support the educational needs of the children.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

This year the Rokesly PSA has had another challenging period, as it has for everyone. Due to the restrictions on large groups of people meeting up and also being mindful of the restrictions the school still had in place we didn't manage to hold many in person events during the 2021/22 academic year, which was very disappointing for us. This changed in the summer term and we were able to hold our summer fair. What we did manage to do was:

- held the Annual General meeting virtually as well as additional committee meetings, some of which the heads and deputy head of the juniors were present at to make sure we were supporting the school.
- We set up online fundraisers, one aimed at buying more technology for the school (chrome books for the juniors and new smart screens for the infants in classrooms where needed). The other fundraiser was an online auction which brought the community together (virtually)
- We managed to have a push around Christmas outing together a poem book where every infant child contributed and for the juniors it was optional. We had multiple prices for the book to make sure it could be purchased by everyone and allowed those who could add a donation.
- We did not need to find a lot of the usual activity (school trips etc) as these were unable to happen but we did however contribute where we could (Year 6 leavers books for example)
- We held our summer fair

In planning our activities for the year we kept in mind the Charity Commission's guidance on public benefit.

Summary of the main achievements of the charity during the year

Unfortunately this year, as with most of the country, our activities were curtailed by the pandemic.

The majority of money we raised was for a specific request which was met and supplied by the school. However, as outlined in our finance report, it wasn't as successful as in normal years.

We also were sad not to be able to hold social events as this is such an important part of our objectives.

The fundraising activities we did have, the large amount we fundraised two years ago and the restrictions on activities that meant that we could fund those activities that did take place.

These accounts have been prepared on the basis of historic cost (at fair value) in accordance with:

- Accounting and Reporting by Charities - Statement of Recognition
- and with Accounting Standards;
- and with the Charities Act.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30/08/2018.

**Responsibilities and
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
