A description of the principal risks facing the charity	Para 1.46	<p>The principal risk is the lack of personnel to support the work in Ghana. Whilst there is currently a small team in Ghana committed to the vision of the project, the lack of financial support is hampering the progress towards delivery.</p> <p>As the profile of the project increases in the UK this is not being met with volunteer time, and there is still insufficient funds to employ staff. The trustees recognise the potential for burn out of the volunteers and is looking at contingencies to mitigate this.</p>
