Achievements and Performance

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Mohanji centre of Benevolence (MCB) Reflecting on 2024 at the Mohanji Centre of Benevolence (MCB) in Scotland, our hearts are filled with gratitude and joy. This year has been a beautiful journey of growth, community engagement, and meaningful connections. After a year of laying the groundwork in 2023 with the acquisition and refurbishment of our beloved MCB and the creation of the temple space, 2024 blossomed into a period of stabilisation and flourishing activities. We embraced new opportunities to enhance our facilities and deepen our outreach efforts. Expanding additional spaces: We're excited to share that we've expanded our accommodations! We acquired two shipping container cabins, transforming them into cosy bedrooms and communal areas for our guests. Additionally, we invested in a bespoke toilet block, ensuring comfort and accessibility for everyone who visits us Celebrating Together This year, we hosted a beautiful healing retreat that

		brought our community together in spring. Summer was a highlight as we celebrated the anniversary of our temple's opening with a special gathering featuring Mohanji and Devi, along with various meetups and our signature Empowered 5 programme. One of the most joyous occasions was the Festival of Consciousness, where laughter, music, and connection filled the air. Attendees enjoyed yoga, meditation, conscious dancing, and delicious vegan food. We also celebrated all the major festivals with love and enthusiasm, including Shivaratri, Guru Purnima, Ganesh Chaturti, and Diwali, creating unforgettable memories together. Creating a home In our main house, we focused on creating a welcoming environment. We refurbished the downstairs bathroom and spruced up various areas with fresh paint and decor. Plus, we transformed one of our barns into a useful outdoor kitchen with hot water, perfect for our retreat programmes. Nurturing our community Our commitment to community outreach remains strong. We continued our regular food donations to the food pod in Huntly, participated in local farmers' markets, and engaged in community meetings. In May, MCB Scotland proudly joined the Grampian Wellbeing Festival, supported by NHS Grampian, offering activities like Conscious Walking and Power of Purity Meditation to promote healing, focus, and community wellbeing. We also launched the free Learning and Growing Together gardening course, funded by the Scottish Government and delivered with One Seed Forward and Frock n Wellies. Over 8 weeks, participants learned sustainable gardening practices, fostering connections with nature and each other while benefiting their mental health. These initiatives reflect MCB's commitment to a healthier, more connected community.
