The Oak and Furrows Wildlife Rescue Centre

Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 31 March 2023.

Objectives and activities

Objects and aims

Following the transfer of assets and liabilities of the charity to RSPCA North Wiltshire and Newbury District Branch on 1 April 2020 the charity remains active to enable the charity to contact those regular donors who continue to give monies by standing order or other means to the charity and are unaware of the change in operation. Once this process has been fully completed the trustees plan to make this charity dormant and change its status to a linked charity to RSPCA North Wiltshire and Newbury District Branch.

Public benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Financial review

General fund raising, charitable activities and donations and legacies totalled £98,600 (2022: £213,602) of which £46,769 (2022: £149,000) was received in respect of legacies. No income was received in the year with restrictions.

The charity is required to have the accounts independently examined which cost £1,320 (2022: £1,230).

Policy on reserves

The trustees review the charity's reserves policy annually, depending on the level of expenditure versus income each year.

The level of unrestricted reserves as at 31 March 2023 was £7,289 (2022: £188,258) and the level of restricted reserves was £Nil (2022: £Nil).

Going concern

On 1 April 2020, The Oak and Furrows Wildlife Rescue Centre passed all trade and assets across to RSPCA North Wiltshire and Newbury District Branch in order to secure financial stability. The charity remains active to receive any legacies made in the charity's name and will do so for the foreseeable future.

Structure, governance and management

Nature of governing document

The charity is registered as a Charitable Incorporated Organisation (CIO) and is governed by its constitution adopted on the 1 March 2018. It is managed by the Board of Trustees.

Recruitment and appointment of trustees

New trustees are appointed by a majority vote of the current trustees. This follows a process of approval by current trustees, being first nominated by a trustee, meeting that nominee, and assessing whether they are appropriate for that position.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Examiner's Report to the trustees of The Oak and Furrows Wildlife Rescue Centre

I report to the trustees on my examination of the accounts of The Oak and Furrows Wildlife Rescue Centre for the year ended 31 March 2023.

Responsibilities and basis of report

As the charity's trustees of The Oak and Furrows Wildlife Rescue Centre you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

Having satisfied myself that the accounts of the Charity are not required to be audited and are eligible for independent examination, I report in respect of my examination of the The Oak and Furrows Wildlife Rescue Centre's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of The Oak and Furrows Wildlife Rescue Centre as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Exemption from preparing a cash flow statement

As allowed by the Charities SORP (FRS 102) the trustees have opted not to include a statement of cash flows due to the size of the charity.

Going concern

The financial statements have been prepared on a going concern basis.

On 1 April 2020, The Oak and Furrows Wildlife Rescue Centre passed all trade and assets across to RSPCA North Wiltshire and Newbury District Branch in order to secure financial stability. The charity remains active to receive any legacies made in the charity's name and will do so for the foreseeable future.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

All resources expended are inclusive of irrecoverable VAT.

The Oak and Furrows Wildlife Rescue Centre

Notes to the Financial Statements for the Year Ended 31 March 2023 (continued)

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank - is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.
