A challenging year for the church due to the impact of the COVID-19 pandemic. The church was closed for face to face meetings for nine months of the year. Skeletal counselling services were provided as well as voluntary help to those who were impacted by the pandemic. All church services were done either online or home based.

The charity previously had 5 Trustees, however, 2 became inactive and were thus removed from office in accordance with the church constitution document.

At the end of this financial period the two charity savings accounts had savings of £909.94 and £470.90.
