Report of the Trustees for the Year Ended 31 March 2022

The trustees present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's objectives are to further such exclusively charitable purposes according to the law of England and Wales as its charity trustees in their discretion from time to time determine.

Significant activities

The charity has continued to fund the construction of a school in South Africa through its donations to Africa Foundation. In addition, the trustees have continued to work to put in place appropriate systems and processes to support the charity's future grant-making activity, once this project is complete.

Public benefit

The charity meets the definition of a public benefit entity under FRS102. The trustees have had due regard to guidance issued by the Charity Commission on public benefit and all grants which are to be made in future will be to further the charity's purposes for public benefit.

Grantmaking

The charity makes grants to organisations and individuals for exclusively charitable purposes.

The charity has a grant-making policy in place which sets out its priorities for funding, the process the trustees follow in making grants and what is required from grant recipients in terms of monitoring and reporting.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The first phase of the school building project, which was supported through the prior year's grant to Africa Foundation, was completed during the year. The first phase of construction took place between late 2019 and early 2021 and the trustees received reports on the progress and eventual outcome of the project, along with financial information regarding spending against budget. Following successful completion of this phase, the trustees agreed to fund the second and third phases of the project, with construction of the second phase of the project being completed at the end of January 2022.

**Independent Examiner's Report to the Trustees of
The Arnaud Massenet Family Foundation**

Independent examiner's report to the trustees of The Arnaud Massenet Family Foundation

I report to the charity trustees on my examination of the accounts of The Arnaud Massenet Family Foundation (the Trust) for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the Year Ended 31 March 2022

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Charity status

The Arnaud Massenet Family Foundation is a CIO registered with the Charity Commission.

The Charities registered number and office can be found in the Report of the Trustees.

Going Concern

The Trustees have reasonable expectation that the Charity will have adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis in preparing the financial statements.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

All funds used by the Foundation during the current and prior periods relate to unrestricted funds.

Financial instruments

The charity only has financial assets and financial liabilities of a kind which qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The charity makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the subsequent actual results.
