TRUSTES ANNUAL REPORT FOR 2024/2025

Registered charity 1177448

Registered address: Northwood Farm, Fir Trees Lane, Higham, Lancashire, BB12 9AY

Trustees: Alison Pickering, Sally Jones, David Smith and Michael Pickering

Objectives

Saddleworth RDA is a Riding for the Disabled Group in the North West region based at Saddleworth Stables, Diggle near Oldham. The group offers equestrian based opportunities for local children and adults with physical disabilities, mental health or learning difficulties to develop knowledge of horse care and experience fun, therapeutic horse riding sessions. Our aim is to provide inclusive access to the benefits of horse riding and contact with horses to people with additional needs from all social and ethnic backgrounds in our locality with high quality sessions which have far reaching and measurable impact on their lives. Importantly, the group provides long term, meaningful volunteering opportunities to local people.

Summary of the Year

It has been a very difficult year for the year which has seen a move of venue in July 2024 and a reduction in facilities and number of lessons available to offer each week. There has also been a reduction in the number of coaching team, with two resignations due to other commitments. However, there is one new coach in training.

We have seen success in the RDA writing competition, Arts & Crafts competition and received nominations for Volunteer of the Year.

The group has benefitted from careful financial management, steady levels of fundraising and donations resulting in a secure financial position.

I am pleased to be able to share this report and despite the challenges faced this year the Trustees are confident Saddleworth RDA will continue to thrive and provide enjoyable and valuable experiences for our local community.

Importantly, the group provides long term, meaningful volunteering opportunities to local people.

Summary of the Year

Despite the nationwide economic crisis, Saddleworth RDA has continued to thrive, meet the needs of our participants, support carers/families and our volunteers and establish ourselves firmly within the local community.

We welcomed addition to our equine team in Rocky and continue to use Troy (simulator). All new riders are assessed on Troy and will transition to the stables if/when appropriate. Troy is fully booked each session with some riders choosing to alternate between the two provisions. The hire cost is covered and only 2 volunteers are required. Hopefully, with this increased capacity we will be able to reduce the waiting list.

We have seen success in the RDA writing competition, Arts & Crafts competition and received nominations for Volunteer of the Year.

The group has benefitted from careful financial management, steady levels of fundraising and donations resulting in a secure financial position. Local groups such as the Tractor Club and local Gun Club have raised funds to help finance the running of the charity as well as purchase adapted equipment and rider clothing.

I am delighted to be able to share such a positive report and am confident Saddleworth RDA will continue to thrive and provide enjoyable and valuable experiences for our local community.

TRUSTES ANNUAL REPORT FOR 2023/2024

Registered charity 1177448

Registered address: Northwood Farm, Fir Trees Lane, Higham, Lancashire, BB12 9AY

Trustees: Alison Pickering, Sally Jones, David Smith and Michael Pickering

Objectives

Saddleworth RDA is a Riding for the Disabled Group in the North West region based at Saddleworth Stables, Diggle near Oldham. The group offers equestrian based opportunities for local children and adults with physical disabilities, mental health or learning difficulties to develop knowledge of horse care and experience fun, therapeutic horse riding sessions. Our aim is to provide inclusive access to the benefits of horse riding and contact with horses to people with additional needs from all social and ethnic backgrounds in our locality with high quality sessions which have far reaching and measurable impact on their lives. Importantly, the group provides long term, meaningful volunteering opportunities to local people.

Summary of the Year

Despite the nationwide economic crisis, Saddleworth RDA has continued to thrive, meet the needs of our participants, support carers/families and our volunteers and establish ourselves firmly within the local community.

We welcomed addition to our equine team in Rocky and continue to use Troy (simulator). All new riders are assessed on Troy and will transition to the stables if/when appropriate. Troy is fully booked each session with some riders choosing to alternate between the two provisions. The hire cost is covered and only 2 volunteers are required. Hopefully, with this increased capacity we will be able to reduce the waiting list.

We have seen success in the RDA writing competition, Arts & Crafts competition and received nominations for Volunteer of the Year.

The group has benefitted from careful financial management, steady levels of fundraising and donations resulting in a secure financial position. Local groups such as the Tractor Club and local Gun Club have raised funds to help finance the running of the charity as well as purchase adapted equipment and rider clothing.

I am delighted to be able to share such a positive report and am confident Saddleworth RDA will continue to thrive and provide enjoyable and valuable experiences for our local community.

On behalf of Trustees I would like to thank the volunteer team who are committed to making our group the successful and happy group that it is. Without their dedication and enthusiasm it would not be possible to run the group and they have remained steadfast and loyal to the group throughout the pandemic.

Grants/Funding

1. There are currently no grant applications pending
2. The weekly charity lottery run by One Lottery continues to run, although ticket revenue is noticeably down since the economic downturn
3. Grants were received this year from the Co-op Community Fund
4. Fundraising has been successful this year

Saddleworth Riding for the Disabled Association (Incorporating Carriage Driving)

Registered Charity number: 1177448

Registered address: Northwood Farm, Fir Trees Lane, Higham,
Lancashire BB12 9AY

Trustees: Alison Pickering, Sally Jones, David Smith, Derek Legg and
Michael Pickering

Objectives

Saddleworth RDA is a Riding for the Disabled charitable group based at Saddleworth Stables, Diggle near Oldham. We offer equestrian opportunities for local children and adults with physical disabilities, mental health or learning difficulties to develop knowledge of horse care and experience fun, therapeutic horse riding sessions. Our aim is to provide inclusive access to the benefits of horse riding and contact with horses to people with additional needs from all social and ethnic backgrounds in the Saddleworth, Oldham and surrounding areas with high quality sessions which have a far reaching and measurable impact on their lives. Importantly, the group provides meaningful volunteering opportunities to local people.

Summary of the Year

On 21 March 2020 the charity suspended all activities due to the Coronavirus pandemic, which significantly impacted the running of our charity and of those all across the country. We are immensely proud of all our efforts to keep the charity running throughout the pandemic, despite enforced isolation, re-starts, strict covid measures, social distancing and difficulties associated with fundraising.

We went through the RDA Re-start program and welcomed 23 participants back to the group for non-ridden, sensory sessions from 11 July 2020 but unfortunately by the end of July, Trustees made the decision to suspend sessions again, due to the high number of covid infections in the local area and the desire to keep everyone safe.

We continued to maintain a visible presence on social media and kept strong connections with the volunteer team and participants/families through whatsapp and zoom.

In September 2020 new equine Twinkle was assessed virtually by the county coach, Sheila Saner and passed as suitable to join the pony team.

Fundraising activities were heavily restricted, however, in October Trustees Derek and Sally took part in a fancy dress Halloween spooky trail around Diggle village leading their ponies and shared photographs with riders throughout the morning, which was very entertaining.

We were able to join the ladies of the Inner Wheel, Oldham in February 2021 to give a presentation over Zoom which was well received and they will come in the summer to present a cheque.

On 7 March 2021 we agreed a second Re-start plan with county chair Sheila Saner and volunteers attended 2 training days on 10 and 17 April to re-familiarise the equines with groups of people and to refresh our training, health & safety and safeguarding responsibilities.

On 24 April, 12 participants attended non ridden, sensory meet and greet the ponies sessions which were free of charge. The children were very excited about seeing their ponies again after such a long time away. They were able to stroke and groom the ponies and lead them in the arena.

The Trustees have held meetings more regularly than in a typical year to monitor government and RDA guidance on covid safety measures, with the majority of meetings taking place remotely via zoom.

Financial Review

Income from riding lessons was significantly reduced due to the impact of the covid pandemic, lockdowns and social distancing measures. There were only two lesson payments received on 27 July 2020, otherwise our only income was a regular weekly donation made by a participant's parent, Just Giving donations, Smile Amazon, Gun Club and the Halloween fundraiser. We did receive the final £1,000 payment from Groundworks after work had been completed on the hub. Expenses were carefully controlled and managed and Trustees were congratulated by the Regional and County RDA Chairs for successfully managing the group's finances during the pandemic as other small groups had been forced to close due to lack of resources.
