

BRIDLINGTON LIONS CLUB (CIO)

Registered Charity 1177461

Trustees Annual Report 2021-22

Throughout the year the Club maintained its commitment to the motto of Lions Clubs International of 'We Serve', by fundraising within the local community and distributing these funds mainly to local individuals, clubs and other organisations. As the effects of the Covid pandemic subsided, the club held its annual Carnival as well as resuming other money raising activities such as the Soft Toy tombola, car boot sales, Christmas activities and its charity bookshop. Our service to the community included beach cleans, funding a community garden, tree and bulb planting linked in with students from the local college and responding to requests from the public via our website and Facebook pages.

We continued to support both national and international projects which all Lions Clubs are involved with covering disasters around the world as well as sending donations to Water Aid, Sight Savers, World Child Cancer and Ukraine, together with more local needs such as Humberside Police Lifestyle,

The majority of our work is to respond to local appeals through our grant application procedures. Areas which have been covered are numerous but include the following: 10th Priory Guides, transport to Cliff House nursery, local air cadets and hay for the local Riding for the Disabled ponies.

Bi-monthly meetings have been held on a regular basis and the decisions taken were based on close scrutiny of applications and discussion. Each meeting has had a quorum of trustees present.

As a voluntary organisation, we strive to gain new members and make every effort to attract suitable people. We have been assisted by the local voluntary action service and have gained three new members during the year with several others showing interest. We currently have a group of members in the club who are dedicated to continuing our charitable work into the coming year.

K.L. Taylor
Secretary and Trustee
