Trustees Annual Report 2022-2023

Throughout the year the Club has maintained its commitment to the motto of Lions Clubs International of

'We Serve' by fundraising within the local community and distributing these funds mainly to local individuals, clubs and other organisations. With the rigours of the Covid pandemic almost over, the club held its annual Carnival as well as resuming other money raising activities such as the Soft Toy tombola, car boot sales, Christmas activities and its charity bookshop. During the year, the club also started claiming Gift Aid on donations successfully achieving back money over several years.

Our service efforts for the community included beach cleans, delivering food parcels to needy households, contributing to Humberside Police Lifestyle, collecting children's books for Sri Lanka and several other local needs. We planted bulbs linked in with local college students, provided fish and chip suppers for members of Doncaster Mencap and responded to requests from the public via our website and Facebook pages. We acted as marshals for the Armed Forces Day and for the Race the Waves car show.

We continued to support both national and international projects which all Lions Clubs are involved with covering disasters around the world as well as sending special donations to national appeals following floods in Pakistan and for Ukraine. Much of our fundraising helps us to respond to local appeals through our grant application procedures. We have contributed to the provision of hay for the local Riding for the Disabled ponies and transport costs for a local young squash player to attend training sessions at national centres. Twice a month, regular club meetings were held and the decisions taken were based on a close scrutiny of applications and discussion. Each meeting has had a quorum of trustees present.

As a voluntary organisation, we strive to gain new members and make every effort to attract suitable people. We carried out a leaflet drop and advertised regularly on our Facebook page. We have gained two new members during the year with several others showing interest. We currently have a group of active members in the club who are dedicated to continuing our charitable work into the coming year.
