Trustees Annual Report Year end 30th June 2025

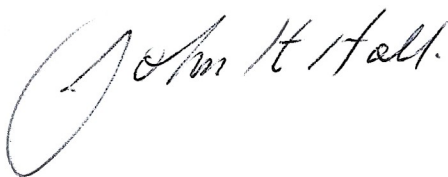

Lions Clubs International is the largest service organisation in the world, and as such, Bridlington Lions Club are a part of it. Whilst much of the work we do is cantered around local needs, we also contribute to the Worldwide disaster appeals sent out by Lions Clubs International, this usually consists of £2000 allocated to the area of greatest need. We also support other disasters when asked.

Our work in the local community is enabled by a good fund-raising team who supply funds to help local individuals and groups with their needs. We have a Grants Appeal on our website which allows local people and groups to apply for help, both financially and other help,

For a number of years we have run a bookshop, but trade wasn't going too good and the time we were having to put in to keep the shop open did not support keeping it open however, we started a new venture by opening a Craft Emporium, we charge a rent for shelf, or wall space, a percentage from sales goes to the Lions club. Whilst supporting several local entrepreneurs, it offers a meeting place and acts as a service opportunity. The income is not great. But it is self-supporting. We continue with our annual fund raisers which include a Race the waves on the beach, our Annual Carnival, which includes car parking and Giant car boot. We also Have Easter eggs in 35 local pubs raising around £2000.

We made a few donations during the year supporting local causes, some of them were, supplying funds for winter feed for Riding for the disabled. We helped to raise funds for a Hospice which was match funded by Lions Clubs International, this raised £20,000, which was match funded to £40,000. We held a Dementia Awareness Day in the local shopping centre, which included promoting sight checks. We support many local youth organisations, including schools and colleges.

Whilst encouraging new members, like many other service organisations, the world is changing, volunteers are hard to come by, however we have a dedicated group of members who work hard to continue serving the public and hopefully bring some happiness to many.
