The Trustees present the annual report and financial statements of the charity for the year ended 31 March 2021. The financial statements comply with current statutory requirements and the requirements of the Charity's governing document.

OBJECTIVES AND ACTIVITIES

The charity's objects are to provide mutual assistance training and education to users of a narrow boat which has been built to a specification laid down by the Trust management committee and to oversee the day-to-day running and organisation of the Trust, and to promote, without distinction of sex, sexual orientation, race, or of political, religious or other opinions, the advancement of education and the provision of facilities in the interests of social welfare for recreation and leisure time occupation with the object of improving the conditions of life of local residents.

The policies adopted in furtherance of these objects are to obtain finance by voluntary contributions, from users, and grants of sponsorship, and there has been no change in these during the year.

All the Trust's Management/ Trustees/ Committee and workers are volunteers.

ACHIEVEMENTS AND PERFORMANCE

The period under review has seen completion of the transfer of the activities currently undertaken by the South West Herts Youth and Community Narrow Boat Project (Charity reg No: 299973).

All the assets and the bank account (apart from £2,203) have been transferred which was delayed by COVID-19 restrictions. This will facilitate the completion & closure of the project

The income & services were significantly reduced by the COVID-19 restrictions, albeit we were in receipt of a grant.

Our previous Chair Peter Lincoln passed away on 18 November 2020, this impacted the Trust but I am now pleased to report that we have been able to continue running and plan for 2021-22.

FINANCIAL REVIEW

The company made a surplus for the period of £9,280 which included the receipt of a £10,000 COVID -19 grant.

Law applicable to charities in England and Wales requires the trustees to prepare accounts for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year.

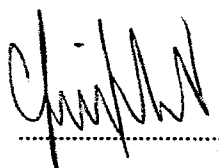

In preparing accounts giving a true and fair view, the Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records that disclose with reasonable accuracy the financial position of the Charity and which enable them to ascertain the financial position of the charity and which enable them to ensure that the accounts comply with the Charities Act 2011 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

1. Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) effective 1 January 2015.

The accounts have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved applying 'Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) effective 1 January 2015' rather than the version of the Statement of Recommended Practice referred to in the regulation but which has since been withdrawn.

The charity constitutes a public benefit entity.

The Trustee considers that there are no material uncertainties about the charity's ability to continue as a going concern.

Income recognition

Income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

All other forms of income are recognised on a receivable basis. Income relating exclusively to future accounting periods is deferred.

Expenditure recognition

Expenditure is recognised when a liability is incurred.

Funds

Unrestricted funds represent funds that can be applied at the Trustees discretion within the general objects of the charity. Designated funds are unrestricted funds set aside by the Trustees for specific purposes.

2.	Trustees remuneration and expenses
