THE REMEMBRANCE TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 AUGUST 2024

The trustees present their report with the financial statements of the charity for the year ended 31 August 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the charity are:

- to promote for the benefit of the public the conservation, protection and improvement of military graves, cemeteries and memorials of British and Commonwealth members of the Armed Forces who died before 1914 anywhere in the world;
- to support the maintenance and upkeep of military graves, cemeteries and memorials of British and Commonwealth members of the Armed Forces who died before 1914 anywhere in the world;
- to advance the education of the public in the history of wars prior to 1914, in particular (but without limitation), through advancing education in the lives of those commemorated and in the history of the graves, cemeteries and memorials supported.

Public benefit

The trustees confirm that they have complied with the duties in Section 4 of the Charities Act 2011 to have due regard to the Charity Commission's general guidance on public benefit.

We have referred to the guidance in the Charity Commission general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives that they have set.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The Trust's work in restoring the Brigade of Guard's memorial at Brompton Cemetery in London was completed this year. The Charity also funded the preservation of historic plaques at the Guards' Chapel in Central London. These plaques were originally damaged during bombing in the Second World War. The Trust's grant has allowed for the plaques to be cleaned and for them to be housed in new cabinets, which are now on display. The Charity has continued to seek out and explore new projects, as well as to examine recommendations by members of the public.

FINANCIAL REVIEW

Reserves policy

The present trustees have, prior to each successive trustee meeting, all conscientiously reviewed, reabsorbed and considered the published guidance provided by The Charity Commission dealing with trustees generally and duties in reporting on reserves, risk management, fundraising and trustees appointment and education as set out inter alia in CC3, CC3a, CC19 and CC26. In the light of their reabsorption and renewed consideration of that guidance in relation to activities budgeted for and projected, they have satisfied themselves that out of the present readily available cash resources representing income acquired by distributions or gifts, £100,000 should be set aside to deal with any short term potential deficiencies of funds needed to carry out the charitable projects and activities falling within the charitable objects and purposes of the Remembrance Trust or to satisfy new needs that require urgent attention

Total reserves at 31 August 2024 were £169,804 (2023 - £170,307). Readily available income reserves amounted to £169,478 (2023 - £144,923) and restricted reserves amounted to £NIL (2023 - £25,000).

FUTURE PLANS

The Trust has committed to providing funding for the restoration of a memorial to Captain Latham of the West Kent Regiment (known as the Buffs), famed for his actions in the Battle of Albuhera during the Peninsular War. This is located at Blingel in the Pas-de-Calais, France. The Trust has also been exploring the possibility of funding the restoration of graveyards and individual graves of British service personnel who died serving in Antigua, including the graveyard at Shirley Heights, where many members of the British Army and their families were buried; these died whilst serving in Antigua in the 18th and 19th centuries. The Trust will also be funding the restoration of the graves of several more holders of the Victoria Cross.

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 AUGUST 2024

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity was registered as a Charitable Incorporated Organisation (CIO) with the Charity Commission (the regulator for charities in England and Wales) on 9 March 2018 and is controlled by its governing document adopted on 1 February 2018 and amended 6 March 2018.

Recruitment and appointment of new trustees

Trustees must be appointed by a resolution passed at a properly convened meeting of the charity trustees. In selecting individuals for appointment the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO. Any person retiring as a trustee is eligible for reappointment.

Every charity trustee must be a natural person. No individual may be appointed if they are under the age of 16 years or disqualified from acting as a trustee by virtue of sections 178-180 of the Charities Act 2011.

No one is entitled to act as a charity trustee whether on appointment or reappointment until they have expressly acknowledged their acceptance of the office.

Organisational structure

There must be at least three charity trustees. If the number falls below this minimum, the remaining trustee or trustees may only act to call a meeting of the charity trustees, or appoint a new charity trustee. There is no maximum number of trustees that may be appointed.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
THE REMEMBRANCE TRUST**

Independent examiner's report to the trustees of The Remembrance Trust

I report to the charity trustees on my examination of the accounts of The Remembrance Trust (the Trust) for the year ended 31 August 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The financial statements have been prepared under the historical cost convention.

There are no material uncertainties that may cast doubt upon the charity's ability to continue as a going concern.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 15% on reducing balance
Computer equipment	- 33% on cost

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.
