Trustees' Report for the year ended 31st December 2022

This organisation was founded by Elizabeth Rubin in 2016 and became a registered charity in March 2020.

The trustees present their report and financial statements for the year ended 31st. December 2022.

The financial statements have been drawn up in accordance with the Statement of Recommended Practice (SORP 2015) - "Accounting and Reporting by Charities".

Governing document

Packs 4 Parents is a charitable incorporated organisation (CIO) which operates under a foundation document dated 13th. March 2020, and is Registered Charity no. 1177528

Objects, objectives and activities

The provision of free emergency supply packs of toiletries and similar items to parents whose children are rushed into hospital before they have had time to prepare for admission. Packs are supplied to hospitals who decide how they are distributed, but the main focus is predominantly on those in paediatric intensive care.

Future prospects

The future of the CIO depends on its success in fundraising.

Public benefit

The trustees have referred to the guidance in the Charity Commission's general guidance on public benefit when reviewing the CIO's aims and objectives and in planning its future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set. The trustees are satisfied that the benefits provided are directly related to the CIO's aims, and they confirm that the opportunity to benefit is restricted solely by the availability of funds. They further confirm that people in poverty are not excluded, that benefits provided outweigh any detriment, and that the CIO's beneficiaries are entirely appropriate to its aims. Finally, whilst the trustees are unaware of any private benefit gained, they confirm that, were such to occur, it would be purely incidental.

Appointment of new trustees

New trustees are appointed following acceptance of an invitation from the existing trustees to be appointed. A list of trustees acting during the year appears in the information page of these statements.

Activities and financial review

The trustees are responsible for the governance of the charitable and fundraising activities of the CIO. This year saw a small surplus, and reserves carried forward to 2023 have grown as a result.

Reserves policy

The trustees' reserves policy is to hold in reserve sufficient to meet at least six months of a year's estimated expenses.

Trustees remuneration

The committee meets regularly to discuss and review the CIO's activities. No member of the committee received any remuneration during the year.

Committee responsibilities

The trustees are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Trustees' report for the year ended 31st December 2022 (continued)

Charity law requires the trustees to prepare financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Signed on behalf of the trustees on 31/7/23
