Trustees' Annual Report

for the year to 31 October 2025

Objectives, Activities, Achievements and Performance

Street Support Network Limited's purpose is, for the public benefit in England, Wales and Scotland, the relief of those in need by reason of illness, financial hardship and other disadvantage due to their experience of or risk of homelessness, in particular but not exclusively by

- providing information to people who are experiencing homelessness, and those at risk of becoming homeless, on how and where to access the services they need;
- increasing or coordinating opportunities for people who are experiencing homelessness, and those at risk of becoming homeless, to engage with service providers;
- enabling those service providers to better meet the needs of people who are experiencing homelessness and those at risk of becoming homeless;
- raising awareness of issues arising from homelessness or the risk of homelessness; and
- promoting volunteering.

During the year ended 31 October 2025 we continued to support each location within our network to have an active homelessness partnership supported by our Find Help / Give Help website. We continued to support locations to share information as they focused on their immediate priorities, especially their winter provision initiatives to shelter rough sleepers.

Our plans for the future include further expansion of the partnership network, the expansion and improvement of our digital platform to support disadvantaged groups affected by homelessness and the delivery of new digital tools to support ease of access to essential services. We will continue to strengthen links between the towns and cities we work with to share best practice and develop shared assets. In addition, we are refocusing our team to better support the location network and to deliver growth.

Throughout our work our commitment to co-production ensures that those who have lived experience of homelessness are heard and play an active role in developing homelessness strategies and services.

The trustees have had regard to the Charity Commission's published guidance on the Public Benefit requirement under the Charities Act 2011.

Financial Review

In common with many charities, we continue to experience financial pressures as available funding reduces in the face of increasing need and costs increase. We meet this challenge by targeting available funding and reducing costs wherever possible.

The cash at bank balance of £19,950 included funds received in advance for specific projects.

Reserves Policy

	Year ended 31/10/25	Year ended 31/10/24	Increase / (Decrease)
Unrestricted Funds (Reserves)	17,331	57,162	-
Restricted / Designated Funds:	-	-	-
Total Funds	17,331	57,162	-
Ratio of Reserves to Essential Costs	17,331	57,162	
	/ 79,746 =	/ 137,888 =	
	2.6 months	5.0 months	-

Reserves are set aside to provide financial stability and the means for the development of our principal activity. The absolute value of reserves will fluctuate over time due to changes in the scale and reach of our activities and in line with our forecasts.

The trustees review the level of reserves on at least a quarterly basis to ensure they are adequate to fulfil our continuing obligations. The trustees review the Reserves Policy on an annual basis.

The Reserves Policy states that we intended to maintain our reserves at a level which is equivalent to between 6 months and 1 year's-worth of Essential Costs i.e. the cost of the core team.

This level of reserves will ensure that, should adverse operating conditions arise, such as a decrease in revenue, the trustees will be in a position to pay the salaries of the core team for a period during which financial stability can be re-established.

At 31 October 2025 the Charity's level of reserves was below that required by the Reserves Policy. The trustees had by this point put in place a series of responses to address this, including restructuring the core team, a renewed focus on service delivery and a growth plan. By the end of February 2026 the position had significantly improved to 3.9 months and is forecast to improve further to 31 October 2026.

Structure, Governance and Management

Street Support's governing documents are Memorandum and Articles of Association and the Charity is a company limited by guarantee, incorporated in England & Wales.

Trustees have been appointed on the basis of providing a range of relevant experience and a commitment to alleviating homelessness.
